Il Mistero Di Veronica:

The Legend of Veronica in Early Modern Art Katherine T. Brown, 2020-02-18 In *The Legend of Veronica in Early Modern Art* Katherine T Brown explores the lore of the apocryphal character of Veronica and the history of the true image relic as factors in the Franciscans placement of her character into the Via Crucis Way of the Cross as the Sixth Station in both Jerusalem and Western Europe around the turn of the fifteenth century Katherine T Brown examines how the Franciscans adopted and adapted the legend of Veronica to meet their own evangelical goals by intervening in the fabric of Jerusalem to incorporate her narrative which is not found in the Gospels into an urban path constructed for pilgrims as well as in similar participatory installations in churchyards and naves across Western Europe This book proposes plausible reasons for the subsequent proliferation of works of art depicting Veronica both within and independent of the Stations of the Cross from the early fifteenth through the mid seventeenth centuries This book will be of interest to scholars in art history theology and medieval and Renaissance studies

Dante's Persons Heather Webb, 2016 *Dante's Persons* is a study of the concept of personhood in Dante's Comedy Focusing on the encounters staged in Purgatory and Paradise the book shows how Dante redefines personhood in his otherworlds as depending on mutual recognition and interpersonal attention The book argues that Dante fills his text with characters that readers are meant to relate to as persons He accomplishes this by means of dense corporeal detail such as gestures and postures Building from this possibility of recognizing characters as persons Dante's text offers readers opportunities to act and to join the community that extends between the living and the dead

Pius IX. – der Immaculata-Papst Veronika Maria Seifert, 2013-12-11 This work demonstrates how Pius IX combined the above elements in a unique way. As a major figure of his time he shepherded the Church along the path towards the 20th century. During an epoch marked by revolutions he filled the religious vacuum among the people with a spirituality that was accessible to them. The first part of the book illustrates Pope Pius IX's devotion to Mary. It presents a description of certain people and events that shaped his life and demonstrates how he in turn influenced those around him. The second part examines his devotion to the Immaculate Conception. This section forms the centre of the study. After a thorough analysis of the events that led to the promulgation of the dogma, the author offers a history of the development of the Papal Bull defining the Immaculate Conception as well as a presentation of the liturgy of the Immaculate Conception. Based on accurate scientific research, this study is able to offer the reader a profound insight into the time and personality of Pius IX.

La Civiltà cattolica, 1889 **Il Caldèras** Carlo Sgorlon, 2015-03-17 Dal vecchio zingaro che l'ha allevato Sindel ha imparato la libertà, la magia di antiche storie tramandate a voce, la fierezza di appartenere al popolo dei rom. Da solo invece ha imparato a leggere, a scrivere e soprattutto a capire il mondo dei gag, gli uomini che al contrario degli zingari hanno patria e leggi. Dopo avere a lungo vagabondato a bordo del carrozzone Sindel si ferma in un piccolo villaggio veneto dove la gente gli amica. Per questa gente, per questi amici, allo scoppio della guerra, lo zingaro prende le armi e combatte contro i tedeschi. Perché nessuno come lui conosce il valore della libertà.

Follia di una notte Susan Napier, 2013-08-09 Non da lei. Non le era mai successo prima. Sarà stata l'atmosfera di Parigi, l'euforia dei festeggiamenti per il Quattordici luglio, oppure l'accento francese dell'affascinante sconosciuto. Fatto sta che Veronica Bell ha avuto la sua prima storia di una notte. Per fortuna ora deve partire per la Provenza, così esce di soppiatto dall'appartamento dell'uomo e parte per Avignone. Lucien Ryder tutto si sarebbe aspettato, tranne trovare la bella avventura della notte precedente a casa della propria matrigna.
