## **Writing With Style By John R Trimble:**

**Writing with Style** John R. Trimble, 1975      *How to Write a BA Thesis, Second Edition* Charles Lipson, 2018-12-05 How to Write a BA Thesis is the only book that directly addresses the needs of undergraduate students writing a major paper This book offers step by step advice on how to move from early ideas to finished paper It covers choosing a topic selecting an advisor writing a proposal conducting research developing an argument writing and editing the thesis and making through a defense Lipson also acknowledges the challenges that arise when tackling such a project and he offers advice for breaking through writer s block and juggling school life demands This is a must read for anyone writing a BA thesis or for anyone who advises these students      *The Academic Writer's Toolkit* Arthur Asa Berger, 2016-07 Berger s slim user friendly volume on academic writing is a gift to linguistically stressed academics Author of 60 published books the author speaks to junior scholars and graduate students about the process and products of academic writing He differentiates between business writing skills for memos proposals and reports and the scholarly writing that occurs in journals and books He has suggestions for getting the turgid out of turgid academic prose and offers suggestions on how to best structure various forms of documents for effective communication Written in Berger s friendly personal style he shows by example that academics can write good readable prose in a variety of genres      Write in Style Richard Palmer, 2013-05-13 Write in Style is aimed at all for whom clarity and accuracy of expression are important skills All the main styles and grammatical rules are covered their sense explained and vivid examples given of how not to write Plenty of sound and meticulous advice is offered in a friendly and enthusiastic tone and a large part of the book covers specific types of writing from essays and articles to minutes and reportage The many illustrations examples and exercises throughout help the reader put into practice the techniques and skills the book explores      Garner's Modern English Usage Bryan Garner, 2016-03-11 With more than a thousand new entries and more than 2 300 word frequency ratios the magisterial fourth edition of this book now renamed Garner s Modern English Usage GMEU reflects usage lexicography at its finest Garner explains the nuances of grammar and vocabulary with thoroughness finesse and wit He discourages whatever is slovenly pretentious or pedantic GMEU is the liveliest and most compulsively readable reference work for writers of our time It delights while providing instruction on skillful persuasive and vivid writing Garner liberates English from two extremes both from the hidebound purists who mistakenly believe that split infinitives and sentence ending prepositions are malfeasances and from the linguistic relativists who believe that whatever people say or write must necessarily be accepted The judgments here are backed up not just by a lifetime of study but also by an empirical grounding in the largest linguistic corpus ever available In this fourth edition Garner has made extensive use of corpus linguistics to include ratios of standard terms as compared against variants in modern print sources No other resource provides as comprehensive reliable and empirical a guide to current English usage For all concerned with writing and editing GMEU will prove invaluable as a desk reference Garner illustrates with actual examples cited with chapter and

verse all the linguistic blunders that modern writers and speakers are prone to whether in word choice syntax phrasing punctuation or pronunciation No matter how knowledgeable you may already be you re sure to learn from every single page of this book     Garner's Modern English Usage Bryan A. Garner,2022 Garner s Modern English Usage is one of the most influential style guides ever written for the English language With more than a thousand new entries 200 replacement entries and thoroughly updated usage data this fifth edition is fully abreast of the times and further establishes the author as the authority on effective writing     **Brief-Writing Master Plan** Chinua Asuzu,2022-08-23 As much a sword as a shield Brief Writing Master Plan offers an unparalleled and unprecedented curriculum of written advocacy It s a sparkling alchemical blend of doctrine ethics and skills It recruits linguistics logic psychology rhetoric and semantics into the arsenal of learned advocacy It contains the rhetorical wisdom of ages pages and sages An advocate files a brief to persuade the judge to decide the lawsuit in favor of the advocate s client The keyword is persuade Too often advocates forget this and write to please themselves They address themselves instead of the court They write in chest thumping prose and style Advocates will do well to keep in mind that in advocacy all that counts is persuading the judiciary Hence Brief Writing Master Plan responds to the judicial wish list for advocates writing style and substance This book is a transformative resource with the potential to accelerate court proceedings by easing judicial burdens and caseloads A sober reflection on the advocate s duty to the court Brief Writing Master Plan encourages professional candor decency and honesty Writing as taught in this book will surely propel you to the top 1% of the global legal profession and secure your legacy     **A Dash of Style: The Art and Mastery of Punctuation** Noah Lukeman,2007-04-17 Takes the straitjacket off punctuation Lukeman s wit and insight make this an instant classic M J Rose The first practical and accessible guide to the art of punctuation for creative writers Punctuation reveals the writer haphazard commas for example reveal haphazard thinking clear lucid breaks reveal clear lucid thinking Punctuation can be used to teach the writer how to think and how to write This short practical book shows authors the benefits that can be reaped from mastering punctuation the art of style sentence length meaning and economy of words There are full length chapters devoted to the period the comma the semicolon the colon quotation marks the dash and parentheses the paragraph and section break and a cumulative chapter on integrating them all into The Symphony of Punctuation Filled with exercises and examples from literary masters Why did Poe and Melville rely on the semicolon Why did Hemingway embrace the period A Dash of Style is interactive highly engaging and a necessity for creative writers as well as for anyone looking to make punctuation their friend instead of their mysterious foe     **The Winning Brief: 100 Tips for Persuasive Briefing in Trial and Appellate Courts** Bryan A. Garner,2004-02-13 Good legal writing wins court cases It its first edition The Winning Brief proved that the key to writing well is understanding the judicial readership Now in a revised and updated version of this modern classic Bryan A Garner explains the art of effective writing in 100 concise practical and easy to use sections Covering everything from the rules for planning and organizing a brief to openers that can capture a

