## Beowulf The Graphic Novel:

**Beowulf in Comic Books and Graphic Novels** Richard Scott Nokes, 2023-03-10 The legendary story of Beowulf comes to us in only one medieval manuscript with no illustrations Modern comic book and graphic novel artists have created visual interpretations of Beowulf for decades both illustrating and altering the classic story to pull out new themes This book examines the growing canon of Beowulf comic books and graphic novels since the 1940s and shows the remarkable emergence of new traditions from re envisioning the medieval look to creating new plotlines and even to transforming his identity While placing Beowulf in a fantastical medieval setting a techno dystopia of the future or modern day America artists have appropriated the tale to comment on social issues such as war environmental issues masculinity and consumerism Whether Beowulf is fighting new monsters or allying with popular comic book superheroes these artists are creating a new canon of illustration that redefines Beowulf's place in our culture

Beowulf's Popular Afterlife in Literature, Comic Books, and Film Kathleen Forni, 2018-08-06 Beowulf's presence on the popular cultural radar has increased in the past two decades coincident with cultural crisis and change Why By way of a fusion of cultural studies adaptation theory and monster theory Beowulf's Popular Afterlife examines a wide range of Anglo American retellings and appropriations found in literary texts comic books and film The most remarkable feature of popular adaptations of the poem is that its monsters frequently victims of organized militarism male aggression or social injustice are provided with strong motives for their retaliatory brutality Popular adaptations invert the heroic ideology of the poem and monsters are not only created by powerful men but are projections of their own pathological behavior At the same time there is no question that the monsters created by human malfeasance must be eradicated
