Mixerman,2018-10-10 Musician s Record It takes many years to excel at recording whether at home or in a commercial facility and if you desire to become a professional recordist then that s what s required But if you re a musician who wants to garner a reaction to your song then you don t have time for that You need to make a Killer Record right now But how First stop thinking like a recordist If you re a musician and you record this book will prove an invaluable resource I encourage you to read the reviews People love this book I explain all the things that I ve learned as a high level professional recordist mixer and producer over the course of decades but as they relate to you as a musician your songs and the long view of your recording career The Goal The stated goal of this book is to convert recording decisions into musical ones and technical

decisions into practical ones Not only do I explain the musical strategies for making a Killer Record I also break the technical information down to its core so that you can strategize based on your recording reality So long as you have what you need to make a record I can help you make it a Killer Record This is the only additional gear you ll require to greatly improve the quality of your records Who am I I m Mixerman a gold and multi platinum award winning producer mixer and recordist I was in precisely your position at the early stages of my career I was a musician frustrated that I could write a good song only to feel the record itself fell short of it s potential Over the course of my decades recording I noticed that the performance and arrangement had a far greater impact on the sound than anything I did on the engineering side The more musical my decisions the better my results What You Can Expect This Studio Field Manual is chock full of recording mixing and producing strategies designed to keep recording a fun and focused process You will return to this manual time and time again to help you overcome any impediment technical or musical that might prevent you from achieving the results you seek regardless of your recording environment regardless of what equipment you re using and regardless of your current skillset You can make a Killer Record under nearly any circumstance It just requires the right mindset

Music Production in the Music City Yanto Browning, 2025-04-01 *Music Production in the Music City* considers how music is produced in specific urban contexts *Music Production in the Music City* features four case studies from a diverse set of cities Berlin Nashville Chennai and Brisbane to investigate how music comes to be created in locally specific music production contexts These case studies inform a thorough examination of the various factors that shape music production practices specific to urban contexts The author uses a new conceptual framework called the undersong to analyse the aural foundations of a city examining how policy design can help or hinder a productive music production scene This is a cutting edge contribution to music city studies and will be of great interest to researchers postgraduates and advanced undergraduates studying music production and world music This book will also be of interest to those involved in urban policy work related to the live and recorded music industries

The Daily Adventures of Mixerman Mixerman, 2018-11-23 *The Most Infamous Studio Session Ever Documented* In the summer of 2002 I began to chronicle my Daily events on a Major Label recording session with a bidding war band an infamous producer and a seemingly limitless budget Every night after a long session with these crazy characters I posted up the day s events The results were spectacular As Metro reporter Gina Arnold put it Mixerman is supposed to be writing about recording techniques but somehow through that prism he has hit upon a gripping story That s right it was even mentioned in random newspapers at the time When I began posting my story I had an audience of 200 By week 4 that grew to 25 000 And by the last entry I was posting to the delight of over 150 000 music business professionals around the world There were discussion threads all over the internet debating every decision we made along the way The story went viral before viral was even really a thing Most people find them sidesplittingly hilarious Others find them reprehensible but that too is rather hilarious The Daily Adventures are also available as an audiobook which has been produced like an old radio show with music
