Leo Ruickbie, 2013-08-15 There has been an upsurge in books television programmes films and websites exploring the reality or otherwise of the spirit world Not since the founding of The Ghost Club in 1862 and the Society for Psychical Research in 1882 has ghost hunting been so popular Television and the internet in particular have fueled this new level of interest creating a modern media phenomenon that spans the globe But while the demand for information is high good information remains scarce A Brief Guide to Ghost Hunting leads us

through the process of ghost hunting from initially weighing the first report to choosing equipment and investigating and identifying the phenomena with an analysis of the best places to go looking methods of contacting the spirit world how to explain paranormal activity and crucially how to survive the encounter However it is also a book about ghost hunting itself drawing on 130 years of research in the cavernous archives of the Society for Psychical Research and even older history to find the earliest ghost stories A Ghost Hunting Survey makes use of interviews with those billing themselves as ghost hunters to find out their views motivations and experiences New and original research makes use of statistics to map the nebulous world of apparitions while a Preliminary Survey of Hauntings offers an analysis of 923 reported phenomena from 263 locations across the UK This is as far as possible an objective presentation of ghosts and ghost hunting It is no wonder that mainstream science largely refuses to deal with the subject it is too complicated Without trying to convince you of any viewpoint this book is intended to help you understand more

Ghost Channels Amy Lawrence, 2022-03-08 Through American history often in times of crisis there have been periodic outbreaks of obsession with the paranormal Between 2004 and 2019 over six dozen documentary style series dealing with paranormal subject matter premiered on television in the United States Combining the stylistic traits of horror with earnest accounts of what are claimed to be actual events paranormal reality incorporates subject matter formerly characterized as occult or supernatural into the established category of reality TV Despite the high number of programs and their evident popularity paranormal reality television has to date received little critical attention Ghost Channels Paranormal Reality Television and the Haunting of Twenty First Century America provides an overview of the paranormal reality television genre its development and its place in television history Conducting in depth analyses of over thirty paranormal television series including such shows as Ghost Hunters Celebrity Ghost Stories and Long Island Medium author Amy Lawrence suggests these programs reveal much about Americans contemporary fears Through her close readings Lawrence asks What are these shows trying to tell us and What do they communicate about contemporary culture if we take them seriously and watch them closely Ridiculed by nearly everyone paranormal reality TV shows with their psychics ghost hunters and haunted houses provide unique insights into contemporary American culture Half horror half documentary realism these shows expose deep seated questions about class race gender the value of technology the failure of institutions and what it means to be American in the twenty first century

Confessions of a Unificationist Jo Ann Crooks, 2020-11-15 Most of the past publicity about the Unification Church Unification Movement and Reverend Moon has been negative Jo Ann attempts to give an understanding of what this movement is all about based on her experiences and as seen through her eyes and explain what made her and thousands of American young people join this movement She also tries to give a basic understanding of the Divine Principle the teachings of Reverend Moon She says I believe if the world knew even the basics of the Principle we could see the way to peace on earth as we could overcome the things that divide us now The chapter on What We Believe deals with questions humans have been asking from the beginning of time including who or what God is the purpose of life our spiritual and physical bodies spiritual growth life after death the origin of evil the truth about the life of Jesus the purpose behind human history and the mission Reverend Moon said he was given by Jesus on a North Korean mountainside in 1936 when he was sixteen years old The purpose of giving this basic understanding is to help make happy individuals and families at a time when so many people feel there is no purpose in life or ability to save this world from destroying itself Jo Ann also explains the meaning of the Blessing which refers to the well known group wedding ceremonies a hallmark of the Unification Movement She was matched by Reverend Moon to a Japanese groom and they participated in the Blessing ceremony of 2 075 couples in Madison Square Garden New York in 1982

Born in Phoenix Arizona Jo Ann Crooks grew up in the fifties sixties and seventies Like so many children of that time she grew up in an alcoholic home as her father a World War II veteran tried to deal with the horrors of war by drinking She also grew up as a Catholic and her early experiences of faith influenced her decision as a young adult to join the Unification Church Unification Movement and have helped her to continue in the church for over forty years She considers herself a regular member of the church not a leader of any kind and a typical American She has two adult children and two cats and currently lives in Tempe Arizona a city near Phoenix

Ghosted Alice Vernon, 2025-09-11 A social historical and scientific exploration of ghost hunting and why our fascination with the paranormal is as timeless as the ghosts we hope to find The history of ghosts is ancient but the history of active ghost hunting is relatively recent and investigations into the paranormal have developed hand in spirit hand with scientific discoveries from radio waves to smartphone apps Now more than ever we want to find our own ghosts Is it to help process grief Become influencers Or ease our fears of death Ghosted follows the story of paranormal investigations from the Victorian era to the modern day examining how our fascination with ghost hunting has changed alongside technology and culture Where we once gathered around tables observing and recording every movement of the medium we now take electronic equipment and app laden phones around haunted locations to catch ghosts digitally Where theatres and concert halls held sold out performances by conjurers recreating the tricks of fraudulent mediums we now delight in picking apart and exposing the evidence presented on reality television programmes In this book Alice Vernon embarks on a journey to encounter a ghost travelling to some of the UK s most haunted locations and encouraging readers to

interrogate their own scepticism and belief Ghosted examines what we are looking for why we are looking for it and why have we never given up the ghost
