Idioms In English United Nations:

The United Nations and Freedom of Expression and Information Tarlach McGonagle, Yvonne Donders, 2015-06-11 Maps the UN legal instruments relevant for the protection and promotion of the rights to freedom of expression and information

United Nations Convention on the Law of the Sea, 1982 Myron H. Nordquist, Shabtai Rosenne, 1985 These commentaries are based almost entirely on the formal and informal documentation of the Third United Nations Conference on the Law of the Sea UNCLOS III 1973 1982 coupled where necessary with the personal knowledge of editors contributors or reviewers many of whom were principal negotiators or UN personnel who participated in the Conference The United Nations

Programme on Crime Prevention and Criminal Justice Matti Joutsen, 2024-06-28 This book documents the evolution of the United Nations UN Crime Programme and its changing priorities from the early focus on juvenile delinquency and correctional treatment to the present preoccupation with transnational organized crime It analyses what factors have contributed to this evolution and to the shift from the original work on soft law resolutions and international standards to hard law conventions and to the expansion of technical assistance It also examines the changing structure and working methods of the Programme such as the UN Crime Commission and the UN Secretariat unit responsible for the Programme the UN Crime Congresses and the Programme Network Institutes Drawing on almost 50 years of experience on the inside of the UN Crime Programme and his hands on knowledge of the working of governmental and intergovernmental processes Matti Joutsen explores the transitions that have taken place in the UN Crime Programme over the seven decades of its existence assesses the changing impact of the Programme and suggests possible future directions in international cooperation in crime prevention and criminal justice An accessible and compelling read this book will appeal to students and scholars of criminology sociology politics criminal justice policy makers and those interested in the evolution of the UN Crime Programme *Free Speech, Religion and the United Nations* Heini í Skorini, 2019-07-19 This book explores the political struggle to interpret and define the meaning the scope and the implications of human rights norms in general and freedom of expression in particular From the Rushdie affair and the Danish cartoon affair to the Charlie Hebdo massacre and draconian legislation against blasphemy worldwide the tensions between free speech ideals and religious sensitivities have polarized global public opinion and the international community of states triggering fierce political power struggles in the corridors of the UN Inspired by theories of norm diffusion in International Relations Skorini investigates how the struggle to define the limits of free speech vis vis religion unfolds within the UN system Revealing how human rights terminology is used and misused the book also considers how the human rights vision paradoxically contains the potential to justify human rights violations in practice The author explains how states exercise power within the field of international human rights politics and how non democratic states strategically apply mainstream human rights language and secular human rights law in order to justify authoritarian religious censorship norms both nationally and internationally This interdisciplinary book will appeal

to scholars and students researching international human rights religion and politics The empirical chapters are also relevant for professionals and activists within the field of human rights [American Thesaurus: Words and Phrases for All Occasions](#)

The Procedure of the UN Security Council is the definitive book of its kind and has been widely used by UN practitioners and scholars for nearly 40 years This comprehensively revised edition contains over 450 pages of new material documenting the extensive and rapid innovations in the Council s procedures of the past two decades A one stop handbook and guide with meticulous referencing this book has served diplomats UN staff and scholars alike in providing unique insight into the inside workings of the world s preeminent body for the maintenance of international peace and security Thoroughly grounded in the history and politics of the Council it brings to life the ways the Council has responded through its working methods to a changing world The book explains the Council s role in its wider UN Charter context and examines its relations with other UN organs and

with its own subsidiary bodies This includes the remarkable expansion in UN peacekeeping peacebuilding and political missions sanctions and counter terrorism bodies and international legal tribunals It contains detailed analysis of voting and decision taking by the Council as well as the place format and conduct of meetings It also seeks to illuminate the personalities behind the Council s work ranging from the diplomats who sit on the Council itself to the UN Secretary General and those outside the Council affected by its decisions It concludes with reflections on the improvements that have made to the Council s procedures over many decades and the scope for further reform

A Commentary on the United Nations Convention on the Rights of the Child Sharon Detrick, 2023-12-18 This book provides a commentary on the United Nations Convention on the Rights of the Child which was adopted by the General Assembly of the United Nations on 20 November 1989 Part One contains a general introduction to the Convention on the Rights of the Child and deals with matters such as the drafting history the contents direct application horizontal effects limitations the Committee on the Rights of the Child and the Convention s final provisions Part Two contains an article by article commentary the aim of which is not to give an interpretation of the precise nature and scope of States parties obligations but rather to identify the materials or sources which provide guidance in that regard In the identification of such materials attention has been paid to the general rules of treaty interpretation as set forth in the Vienna Convention on the Law of Treaties

