Can You Be Gay and Christian? Michael L. Brown, 2014-05-06 The question of how the church deals with homosexuality has become the great moral and spiritual issue of this generation How do we respond to gay people who tell us how much they love the Lord and experience God's power How do we answer them when

they say that the greatest law is the law of love and that love requires us to embrace them as they are What do we do with the argument that the Old Testament laws such as the prohibition against homosexuality and the dietary laws no longer apply Gay and Christian will provide solid biblical answers clearly written and based on sound scholarship in a compassionate way that causes the reader to wrestle with the issues and discover the biblical truth The book also provides practical guidelines for ministry and shows readers how they can resist the gay agenda while reaching out to their gay friends and family

Examining the Impact of Trauma Bradley D. Grammer, 2016-06-16 Through twenty five years of walking alongside those in conflict with their sexuality Brad has come to understand what is at the heart of same sex attraction trauma Little is understood about the concept of trauma and only recently has the method of trauma informed care come to the forefront of helping others People often react negatively to the concept of trauma being at the heart of any kind of gender identity or sexual confusion Christians also struggle to understand and provide loving help to those who have sought to overcome attractions they do not desire Believers need to be equipped with a deeper understanding of the foundations of same sex attraction whether they face these desires themselves or have loved ones for whom they care An integral part of helping those with same sex attraction is learning what we all have in common in experiences with trauma and our reactions to it Brad draws from his own story as well as his ministry experience to add to the discussion in hopes of filling in the gaps that remain unfilled on the issue of same sex attraction

The Cape Town Commitment: A Confession of Faith, A Call to Action Darrell L. Bock, 2013-06-14 The Cape Town Commitment which arose from The Third Lausanne Congress on World Evangelization Cape Town 2010 stands in the historic line of The Lausanne Covenant 1974 and The Manila Manifesto 1989 It has been translated into twenty five languages and has commanded wide acceptance around the world The Commitment is set in two parts Part 1 is a Confession of Faith crafted in the language of covenantal love Part 2 is a Call to Action The local church mission agencies special interest groups and Christians in the professions are all urged to find their place in its outworking This annotated bibliography of The Cape Town Commitment arranged by topic has been compiled by specialists in a range of fields As such it is the first bibliography of its kind Arranged in sections for graduate level teaching Equally useful for research students

Books That Change lives CLC Publications, 2014-08-19 Books That Change Lives is a compilation of essential books recommended by Christian retail book experts This guide is a useful tool for beginners just coming to the faith veteran Christians searching for growth and guidance and church leaders seeking to study the Christian faith and recommend quality Christian books to others

People to Be Loved Preston Sprinkle, 2015-12-08 Christians who are confused by the homosexuality debate raging in the US are looking for resources that are based solidly on a deep study of what Scripture says about the issue In People to Be Loved Preston Sprinkle challenges those on all sides of the debate to consider what the Bible says and how we should approach the topic of homosexuality in light of it In a manner that appeals to a scholarly and lay audience alike Preston takes on difficult questions such as how should the church treat people struggling

with same sex attraction Is same sex attraction a product of biological or societal factors or both How should the church think about larger cultural issues such as gay marriage gay pride and whether intolerance over LGBT amounts to racism How or if Christians should do business with LGBT persons and supportive companies Simply saying that the Bible condemns homosexuality is not accurate nor is it enough to end the debate Those holding a traditional view still struggle to reconcile the Bible s prohibition of same sex attraction with the message of radical unconditional grace This book meets that need

Into His Presence Timothy L. Anderson, 2019-07-30 A theologically grounded treatment of what it means to be close to God Numerous Christian books aim to provide guidance on relationships with God but few base their conclusions on a biblical theology of intimacy In this volume Tim Anderson develops a biblical and holistic portrait of nearness to God exploring key themes like God s Trinitarian union the fall God s fatherhood marriage imagery suffering and our relationship with the Holy Spirit A concluding chapter examines contemporary Christian songs that address oneness with God and evaluates their theological messages in light of the previous chapters Into His Presence is a helpful guide for pursuing intimacy with God and distinguishing contemporary cultural understandings of close relationships from those communicated in Scripture

