**The Wonderful Wizard of Oz** L Frank Baum, 2021-03-21 Dorothy is a young girl who lives in a one room house in Kansas with the care worn Uncle Henry and Aunt Em the joy of her life is her dog Toto A sudden cyclone strikes and by the time Dorothy catches Toto she is unable to reach the storm cellar They are still in the house when the cyclone carries it away for a long journey When at last the house lands Dorothy finds that she is in a beautiful land inhabited by very short strangely dressed people The Witch of the North informs her that she is in the land of the Munchkins who are grateful to her for having killed the Wicked Witch of the East the house having landed on the witch thus freeing them The Witch of the North gives Dorothy the silver shoes of the dead witch and advises her to go to the City of Emeralds to see the Great Wizard Oz who might help her return to Kansas The witch sends Dorothy off along the yellow brick road with a magical kiss to protect her from harm On the long journey to the Emerald City Dorothy and Toto are joined by the Scarecrow who wishes he had brains the Tin Woodman who longs for a heart and the Cowardly Lion who seeks courage They face many trials along their route but they overcome them all often because of the Scarecrow's good sense the Tin Woodman

s kindness and the bravery of the Cowardly Lion At last they reach the Emerald City where the Guardian of the Gates outfits them with green lensed glasses and leads them to the Palace of Oz Oz tells them that no favours will be granted until the Wicked Witch of the West has been killed *The Wonderful Wizard of Oz* L. Frank Baum,2012-12-24 In this classic and timeless story which is one of the true classics of American literature Dorothy and her adventures have stirred the imagination of young and old alike for generations Considered as the first American fairy tale L Frank Baum crafted a wonderful and imaginative story out of familiar places and characters Dorothy will go through the adventure of a lifetime In the story we follow the adventures of young Dorothy Gale and her dog Toto as their Kansas house is swept away by a cyclone Dorothy and Toto emerge in a strange and magical land called Oz And it is at this very moment when one of the greatest and most imaginative adventures of all time begins Dorothy will meet good and evil Witches the Munchkins the Scarecrow the Tin Woodman the Cowardly Lion the mighty Wizard of Oz and many other characters on her way through the famous yellow brick road leading to the Emerald City Will Dorothy be able to get back home to Kansas We shall see Visit ladyvalkyrie com for more titles as well as for more collections of books **The Wonderful Wizard of Oz** L. Frank Baum,2021-03-22 Perspective and Narrator The Wonderful Wizard of Oz brings the reader through a third person point of view through the use of an accompanying narrator Themes of home journeying and hidden strength are expounded on through the use of the third person narrator About the Title The book puts the focus on Dorothy an orphaned girl who is the main character and frequently seeks the advice of the wonderful wizard thus making the wizard an essential character In the end Dorothy discovered the man was just an ordinary person with a wonderful heart but not a wizard as many people in Oz think The wonderful wizard of Oz is a beautiful story and the author himself defined it as a modern fairytale We have to keep in mind that even though it has been more than a hundred years since this book was published it still carries the name of a modern fairytale It was published around the time that the Grimm brothers and Charles Perrault were publishing and even then it

was different from all the other fairytales While he was writing the book the author thought that the kids need a story with no ghosts fairies or any scary events He wanted to entertain the children and keep the book full of joy and without sadness He stated that in the preface of the book In every modern fairytale the author follows his idea and gets a lot of poeticism and joy into the story and leaves out the cruelty and sadness In this book we will meet the Wicked Witch from the East and one from the West but instead of being scary they are funny The book has a lot of positive characters such as Dorothy and her friends Cowardly Lion Scarecrow Tin Woodman They represent three very important characteristics such as courage wisdom and sensitivity The witches are divided into the good ones and the bad ones Even though the author wanted to entertain the kids this book carries a moral lesson Everything that we admire can be found in ourselves and we just need to know how to recognize it The author tries to tell us that we can do miracles every single day even if they are small because the small things make life real Besides all of that it is important not to be selfish because together we can find the true meaning of life

**The Wonderful Wizard of Oz (Annotated)** L Frank Baum, 2019-12-07

Differentiated book It has a historical context with research of the time Dragged by a cyclone from the plains of Kansas to the land of Oz Dorothy and her puppy Toto must find their way back home To return home Dorothy must travel to the Emerald City with her new group of friends the Scarecrow the Tin Man and the Cowardly Lion and put her destiny in the hands of a great and terrible magician But an evil enemy gets in his way Although due to circumstances that I mentioned in my review of Pride and Prejudice I am not very friendly with the classics after reading Dorothy must die I was curious to read the original story of Dorothy and the Wizard of Oz And not even as a child I came to live that story I knew him of course but it's not like others that I can feel like mine in some way After finding it free on Amazon for Kindle I didn't turn it over and started reading One of the many good things about reading books in Kindle format is that in addition to the translator that carries the reader you can adjust the difficulty of reading according to which the Kindle shows you more or less word translations The more explanations we ask the easier the reading will be So if you are not used to reading in English but you know the language it will only be a matter of advancing a few chapters from which you will have acquired a good reading rhythm If on the contrary your English vocabulary is somewhat concise it will cost you a little more especially at the beginning but the reader offers facilities to reduce that problem Let's go back to the story This book what is classically known as Dorothy's story is only the first volume of a series of 14 books so if you want more don't worry This book tells us Dorothy's already known story How he got to Oz how he killed one of the evil witches of those lands when his house fell on him how he set off for Emerald City so that the wizard of Oz sent her back How he met his three friends each looking for a missing piece In terms of summary this book has little mystery What has been curious to me is the fact that this book originally a children's book could perfectly be used in institutes as a book of literature Each character in the book is aware of its imperfection and seeks to ask the magician for help to fix it Each of them during the course of the story interacts with other characters learn from each other For example the Scarecrow When he and Dorothy meet the Scarecrow tells us Dorothy and us which led him to look for a brain At first he was doing well in his work but one day the crows realized that he was not a man he had no brain and was simply made of straw so they began to attack the crops ignoring him Therefore to feel like a real person the Scarecrow wants a brain Brains are the only things worth having in this world no matter whether one is a crow or a man A brain is the only thing worth having in this world be it a raven or a man What the Scarecrow does not realize is that thanks to

him they leave many troubles that he is the most mentally agile at various times in history Similarly the Tin Man swears to himself never to be cruel or dishonest because he has no heart act like a person with a good heart to make up for what he does not have being able to identify those good feelings This and other reflections have left me thinking more than once and I would have liked to discuss aspects of this story with my classmates in High School instead of studying the historical context of a work I leave this story with a Good and I hope to read some continuation in the future

**The Wonderful Wizard of Oz** L. Baum, Sheba Blake, 2017-07-08 The Wonderful Wizard of Oz is an American children s novel written by author L Frank Baum It has since been reprinted on numerous occasions most often under the title The Wizard of Oz which is the title of the popular 1902 Broadway musical as well as the iconic 1939 musical film adaptation The story chronicles the adventures of a young farm girl named Dorothy in the magical Land of Oz after she and her pet dog Toto are swept away from their Kansas home by a cyclone The novel is one of the best known stories in American literature and has been widely translated The Library of Congress has declared it

America's greatest and best loved homegrown fairytale. Its groundbreaking success and the success of the Broadway musical adapted from the novel led Baum to write thirteen additional Oz books that serve as official sequels to the first story. Baum dedicated the book to my good friend comrade My Wife Maud Gage Baum. In January 1901, George M. Hill Company completed printing the first edition, a total of 10,000 copies, which quickly sold out.
