## THE BEATLES

The Beatles' story is a tale of two worlds. On the one hand, they were a band of four young men from Liverpool, who wrote and recorded their own songs. On the other hand, they were a cultural phenomenon that changed the world. Their music, their style, and their attitude became a blueprint for a generation. This archive is a collection of the most important moments in their history, from their first single to their final performance. It is a journey through time, a celebration of the music that has inspired millions.
