seminars available all trying to give you the secrets to a more purposeful life you might be asking Is it really *Hearing from Heaven* Eric M. Whitley,2024-02-13 Every Christian needs the daily revelation of God s voice He is always speaking powerful words of love and encouragement to His children but many believers struggle to discern His voice through the noise of the world You can hear from heaven but you must tune your spirit to heaven s frequency to receive the messages God is sending *Hearing From Heaven* will give you the steps and tools needed to begin hearing God s voice for yourself and for others Whether you are a new Christian or a mature prophetic person you will discover new insights and principles for developing a healthy prophetic culture and community for your church Each week s material is full of practical teaching and opportunities to start practicing hearing God s voice When used in conjunction with the free companion study guide you will learn how God uniquely speaks to you how to use your spiritual gifts to bless your church and how to develop a community of prophetic people that supports one another in unity *Receiving Personal Prophecy (Expanded Edition)* Bill Vincent,2025-02-11 *Receiving Personal Prophecy Expanded Edition* Prophetic Keys to Unlocking Your Prophecies by Bill Vincent is a comprehensive guide to understanding receiving and applying personal prophecy in your life This expanded edition dives deep into the many facets of prophecy providing practical insights and biblical foundations for experiencing the full power of God s prophetic word The book covers a range of topics including The importance of recording and valuing prophetic words Balancing prophecy with scripture to ensure alignment with biblical teachings Recognizing and overcoming common stumbling blocks and hindrances to prophecy Understanding the role of the prophet and the gift of prophecy in the body of Christ Practical steps for responding to and acting on personal prophecy The impact of prophecy on personal and spiritual growth Using prophetic ministry in spiritual warfare The importance of discerning God s will and making careful decisions The significance of keeping a record of prophetic words and how to use them for spiritual warfare Testimonies of individuals who have experienced prophecy and witnessed its fulfillment With clear explanations practical advice and real life testimonies Bill Vincent equips readers with the tools they need to navigate the prophetic realm and unlock the full potential of God s prophetic promises in their lives *No Grammar Tears 3* Marthus-Adden Zimboiant,2013 First of all other I find *No Grammar Tears* very informative What amazes me is the kind of dedication and patience Marthus Adden spent in writing this book This is because this kind of genre actually needs full attention Truly whatever he has written is precise and correct I really admire his generosity of sharing his knowledge about English owing to the fact that English is his second language What is good about the book is that the writer wrote it in a manner that readers can easily understand it In other words what makes this book different from the other English grammar books in the market is that it is more user friendly which means he wrote it in a manner that can easily be understood especially by those who just learned English and want to learn more Correctly put this book is a guide to those who wants to learn English on their own As a matter of fact he has a knowledge check in every subject he has discussed in this book He catered everything especially in the part on how to construct

sentences which are very precise and which make it very easy to learn the book He did not change anything at all in terms of the right way to speak and learn English but instead he made it easier and more convenient for those people whose English is not their first language In point of fact he wrote this book not because he wants to show off to the world that he is a good grammarian but because he wants to help those struggling to learn English The book therefore deserves recognition because he is actually giving a favour to those who can't afford to have a private tutor to teach them how to speak English correctly I must in conclusion admit that this book will really help those people who want to learn English language those people who are striving to speak perfect English and those people that English is their second language I will therefore commend the author for this book
