Winemakers of Alba** Jmarketing,2016-04-13 La prima guida della cantine di Alba La pubblicazione della guida dei produttori della città di Alba un momento da celebrare Si tratta infatti di uno

dei primi tentativi di unire sotto un'unica bandiera i moltissimi produttori della capitale delle Langhe creando una sinergia e un'unione che speriamo sia solo il primo passo di una promozione a lungo termine. L'idea che sta infatti alla base della pubblicazione che questa funga da motore di valorizzazione, una sorta di innesco a partire dal quale i produttori albesi potranno proporsi ad eventi nazionali e internazionali con forze e contenuti che solo un solido gruppo può garantire. La guida va dunque sfogliata in divenire augurandosi che fondi le basi di un'associazione che continuerà a portare il nome vitivinicolo di Alba nel mondo. Ma la guida dell'Associazione Cantine di Alba va anche consultata per il suo lato pragmatico.

The first guide to the wineries of Alba. The publication of the guide to the wineries of the city of Alba is something to celebrate. In fact, it is one of the first attempts to unite the plethora of producers in the capital of the Langhe in a common cause, creating a synergy and togetherness that we are certain is just the first step toward long-term promotion. In fact, the idea behind the publication was that it would act as a booster, a springboard for the producers of Alba to propose their participation in national and international events with the forces and the content that only a solid group can guarantee. One must therefore flip through the guide aware that it is in evolution, hoping that it will lay the foundations for an association that will continue to carry the flag of Alba's winemaking out in the world.

Vino Joe Campanale, Joshua David Stein, 2022-04-26. The Italian wine bible for a new generation: a superstar sommelier and restaurateur explores the dynamic world of contemporary Italian wine. Joe gives us the gift of learning about the ever-evolving landscape of the world's most soulful and might I say favorite wine region: Danny Meyer's ONE OF THE BEST COOKBOOKS OF THE YEAR. The New York Times Acclaimed Italian wine expert, sommelier, winemaker, and restaurateur Joe Campanale presents a comprehensive guide that is as transportive as it is deeply educational. *Vino* dives into the dynamic landscape of Italian wine today, where a new generation of winemakers is eschewing popular international styles, championing long-forgotten indigenous grapes and adopting sustainable approaches best suited for their local climates. In an epic quest through Italy's 20 regions that takes readers from the steep hills of Valle d'Aosta to the near-tropical climates of Sicily, Campanale uncovers and profiles the diversity of real Italian wine and the most exciting game-changing producers in each area. Readers will leave with countless recommendations for exceptional winemakers and be armed with Campanale's empowering new rubric of quality. Say goodbye to the Italian wine pyramid. Full of colorful stories in depth, explorations of the modern craft and stunning photography, *Vino* proves there's never been a better time to drink Italian wine.
