Scholes,2013-03-08 Since Martin Luther vocations or callings have had a close relationship with daily work It is a give and take relationship in which the meaning of a vocation typically negotiates with the kinds of work available and vice versa at any given time While vocation language still has currency in Western culture today s predominant meaning of vocation has little to do with the actual work performed on a job Jeffrey Scholes contends that recent theological treatments of the Protestant concept of vocation both academic and popular often unwittingly collude with consumer culture to circulate a concept of vocation that is detached from the material conditions of work The result is a consumer friendly vocation that is rendered impotent to inform and if necessary challenge the political norms of the workplace For example he classifies Rick

Warren's concept of purpose in his best selling book *The Purpose Driven Life* as a functional equivalent of vocation that acts in this way. Other popular uses of vocation along with insights culled from traditional theology and consumer culture studies help Scholes reveal the current state of vocations in the West. Using recent scholarship in the field of political theology, he argues that resisting commodification is a possibility and a prerequisite for a political vocation if it is at all able to engage the norms that regulate and undermine the pursuit of justice in many modern workplaces.

[From Darkness.....To Light](#) Jenean Douglas, 2012-12-26 Many parents feel hopeless, frustrated, angry, and exasperated when raising their children. This is a book of hope. Jenean shares some of her personal struggles in raising twin boys diagnosed with autism after a painful legal separation from her husband. True stories from seven other God-fearing single parents are shared to encourage you along your journey in raising your blessings from the Lord. This devotional was written to embolden you: or, a loved one, there is light at the end of the tunnel. That light is Jesus Christ, the Anointed One. He will guide you as to what is best for you and your child. He has equipped you for this precious child. It may not be easy, but God purposed you for a time such as this. Jenean encourages you to journal your prayers daily as you comb through the Scriptures. Jot down your hopes, fears, dreams, and prayers daily as you get to know God. She has chosen songs and Scriptures that ministered to her during the difficult times. Meditate upon the Scriptures or choose your own, but turn your internal voice from complaining to praising, and watch God turn your situation from darkness to light in Him.
