During the last five years, we were all forced to face many challenging issues due to the COVID-19 pandemic. In order to address any possible and unforeseen issues that might arise in 2022 we will initiate the following procedures to help ensure the safety of all students and employees while attending our training classes:

- We recommend that all students follow the State of Hawaii mandated guidelines regarding masks and vaccinations while attending class.
- We will sanitize the class room and lab area each day in an attempt to provide a safe working environment.
- Class sizes will be limited to help provide appropriate social distancing.
- Seats are limited and fill quickly so please register early to guarantee your seat in the class of your choice.
- Hopefully the pandemic will subside by this fall and some restrictions and concerns.
- If the pandemic returns this fall students will be required to sign an assumption of risk and liability waiver form along with a registration request prior to attending a class like we did in 2021.
