Pitch: Ball Park Mysteries: Nicole Asselin, 2019-08-14 32 year old Madeline Boucher's Grandfather instilled a love in the Boston Red Sox into her from an early age and increased that love by purchasing a local Independent League Baseball team the Abington Armadillos. After losing her corporate job in Boston, Madeline realizes her best option is to join the family baseball business. As the new Social Media Director for the team, Madeline attends her first business function and witnesses an argument between her brother Ben and a strange man. A few days later when walking the ballpark during her early morning hours, she finds the body of a man beaten to death with a baseball bat in the Visitor's Dugout. It was the man her brother was arguing with at the party. Madeline is concerned that her brother would be considered a suspect. Through the local Detectives and Davis, the head of security for the ballpark, she learns the victim is Christopher Dailey, a local baseball scout and prior felon. When her brother is arrested and taken to the police station, she realizes she needs to figure out who the real culprit is so her brother doesn't take the fall for something she knows he didn't do.