Totalitarianisms: The Closed Society and Its Friends. A History of Crossed Languages Juan Francisco Fuentes, 2019-04-29 It is striking that the main political concept coined by the century of democracy has been totalitarianism Since its birth in fascist Italy in the 1920s the term has made a long journey throughout different countries and periods After representing the fascination for dictatorships during the interwar years totalitarianism became a key concept of the war of words waged between democracy and communism until the fall of the Berlin Wall It was a hot word for a Cold War as termed by the author of this book to convey the importance of this contest of crossed languages which also included images symbols and other forms of senso propaganda The Closed Society and Its Friends highlights the role played by language in the building of a dystopian civilization conceived as an alternative to the open society created by liberalism The book analyses the dimension of totalitarianisms from fascism and Nazism to communism as political religions with some common features such as the cult of personality and the conception of society as a community of believers This fascinating essay on the dark side of the 20th century ends with a disturbing epilogue Is totalitarianism back

Human Rights, Digital Society and the Law Mart Susi, 2019-05-31 The Internet has created a formidable challenge for human rights law and practice worldwide International scholarly and policy oriented communities have so far established a consensus regarding only one main aspect human rights in the internet are the same as offline There are emerging and ongoing debates regarding not only the standards and methods to be used for achieving the sameness of rights online but also whether classical human rights as we know them are contested by the online environment The internet itself in view of its cross border nature and its ability to affect various areas of law requires

adopting an internationally oriented approach and a perspective strongly focused on social sciences In particular the rise of the internet enhanced also by the influence of new technologies such as algorithms and intelligent artificial systems has influenced individuals civil political and social rights not only in the digital world but also in the atomic realm As the coming of the internet calls into question well established legal categories a broader perspective than the domestic one is necessary to investigate this phenomenon This book explores the main fundamental issues and practical dimensions related to the safeguarding of human rights in the internet which are at the focus of current academic debates It provides a comprehensive analysis with a forward looking perspective of bringing order into the somewhat chaotic online dimension of human rights It addresses the matter of private digital censorship the apparent inefficiency of existing judicial systems to react to human rights violations online the uncertainty of liability for online human rights violations whether the concern with personal data protection overshadows multiple other human rights issues online and will be of value to those interested in human rights law and legal regulation of the internet *Global Toolkit for Judicial Actors* UNESCO,2021-09-04 Regulating Free Speech in a Digital Age David Bromell,2022-02-11 Hateful thoughts and words can lead to harmful actions like the March 2019 terrorist attack on mosques in Christchurch New Zealand In free open and democratic societies governments cannot justifiably regulate what citizens think feel believe or value but do have a duty to protect citizens from harmful communication that incites discrimination active hostility and violence Written by a public policy advisor for fellow practitioners in politics and public life this book discusses significant practical and moral challenges regarding internet governance and freedom of speech particularly when responding to content that is legal but harmful Policy makers and professionals working for governmental institutions need to strike a fair balance between protecting from harm and preserving the right to freedom of expression And because merely passing laws does not solve complex social problems governments need to invest not just regulate Governments big tech and the private sector civil society individual citizens and the fourth estate all have roles to play and counter speech is everyone s responsibility This book tackles hard questions about internet governance hate speech cancel culture and the loss of civility and illustrates principled pragmatism applied to perplexing policy problems Furthermore it presents counter speech strategies as alternatives and complements to censorship and criminalisation Human Rights in National and International Law Universität Wien. Rechts- und Staatswissenschaftliche Fakultät,1968 X Conclusions and future prospects *Early American Proverbs and Proverbial Phrases* Bartlett Jere Whiting,1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor s *Dictionary of American Proverbs and Proverbial Phrases* 1820 1880 It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries

histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting's authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what's the real thing and what is spurious

Transnational Repression in the Age of Globalisation Saipira Furstenberg, Dana Moss, 2024-04-30 Bringing together leading scholars this volume is the first of its kind to address the growing global phenomenon of transnational repression in a comparative perspective Authoritarian regimes in places like China Russia and Saudi Arabia are infamous for cracking down on domestic opposition movements and democracy activists at home And in our age of globalisation migration and technological development dictators are increasingly able to extend their authoritarian power over their critics abroad Using tactics that include surveillance coercion harassment and physical violence transnational repression threatens the lives of democracy defenders the basic rights of diaspora members and the rule of law in host states

The United Nations Kent J. Kille, Alynna J. Lyon, 2020-09-08 This key resource for anyone interested in the United Nations global issues or world politics provides accessible and comprehensive coverage of the history growth and development of ideas and institutions governing the globe The United Nations has been an essential actor in world politics for 75 years Its entities have eliminated smallpox protected the ozone layer promoted arms control and helped to save the lives of over 90 million children Yet it is frequently criticized as ineffective and antiquated This book provides a balanced and systematic overview of the UN's contributions and challenges highlighting areas where it plays an essential role in global governance as well as areas of redundancy and needed reform This book provides readers with a clear well organized reference resource to the entire UN system its principal organs specialized agencies programs and funds and key issues of engagement Through individual entries it examines the history of UN engagement ranging from peace and security to migration and climate change It moves beyond a simple description of UN entities as it assesses the development of ideas such as that of sustainable development as well as responses to changes in world politics Finally it presents both the significant successes of UN work and continued challenges

