The Five Times I Met Myself James L. Rubart, 2023-08-22 A troubled middle aged family man meets his younger self in a dream and attempts to change his life in this inspirational novel If you think fiction can't change your life and challenge you to be a better person you need to read *The Five Times I Met Myself* Andy Andrews New York Times bestselling author of *How Do You Kill 11 Million People* *The Noticer* and *The Traveler's Gift* What if you met your twenty three year old self in a dream What would you say Brock Matthews once promising life is unraveling His coffee company His marriage So when he discovers his vivid dreams where he encounters his younger self might let him change his past mistakes he jumps at the chance The results are astonishing but also disturbing Because getting what Brock wants most in the world will force him to give up the one thing he doesn't know how to let go and his greatest fear is that it's already too late A powerfully redemptive story with twists and turns that had me glued to every page With a compelling message for anyone who longs to relive their past *The Five Times I Met Myself* is another James L Rubart masterpiece Susan May Warren bestselling author of the Christiansen Family series

When I Met Myself... Angela Nichols, 2010-10-06 Poems I have written to help work through my emotional life

I really met myself through studying my heart Kyung-ha Woo, 2024-05-04 here was a time when the happiness we wanted felt far away Happiness didn't seem to have anything to do with me I desperately wanted real happiness not just happiness One of the many mysteries of our lives is that thoughts and beliefs create and make many things into reality This is the law of attraction and means that we are super strong magnets I didn't know it was hard and thanks to the experience that I wasn't happy I started studying my mind and in the process I met my true self and learned my preciousness and value Thanks to this I am now the person who conveys that message to the world A lot of what happened to me is just mysterious and grateful I think and believe that everything that happens to us has a reason and meaning Realization and wisdom through our experience and learning always help someone in need I hope that my stories and messages will be a light in the dark for those who really want to be me and have a happy and free life
