Religion: the Failed Narrative Richard C. Johnson, 2011-01-13 God emerges like a hologram in our consciousness and is falsely presented as the champion who will save us from death Science with its focused methodology tells the true story God is the main character in religion but he is a figment of the imagination Humans experience consciousness like amnesia victims We dont know where we came from or why we are here and we fantasize that we keep on living after our bodies physically die Thus humanity turns to religion a powerful source of consolation and comfort Science however offers some more concrete answers Author Richard C Johnson argues that God emerges as an adjunct of human consciousness where he is conjured up in response to the isolation engendered by self awareness Huge conflict results Johnson explains because claims about God are made from doctrine rather than observation The result of these conflicts has consistently been war In an age of nuclear weapons and terrorism religious conflict must be deconstructed by honest discussion Johnson explores this seemingly impossible task and proposes methods by which it can be accomplished In Religion The Failed Narrative Johnson convinces us that irrational religion cannot guide us and that only rational science has proven to be a capable leader

The Philosopher's Stone Israel Regardie, Sandra Tabatha Cicero, 2013 Analyzes three important alchemical treatises from the 17th century explaining them symbolically psychologically and magically This title also includes illustrations a glossary a biographical dictionary a bibliography an index and an introduction

Spagyrics Manfred M. Junius, 2007-02-16 A comprehensive alchemical guide to plant extractions and their health benefits Shows how spagyric methods open medicinal plants completely to release powerful healing properties Provides a history and philosophy of spagyrics that reveal why Western medicine fails to recognize the full benefit to health offered by plants Connects spagyrics to classical alchemical hermetic and ayurvedic traditions The practice of spagyrics is the application of ancient alchemical working methods to the preparation of tinctures essences and other products from medicinal plants While ordinary tinctures and infusions use only a part of the great curative potential of plants spagyric methods open medicinal plants completely to reveal their more powerful healing properties Drawing on the rich imagery and symbolism of ancient source materials Manfred M Junius describes these methods in great detail showing readers how to prepare plant remedies alchemically for their own use as well as imparting a knowledge of the ideological world in which alchemistic and hermetic thought flowered Spagyrics includes the Plant Magistery of Paracelsus and the Life Elixir recipe of Andreas Libavius among its historic techniques as well as a wealth of scientific information that demonstrates the greater efficacy of alchemical methods of plant essence extraction This classic

source text preserves the nearly forgotten but highly valuable methods of this true hermetic art for preparing natural remedies *Shakespeare and the Stars* Priscilla Costello, 2016-03-15 To celebrate the 400th anniversary of Shakespeare's death this book offers fresh and exciting insights into the ever popular works of the world's greatest playwright It specifically highlights Shakespeare's use of the archetypal language of astrological symbolism in both obvious and subtle ways Such references would have been commonly known in Shakespeare's time but their deeper significance is lost to modern day playgoers and readers The first half of the book describes the Elizabethan worldview and how the seven known planets were considered an integral part of the cosmos and instrumental in shaping human character The second half of the book examines six of Shakespeare's best loved plays in the light of astrological symbolism showing how they are entirely keyed to a specific zodiacal sign and its associated or ruling planet The chosen plays are *A Midsummer Night's Dream* *Romeo and Juliet* *The Merchant of Venice* *Macbeth* *The Tempest* and *King Lear* Each chapter incorporates information and examples from astrological tradition classical and Renaissance philosophy Greek and Roman mythology esoteric wisdom modern psychology especially that of C G Jung and great literature Thoroughly researched and well illustrated this book illuminates the plays from a fresh perspective that will deepen and profoundly transform how we understand them *Craft in Art Therapy* Lauren Leone, 2020-07-27 *Craft in Art Therapy* is the first book dedicated to illustrating the incorporation of craft materials and methods into art therapy theory and practice Contributing authors provide examples of how they have used a range of crafts including pottery glass work textiles sewing knitting crochet embroidery and quilting paper artist books altered books book binding origami and zines leatherwork and Indian crafts like mendhi and kolam rangoli in their own art and self care and in individual group and community art therapy practice The book explores the therapeutic benefits of a range of craft materials and media as well as craft's potential to build community to support individuals in caring for themselves and each other and to play a valuable role in art therapy practice *Craft in Art Therapy* demonstrates that when practiced in a culturally sensitive and socially conscious manner craft practices are more than therapeutic they also hold transformational potential *Deleuze, Guattari and the Schizoanalysis of the Global Pandemic* Saswat Samay Das, Ananya Roy Pratihari, 2023-05-18 A vital response to the COVID 19 pandemic this volume connects the neoliberal underpinnings of the pandemic to the philosophy of Deleuze and Guattari By positioning the worst outcomes of the COVID 19 crisis in terms of neoliberal normativity contributors argue that we need to understand the pandemic rhizomatically Construed as an event that deterritorializes the globe the crisis of the pandemic contains within it the potential for creating new assemblages alliances and solidarities to offset the power of the state in building regimes of exclusion insulation and control Deleuzo Guattarian attention towards non human life finds new meaning in the context of the virus and our understanding of what constitutes life and inorganic life Crisis capitalism and revolution are read anew through the pandemic and core Deleuzo Guattarian concepts help to situate the proliferation of new models of mutual aid sustainability and care in the context of anti
