Beyond The Sky And Earth A Journey Into Bhutan Jamie Zeppa:

Beyond the Sky and the Earth Jamie Zeppa, 2000-05-01 Jamie Zeppa was 24 when she left a stagnant life at home and signed a contract to teach for two years in the Buddhist hermit kingdom of Bhutan. Much more than just a travel memoir, *Beyond the Sky and the Earth* is the story of her time in a Himalayan village immersed in Bhutanese culture and the wonders of new and lasting love. Whether you're travelling to Bhutan looking for the best travel writing around or wishing to be transported to a culture, mindset and spiritual ethos wonderfully different from your own, *Beyond the Sky and the Earth* is a joyous and lush memoir that will transform the way you think of faith, Western life and love. **Beyond the Sky and the Earth** Jamie Zeppa, 2011-01-28 In the tradition of *Iron and Silk* and *Touch the Dragon*, Jamie Zeppa's memoir of her years in Bhutan is the story of a young woman's self-discovery in a foreign land. It is also the exciting debut of a new voice in travel writing. When she left for the Himalayan kingdom of Bhutan in 1988, Zeppa was committing herself to two years of teaching and a daunting new experience. A week on a Caribbean beach had been her only previous trip outside Canada. Bhutan was on the other side of the world, one of the most isolated countries in the world, known as the last Shangri-La where little had changed in centuries and visits by foreigners were restricted. Clinging to her bags full of chocolate, hair conditioner and Immodium, she began the biggest challenge of her life with no idea she would fall in love with the country and with a Bhutanese man. She ended up spending nine years in Bhutan and began a literary career with her account of this transformative journey. At her first posting in a remote village of eastern Bhutan, she is plunged into an overwhelmingly different culture with squalid Third World conditions and an impossible language. Her house has rats and fleas and she refuses to eat the local food, fearing the rampant deadly infections. Her overly protective grandfather warned her about. Gradually, however, her fear vanishes. She adjusts, begins to laugh and is captivated by the pristine mountain scenery and the kind students in her grade 2 class. She also begins to discover for herself the spiritual serenity of Buddhism. A transfer to the government college of Sherubtse, where the housing conditions are comparatively luxurious and the students closer to her own age, gives her a deeper awareness of Bhutan's challenges: the lack of personal privacy, the pressure to conform and the political tensions. However, her connection to Bhutan intensifies when she falls in love with a student, Tshewang, and finds herself pregnant. After a brief sojourn in Canada to give birth to her son, Pema Dorji, she marries Tshewang and makes Bhutan her home for another four years. Zeppa's personal essay about her culture shock on arriving in Bhutan won the 1996 CBC Saturday Night literary competition and appeared in the magazine. She flew home to accept the prize where people encouraged her to pursue her writing. Her letters from Bhutan also featured on CBC's *Morningside*. The book that grew out of this has been published in Canada and the United States to ecstatic reviews, followed by British, German, Dutch, Italian and Spanish editions. Although cultural differences finally separated Jamie and Tshewang in 1997 while she was writing the book, and she returned to Canada, she will always feel at home in Bhutan. Zeppa shares her compelling insights into this land and culture but *Beyond*

the Sky and the Earth is more than a travel book With rich spellbinding prose and bright humour it describes a personal journey in which Zeppa acquires a deeper understanding of what it means to leave one s home behind and undergoes a spiritual transformation

The Ecosystem of Exile Politics Susan Banki,2024-11-15 The Ecosystem of Exile Politics relays the events in Bhutan that led to the exodus of one sixth of the population and then recounts the activism by Bhutan s refugee diaspora that followed in response Susan Banki asserts that activism functions like a physical ecosystem in which hubs of activism in different locations interact to pressure the home country For Bhutan s refugee mobilizers physical proximity offers advantages in Nepal and India where organizing protests lobbying and collecting information about government abuse in Bhutan is aided by being close to the homeland But in an ecosystem of exile politics proximity is both a boon and a bane Sites proximate to Bhutan can be spaces of risk and disempowerment and refugee activists rarely secure legal political and social protection While distant diasporas in the Global North may not be in precarious situations they cannot tap into the advantages of proximity In examining these phenomena The Ecosystem of Exile Politics adds to theoretical understandings of exile politics and to empirical research on Bhutan and its refugee population