Religious Trauma, Queer Identities Joel Hollier, 2023-04-06 In a polarised milieu that too often posits queer and Christian as competing realms this book explores the complexities of identity development religious traumatisation and the task of creating safe faith spaces in which LGBTQA people can find healing particularly in the Evangelical context First Joel Hollier examines the historical path of Evangelicalism providing context for the current terrain of the culture war we find ourselves in He then parses out experiences of gender sexuality and religious spiritual identity development grounding them in an evolving theoretical base Finally Hollier offers a rounded critique of Evangelical church structures and mechanisms of trauma that hinder the healing process along with potential sources of healing Central to this work are the voices of LGBTQA people whose stories weave together a deeper understanding of the harms the Church has perpetrated and the path forward

Costly Obedience Mark A. Yarhouse, 2019-06-25 Though we often hear about the gay problem today there is an even deeper problem in the church today one that we often overlook The call to follow Christ is a call to costly obedience for all not just for gay Christians Far too often the church has elevated homosexuality above other sins and required a costly obedience from gays that it is unwilling to demand of others And yet the answer is not to weaken the demands of obedience Instead gay Christians who make the difficult choice to align their lives with the biblical view of sexuality are a gift to the church reminding all of us that spiritual growth and maturity is costly There is a price to pay in following Christ and devoting our lives to the call of the gospel and it is one that we all must pay gay and straight Christians alike Through the stories and struggles of gay Christians who are reorienting their lives around the costly obedience required to follow Christ Mark Yarhouse and Olya Zaporozhets call the church to reorient as well leaving behind the casual morality that is widespread today to pursue the path of radical discipleship Unlike any other book on homosexuality and the church

this is a call to examine your life and consider what God is asking you to lay down to take up your cross and follow him

How Should We Think About Homosexuality? Mark A. Yarhouse, 2022-02-02 Gain an informed perspective on Christianity and homosexuality There are many misconceptions about Christianity and homosexuality Christians are often perceived as being simply reactionary or behind the times We can sometimes speak where we do not understand We can do better Do you have an informed and biblical view on homosexuality In *How Should We Think About Homosexuality* Mark A Yarhouse brings his expertise to bear on this question If we are to speak with clarity and conviction we must first be informed Christianity has long held a sexual ethic regarding creation family and sexuality and Christians must know how to relate to other views of sexuality Yarhouse considers how to think about recent scientific findings and sexual identity language before suggesting avenues of fruitful discipleship for same sex attracted Christians The Questions for Restless Minds series applies God's word to today's issues Each short book faces tough questions honestly and clearly so you can think wisely act with conviction and become more like Christ

Satisfaction Guaranteed Jonathan Berry, 2016-05-19 Convinced that real satisfaction can be found only in a relationship with Jesus Christ the author aims to encourage inspire and equip all who struggle with same sex temptations to resist but make him their greatest treasure and live life to the full He invites us to dig deep and discover great truths about our awesome God and his plans and purposes for our lives for only then can we live bravely boldly and counter culturally He writes candidly humbly and sensitively with fellow strugglers in mind but also their friends families and the church leaders who support them interweaving deeply personal stories from real life God is good He can be trusted even in the most painful situation The surprising paradox is that it is the narrow road that leads to the abundant life promised by Jesus

Do Ask, Do Tell, Let's Talk Brad Hambrick, 2016-03-01 Conversations among friends accomplish more than debates between opponents Conversations on controversial issues do not go well when the dialogue happens community to community or figurehead to figurehead Whether it's race religion or politics groups don't talk well with groups Too much is at stake when we feel like our words and actions speak for the collective whole Platforms and podiums will never accomplish what can only be done around dinner tables and in living rooms Two individuals from those respective groups are much more likely to forge a good relationship influencing one another in various ways Unfortunately an individual who listens well is often viewed by his or her collective compatriots as engaging in compromise at the group level representing each side fairly feels too much like agreement That is why the aim of this book is friendship Friendship is the level at which influence can be had because the dialogue does not seek to represent an agenda but to understand a person Friendship is what protects good points from becoming gotcha moments The subject for which this approach may be most vital for the modern church may be homosexuality and same sex attraction SSA Yet our approach has tended to be more polemical or political than pastoral and personal Churches have articulated their position on a conservative sexual ethic Churches have re-examined the key biblical texts that are challenged in defense of a progressive sexual ethic As important as these things are however they do not equip

