Coconut Oil for Skin Care and Hair Loss Lindsey Pylarinos,2014-11-22 Coconut Oil for Skin Care one that you would want and need for healthy beautiful skin and hair In this book you will know how you can use coconut oil to your advantage The best thing about considering coconut oil as a beauty regimen is that it is a natural product as if it is Mother Nature s own gift for you in her desire to make you even more beautiful There are chemicals that treat your hair to condition it the way you want it soft shiny fragrant and damage free There are also invented chemicals which are used to minimize the cells in your skin that cause darkening Although these chemicals can be effective they are not exactly safe Some hair treatment can give you the hairstyle that you fancy but it can also cause hair loss and dryness The same is also true for your skin there are whitening products that make your skin vulnerable to the sun s rays which may lead to sickness due to the weakening of your skin s protective layer so that in the process of being fairer you get exposed to the harm that the environment may cause upon your skin and your entire health Being beautiful doesn t have to mean being in danger or having to risk your health for the sake of beauty Coconut oil can give you soft shiny fragrant and damage free hair as well as fairer skin without putting your safety on the line The fact that it is a natural product reduces the chances of danger that you could most likely get when you continue to use chemical based beauty products Here Is A Preview Of What You ll Learn A Brief History Kinds of Coconut Oil The Processes and Why It s Important for You to Know Coconut Oil for Skin Care Coconut Oil for Healthy Hair Other Beauty Tricks DIY Coconut Beauty Recipes DIY Coconut Body Recipes Coconut Oil Pulling Medicinal Benefits of Coconut Oil much more Purchase your copy today
