Magnini,2016-05-05 Understanding the global hotel business is not possible without paying specific attention to hotel chain management and dynamics Chains are big business approximately 80 percent of hotels currently being constructed around the world are chain affiliated and in 2014 the five largest brands held over a one million rooms The high economic importance of the hotel chains and their global presence justifies the academic research in the field however despite this there is no uniform coverage in the current body of literature This Handbook aids in filling the gap by exploring and critically evaluates the debates issues and controversies of all aspects of hotel chains from their nature fundamentals of existence and operation expansion strategic and operational aspects of their activities and geographical presence It brings together leading specialists from range of disciplinary backgrounds and regions to provide state of the art theoretical reflection and empirical research on current issues and future debates Each of the five inter related section explores and evaluates issues that are of extreme importance to hotel chain

management focusing on theoretical issues the expansion of hotel chains strategic and operational issues the view point of the individual affiliated hotel and finally the current and future debates in the theory and practice of hotel chain management arising from globalisation demographic trends sustainability and new technology development It provides an invaluable resource for all those with an interest in hotel management hospitality tourism and business encouraging dialogue across disciplinary boundaries and areas of study This is essential reading for students researchers and academics of Hospitality as well as those of Tourism Marketing Business and Events Management

**Handbook of Teaching and Learning in Tourism** Pierre Benckendorff, Anita Zehrer, 2017-01-27 This comprehensive Handbook provides an international perspective on contemporary issues and future directions in teaching and learning in tourism Key topics include assurance of learning development of skills learning in the field work integrated learning sustainability and critical studies internationalisation technology enabled learning links between teaching and research and graduate student supervision Within these topics attention is devoted to the discussion of curriculum pedagogy assessment students educators and trends and issues The Handbook provides a valuable resource for understanding teaching and learning theory and practice in tourism

*The Routledge Handbook of Hospitality Studies* Conrad Lashley, 2016-11-10 In recent years there has been a growing interest in the study of hospitality as a social phenomenon This interest has tended to arrive from two communities The first comprises hospitality academics interested in exploring the wider meanings of hospitality as a way of better understanding guest and host relations and its implications for commercial settings The second comprises social scientists using hosts and guests as a metaphor for understanding the relationship between host communities and guests as people from outside the community migrants asylum seekers and illegal immigrants The Routledge Handbook of Hospitality Studies encourages both the study of hospitality as a human phenomenon and the study for hospitality as an industrial activity embracing the service of food drink and accommodation Developed from specifically commissioned original contributions from recognised authors in the field it is the most up to date and definitive resource on the subject The volume is divided into four parts the first looks at ways of seeing hospitality from an array of social science disciplines the second highlights the experiences of hospitality from different guest perspectives the third explores the need to be hospitable through various time periods and social structures and across the globe while the final section deals with the notions of sustainability and hospitality This handbook is interdisciplinary in coverage and is also international in scope through authorship and content The state of the art orientation of the book is achieved through a critical view of current debates and controversies in the field as well as future research issues and trends It is designed to be a benchmark for any future assessment of the field and its development This handbook offers the reader a comprehensive synthesis of this discipline conveying the latest thinking issues and research It will be an invaluable resource for all those with an interest in hospitality encouraging dialogue across disciplinary boundaries and areas of study
