It's the way Leslie translates each and every standard for reading, writing, speaking and listening language and foundational skills into the day to day what you do: lesson ideas, best literacy practices, grouping configurations, adaptations for ELL, anchor charts and so much more. The wisdom and how to's are all here page by page. The standards for literature and informational texts put side by side for easier planning. Teaching ideas for each standard. Recommendations on how to cultivate the habits of mind that are critical to meeting the standards including interpersonal skills, collaboration and perseverance. A glossary of academic language for each standard with adaptations for ELL students. An online bank of graphic organizers, student reproducibles, sample classroom charts, rubrics and photos. Reproducible planning templates for each standard to help you map out lessons, select books, generate key questions and more. With 30 years of classroom experience and consulting in schools nationwide, Leslie Blauman brings to this book a keen eye for what teachers need in order to get students in the intermediate grades ready as readers, writers, thinkers and learners capable of meeting the Common Core's rising expectations in middle school. Leslie's classroom is a working model for child staff development in reading, writing and critical thinking in collaboration with the Public Education Business Coalition (PEBC). When considering
