Mindfulness for Beginners: Declutter your home, body and mind with Essential oils, Hemp Oil and CBD for Pain Management, Natural Remedies and Everyday Meditation Techniques for Anxiety Lauren Marshall ,2018-11-13 If you plan on clearing your home mind and want to get the highest possible satisfaction in your daily life then keep reading Time magazine recently discovered that over 40 million Americans are suffering from stress and anxiety And while doctors love to prescribe potentially dangerous drugs to treat these disorders Many people are missing out on the easiest way to alleviate stress and anxiety without even realizing Could you be one of them You see most people make the same mistakes in renovating their mind and body You may even make more costly errors which causes you to lose mental and even physical well being But now you can stay informed with easy to apply tips which won't cost you a penny and you can do from the comfort of your home How decluttering and minimalism can greatly improve your life While the urge to collect clutter is certainly common it is also ultimately detrimental to your well being The constant accumulation of possessions can make the entire vibe of your home chaotic and unorganized As the late comedian George Carlin famously quoted in his standup routine a house is just a place to keep your stuff while you go out and get more stuff Decluttering and minimalism emphasize finding happiness via exploring life interacting with your loved ones and most of all by focusing upon creating a state of mind that makes you happy Inside this book you'll discover Why society programs us to accumulate clutter Page 13 How clutter affects your health physical health Page 17 Why freeing yourself from clutter may be the most important decision you make this year Page 26 The surprising benefits of meditation for your sleeping habits Page 35 How to use decluttering to get over a bad relationship Page 23 The three types of meditation and which one is right for you Page 40 How to use decluttering to boost your confidence Page 12 Simple exercises for everyday mindfulness you can do at home with no extra cost Page 57 How to meditate even if you've never done it before in your life Page 49 How to prevent your mind from wandering during meditation Page 50 Hidden benefits of meditation you never knew about Page 43 And much much more Much of this advice goes against conventional wisdom In fact some of the advice sounds downright ridiculous to a non professional but time and again the data shows that it works Even applying one or two things inside could result in increase in your confidence self esteem mood sleeping patterns So if you want to uncover the incredible life affirming benefits of decluttering Click Add to Cart to receive your book instantly
