Bolle, Bhagavadgita Mahabharata, 1979-01-01 A Sanskrit concordance and Professor Bolle's thoughts on translating the Bhagavadgita accompany a presentation of India's classic religious poem in Sanskrit and an English translation that captures the essence of the original text *The Bhagavad Gita* Nicholas Sutton, 2020-03-03 This short course sets out a detailed study of the text philosophy and contemporary significance of the teachings found within this ancient sacred book The Bhagavad Gita which was spoken perhaps five thousand years ago and whose written form has been extant for over two thousand years continues to inspire new generations of seekers in the East and West Gandhi in the East and Thoreau Emerson Einstein and others in the West found within its pages deep wisdom comfort and contemporary applications to their lives and times The Gita ranks with the Bible Dhammapada Dao De Jing Qu ran and other significant sacred books as a universal source teaching that transcends sectarian religions In addition the Bhagavad Gita along with the Yoga sutras is one of the two primary foundational books on the yoga path aspects of which have become wildly popular in the West in recent decades This new translation and commentary on the Gita is the first in a series produced by the Oxford Centre of Hindu

Lal,1965 *Managing by the Bhagavad Gītā* Satinder Dhiman,A. D. Amar,2018-11-27 Drawing upon the timeless wisdom of the Bhagavad G t a philosophical spiritual world classic this professional book highlights the spiritual and moral dimensions of management using an inside out leadership development approach It interprets the Bhagavad G t s teachings on the personality types and psychological makeup of managers and employees self knowledge and self mastery and the leadership concepts of vision motivation and empowerment This book covers topics such as training of the mind ethical leadership communication stress management and corporate social responsibility CSR Collectively the enclosed contributions provide managers with an enhanced outlook on management functions such as leading planning organizing and controlling in today s organizations particularly those run by knowledge workers Management research in the 20th century has mainly focused on the industrial paradigm characterized by a hierarchical structure of authority and responsibility with an individualistic focus on the personality of the manager However this traditional paradigm cannot solve many of the problems

that confront leaders and managers today Recent studies have shown that values traditionally associated with spirituality such as integrity honesty trust kindness caring fairness and humility have a demonstrable effect on managerial effectiveness and success Although traditionally interpreted as a religious spiritual text the Bhagavad Gītā teaches these values which can be extrapolated and applied to practical management lessons in today's corporate boardrooms Applying the text of the Bhagavad Gītā to the context of management this book views the manager as an enlightened sage who operates from a higher stance guided by self knowledge and self mastery It demonstrates how character is the key ingredient for effective management and leadership This book is therefore applicable to all managers from first line to CEOs in their management and leadership roles in organizations

The Political Theory of the Bhagavad-Gita Stuart Gray, 2025-03-17 This book provides the first systematic analysis and interpretation of the Bhagavad Gita as a work of political theory Exploring its narrative and characters comprehensively in its own textual and historical context with a close reading of the original Sanskrit this volume fills a crucial gap by enriching the study of this ancient religious and philosophical work Key themes include monarchy rule pluralism and power Additionally by examining its influence on Mohandas Gandhi Narendra Modi Hindu nationalism and contemporary Indian democracy it offers timely insights into the enduring impact of the Gita's ideas on political ideologies movements and rhetoric today