Fachenglisch für Laborberufe Steven L. Hanft, 2015-10-12 Mit fortschreitender Globalisierung von Waren und Dienstleistungen h lt an immer mehr Arbeitspl tzen in Chemie Pharma und Biotech Branche die englische Sprache Einzug In der Schule hat man zwar gelernt sich ber Alltagsthemen zu unterhalten aber wenn es darum geht dem Kundendienst am Telefon die Fehlfunktion des teuersten Ger ts im Labor zu beschreiben kommt doch so mancher ins Schwitzen Nach einer Einf hrung in der die wichtigsten Besonderheiten der englischen Sprache aus Sicht eines deutschen Sprechers rekapituliert

The Oxford Dictionary of Phrase and Fable

Elizabeth Knowles, 2006-10-12 This Dictionary is part of the Oxford Reference Collection using sustainable print on demand technology to make the acclaimed backlist of the Oxford Reference programme perennially available in hardback format What is a ham and egg? What are Anglo Saxon attitudes Who or what is liable to jump the shark Who first tried to nail jelly to the wall The answers to these and many more questions are in this fascinating book Here in one volume you can track down the stories behind the names and sayings you meet whether in classic literature or today's news Drawing on Oxford's unrivalled bank of reference and language online resources this dictionary covers classical and other mythologies history religion folk customs superstitions science and technology philosophy and popular culture Extensive cross referencing makes it easy to trace specific information while every page points to further paths to explore A fascinating slice of cultural history and a browser's delight from start to finish What is the fog of war Who first wanted to spend more time with one's family When was the Dreamtime How long since the first cry of Women and children first Where might you find dark matter Would you want the Midas touch Should you worry about grey goo

Secrecy and Liberty: National Security, Freedom of Expression and Access to Information Joan Fitzpatrick, Piotr Hoffman, Sandra Coliver, Stephen Bowen, 2021-09-27 The tension between national security and freedom of expression and information is both acute and multifaceted Without national security basic human rights are always at risk On the other hand the tendency of governing elites to confuse the life of the nation with their own survival has often resulted in excessive restrictions on expression and information as well as other fundamental rights A proper balance between secrecy and liberty requires a vigilant press and an independent judiciary It also requires greater clarity than currently exists as to how competing rights and interests should be weighed This book addresses that gap Its centerpiece is a set of Principles drafted by a group of international and national law experts many of whom contributed chapters to guide governments courts and international bodies in how to strike a proper balance The Principles have been widely endorsed among others by United Nations experts on freedom of expression and independence of judges and lawyers Sixteen country studies profiling among other states Albania Chile China Egypt France Germany India Israel Japan Norway South Africa South Korea Turkey the United Kingdom the United States and the Federal Republic of

Yugoslavia explore the tremendous diversity of national security doctrines and the penal and other measures aimed at suppressing allegedly secret information and speech claimed to be subversive separatist or otherwise dangerous Five chapters examine the cases considered and approaches taken by the UN Human Rights Committee three regional human rights bodies and the European Court of Justice A Commentary draws on the other chapters to support and elucidate the Principles noting where they reflect an existing consensus and the points at which they attempt to elicit a more rights protective approach

Freedom of Expression Debates in Europe and the Muslim World after 9/11 Haris bin Aziz, 2023-10-03 Freedom of Expression Debates in Europe and the Muslim World after 9 11 discusses freedom of expression debates as it relates to Islam that emerged in Europe after 9 11 and subsequent Muslim reaction The major controversies covered are the Jyllands Posten 2005 cartoons in Denmark the Charlie Hebdo caricatures and the attacks on its offices in 2015 in France as well as Dutch film controversy of 2008 are analyzed at length Socio political conditions in respective countries in relation to Muslims are also taken into account along with detailed description of the background of each controversy The Western concept of freedom of expression and religion is examined both theoretically and in light of relevant laws at domestic regional and international levels Minor controversies regarding freedom of Muslim expression in different European countries are also surveyed with reactions of international human rights organizations The Laws governing freedom of expression freedom of religion and blasphemy in major European and Muslim countries are also given space The book tries to find the answer to a burning question i e what is freedom of expression and what are its limitations In search of the answer the book tries to encompass all relevant aspects of the debate both from the West in general Europe in particular and the Muslim World

A Commentary on the United Nations Convention on the Rights of the Child, Article 13: The Right to Freedom of Expression Herdís Thorgeirsdóttir, 2006-10-05 This volume constitutes a commentary on Article 13 of the United Nations Convention on the Rights of the Child It is part of the series A Commentary on the United Nations Convention on the Rights of the Child which provides an article by article analysis of all substantive organizational and procedural provisions of the CRC and its two Optional Protocols For every article a comparison with related human rights provisions is made followed by an in depth exploration of the nature and scope of State obligations deriving from that article The series constitutes an essential tool for actors in the field of children s rights including academics students judges grassroots workers governmental non governmental and international officers The series is sponsored by the Belgian Federal Science Policy Office

Idioms In English United Nations Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Idioms In English United Nations free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Idioms In English United Nations free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced

search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Idioms In English United Nations free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Idioms In English United Nations. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Idioms In English United Nations any PDF files. With these platforms, the world of PDF downloads is just a click away.