everyday Christians to develop meaningful friendships with people who experience same sex attraction or have embraced a gay identity In the absence of relationship our theology becomes theory Many Christians are seeing that the church s unwillingness to befriend people who experience SSA has blocked us from engaging with the subject of homosexuality on a person to person level We are reticent to engage relationships where it feels probable that there will be awkwardness Admittedly this book is not as neat as you might like for it to be Many tensions will be navigated maybe not all contradictions will be avoided However when it comes to being salt and light for the sake of the gospel it seems far better to choose possible messiness over guaranteed ineffectiveness That means we must realize that it is good for us to have conversations where we don t know what to say This is part of the essence of being a growing person When we re not having conversations that challenge us to think about new things we will commit sins either of pride or apathy We should always be praying that God will bring people into our lives who will provide the opportunity for us to ask new and important questions The desire of this book is to be a resource God uses to grow his people into excellent ambassador friends to their classmates colleagues and family members who experience SSA If this is what you want to do and be then God will be faithful to complete this work in you regardless of the strengths and weaknesses insights and oversights of this book Philippians 1 6 Thank you for taking this journey with me Brad Hambrick

Prostitutes and Polygamists David T. Lamb,2015-09-01 Jacob and Solomon were polygamists Tamar and Rahab were prostitutes What are polygamists and prostitutes doing on the pages of Holy Scripture And God told the prophet Hosea to marry a prostitute What about Cain did he really marry his sister Abraham did and he was also a polygamist Lot offered his daughters up for rape David committed adultery or rape and the Bible calls both men righteous Love Old Testament style was bizarre As readers of the Old Testament encounter these weird confusing and horrific love stories they ask What s up with sex in the Old Testament The church often ignores the R rated bits of the Bible so it s hard for people to find answers to their disturbing questions about sex in Scripture which can lead people to give up on God and God s word However these stories were included in the Bible for a reason to reveal an even more shocking love story When humans behave badly God behaves graciously God not only forgives people with sexual baggage but also redeems their lives and includes them in his mission God s word records their story to benefit us Just as sex was not often ideal in the Old Testament it s often not ideal today Instead of ignoring these stories *Prostitutes and Polygamists* engages discusses and learns from them

Sanctified Sexuality Sandra Glahn,2020-09-22 Expert biblical and practical advice for handling today s most challenging sexual issues Although modern culture constantly changes its views on sexuality God s design for sexuality remains the same Bringing together twenty five expert contributors in relevant fields of study Gary Barnes and Sandra Glahn address the most important and controversial areas of sexuality that Christians face today From a scriptural perspective and with an irenic tone the contributors address issues such as The theology of the human body Male and female in the Genesis creation accounts Abortion Celibacy Sexuality in marriage Contraception Infertility Cohabitation Divorce and

Your Child Says, I'm Gay Tim Geiger, 2013-09-30 Four little words that will rock any parent's world I think I'm gay If your child said this you are probably experiencing a combination of shock denial anger confusion and uncertainty Despite your shock you still want to respond well What should you say What questions should you ask How do you move forward in your relationship

Understanding Sexual Identity Mark A. Yarhouse, 2013-10-22 Today's youth struggle with difficult questions of sexual identity How can a youth worker offer wise care and counsel on such a controversial and confusing subject Mark Yarhouse Director of the Institute for the Study of Sexual Identity writes to equip youth ministers so they can faithfully navigate the topic of sexual identity in a way that is honest compassionate and accessible Reframing the focus away from the culture wars Yarhouse introduces readers to the conversation beginning with the developmental considerations in the formation of sexual identity all of which occurs in the teen years He offers practical and helpful ways to think about people who experience same sex attraction Sections of the book are also dedicated to helping parents respond to their children and teens who struggle with questions of sexual identity as well as how youth ministry can become more relevant in the lives of youth who are navigating these issues

The Plausibility Problem Ed Shaw, 2015-02-20 Can you be gay and Christian Does the Bible really require celibacy outside of heterosexual marriage Isn't it unrealistic and unfair imposing loneliness and the loss of basic human satisfactions like sex and marriage Is what the church teaches about homosexuality a plausible way of life In this honest book Ed Shaw shares his pain in dealing with same sex attraction and yet he is committed to what the Bible says and what the church has always taught about marriage and sex He shows us that obedience to Jesus is ultimately the only way to experience life to the full He also challenges missteps that the church has often made in its understanding of the Christian life and of sexuality We have been shaped by the world around us and urgently need to re-examine the values that drive our discipleship in the light of the Bible Only by reclaiming the reality of gospel discipleship can we truly appreciate that life in Christ is the best way for all of us to flourish whoever we are attracted to