judge's attention from the first few words these tips add up to the most compelling orderly and visually appealing brief that an advocate can present In Garner's view good writing is good thinking put to paper Never write a sentence that you couldn't easily speak he warns and demonstrates how to do just that Beginning each tip with a set of quotable quotes from experts he then gives masterly advice on building sound paragraphs drafting crisp sentences choosing the best words Strike pursuant to from your vocabulary quoting authority citing sources and designing a document that looks as impressive as it reads Throughout he shows how to edit for maximal impact using vivid before and after examples that apply the basics of rhetoric to persuasive writing Filled with examples of good and bad writing from actual briefs filed in courts of all types The Winning Brief also covers the new appellate rules for preparing federal briefs Constantly collecting material from his seminars and polling judges for their preferences the second edition delivers the same solid guidelines with even more supporting evidence Including for the first time sections on the ever changing rules of acceptable legal writing Garner's new edition keeps even the most seasoned lawyers on their toes and writing briefs that win cases An invaluable resource for attorneys law clerks judges paralegals law students and their teachers The Winning Brief has the qualities that make all of Garner's books so popular authority accessibility and page after page of techniques that work If you're writing to win a case this book shouldn't merely be on your shelf it should be open on your desk

Mechanically Inclined Jeff Anderson, Lisa Thibodeaux, 2024-12-09

Some teachers love grammar and some hate it but nearly all struggle to find ways of making the mechanics of English meaningful to kids As a middle school teacher Jeff Anderson also discovered that his students were not grasping the basics and that it was preventing them from reaching their potential as writers Jeff readily admits I am not a grammarian nor am I punctilious about anything so he began researching and testing the ideas of scores of grammar experts in his classroom gradually finding successful ways of integrating grammar instruction into writer's workshop Just in time for its 20th anniversary this long awaited second edition of Mechanically Inclined continues to merge the best of writer's workshop elements with relevant theory about how and why skills should be taught It connects theory about using grammar in context with practical instructional strategies explains why kids often don't understand or apply grammar and mechanics correctly focuses on attending to the high payoff or most common errors in student writing and shows how to carefully construct a workshop environment that can best support grammar and mechanics concepts In this new edition longtime colleague Lisa Thibodeaux joins Jeff in emphasizing four key elements for grammar instruction short daily instruction in grammar and mechanics within writer's workshop using high quality mentor texts to teach grammar and mechanics in context visual scaffolds including wall charts and visual cues that can be pasted into writer's notebooks regular short routines like express lane edits that help students spot and correct errors automatically Comprising an overview of the research based context for grammar instruction a series of over forty detailed lessons updated research compelling new mentor texts and an appendix of helpful forms and instructional tools Mechanically Inclined is a boon to teachers regardless of their level of grammar phobia

It shifts the negative rule plagued emphasis of much grammar instruction into one which celebrates the power and beauty these tools have in shaping all forms of writing

**Garner's Modern American Usage** Bryan A. Garner, 2003 Painstakingly researched with copious citations from books newspapers and news magazines this new edition has become the classic reference work praised by professional copy editors

*The Oxford Dictionary of American Usage and Style* Bryan A. Garner, 2000 Covers basic grammar punctuation spelling and idiomatic phrases of American English

Learned Writing Chinua Asuzu, 2019-05-22 As lawyers we must not in hot pursuit of common law outrun common sense The dread of that eventuality prompted this book Learned Writing promotes common sense in legal language Plain language which is commonsensical broadens access to legal documents thus democratizing the law If democracy is government of the people by the people and for the people law is the language in which government interacts with the people it is the language of democracy The people whose government speaks through law must understand what is said No democratic society should brook legalese a dense verbose dialect known only to lawyers What then should society do to redress the lawyer induced obscurity A Shakespearean character had an alarming proposal The first thing we do let's kill all the lawyers Apparently that proposal was not enthusiastically endorsed which explains why we're still here A milder remedy enrolling lawyers in language classes has been muted which explains why this book is in your hands Learned Writing motivates lawyers to prefer plain language to the legalese and verbosity that have besmirched legal writing for centuries This book is as sweeping a treatment of its subject as you can find anywhere

**Legal Writing in Plain English** Bryan A. Garner, 2013-08-26 This easy to follow guide is useful both as a general course of instruction and as a targeted aid in solving particular legal writing problems Harvard Law Review Clear concise down to earth and powerful all too often legal writing embodies none of these qualities Its reputation for obscurity and needless legalese is widespread For more than twenty years Bryan A. Garner's Legal Writing in Plain English has helped address this problem by providing lawyers judges paralegals law students and legal scholars with sound advice and practical tools for improving their written work The leading guide to clear writing in the field this indispensable volume encourages legal writers to challenge conventions and offers valuable insights into the writing process that will appeal to other professionals how to organize ideas create and refine prose and improve editing skills Accessible and witty Legal Writing in Plain English draws on real life writing samples that Garner has gathered through decades of teaching Trenchant advice covers all types of legal materials from analytical and persuasive writing to legal drafting and the book's principles are reinforced by sets of basic intermediate and advanced exercises in each section In this new edition Garner preserves the successful structure of the original while adjusting the content to make it even more classroom friendly He includes case examples from the past decade and addresses the widespread use of legal documents in electronic formats His book remains the standard guide for producing the jargon free language that clients demand and courts reward Those who are willing to approach the book systematically and to complete the exercises will see dramatic

improvements in their writing Law Library Journal
