Real Spoken English Salim Khan Anmol, 2024-03-21 The Real Spoken English has been specially designed for readers with limited learning time who wish to gain command of all the important points of grammar needed for everyday speech and comprehension yet who do not wish to be unnecessarily burdened with archaic highly literary or seldom used forms. Summarizing all the major constructions, principles and basic terminology, this book will provide readers with a firm foundation in essential English grammar. The text proceeds in easy, natural steps, beginning with simple sentence structure and advancing logically to more difficult constructions. More than 600 practice exercises and solutions make this an excellent home study text. Organized with clarity and emphasizing explanation rather than rote memorization, this selective grammar can be used effectively as a course supplement, as an introduction for beginners, or as a reference for students and teachers. English grammar rules and usage is specially designed for learners of English as a second or foreign language. This book is intended for undergraduate students who have little or no previous background in English grammar, students who need an introduction to English grammar as part of their curriculum in English, or as preparation for teaching the language. This book can be used as a self-study book. Each grammatical rule is explained in simple English with several examples. This book is written in the classroom language so it can be used by a teacher to explain English grammar in the classroom. The relation between the concepts of English grammar and correct use of English is stressed in this book. Grammar can be learnt easily; it can be fun, so stop worrying, pick up this book and move ahead. This book will help you like a teacher, a guide.
