**Enter Mo Pai** James Van Gelder, 2nd, 2015-05-01 Enter Mo Pai The Ancient Training of the Immortals dives into the world of Mo Pai a legendary internal cultivation system that has been secretly handed down by successions of meditation masters for well over 2 000 years The path of Mo Pai develops the practitioner in the present life but also ascends the practitioner in status with regards to the afterlife In the present life the goal of Mo Pai is to develop supernatural abilities capable of aiding an individual both in self defense and in the rejuvenation of the physical body Concerning the afterlife the true master of Mo Pai reserves the ability to consciously navigate their soul after the death of the physical body freeing themselves from the continuous cycle of death and rebirth The greatest Mo Pai practitioner on Earth today Master John Chang has publically displayed his extraordinary developments to the world by performing many spectacular abilities on video such as electrokinesis pyrokinesis levitation suspended animation and telekinesis In order to attain supernatural capacities this ancient training augments the innate potential of the human body through gathering and harnessing the two fundamental life force energies known as Yin Chi and Yang Chi These two energies are abundant in nature and play an important role in sustaining the human body Developing these vital energies to levels that many would consider unnatural the Mo Pai student quickly gains an edge when compared to the average human Included in this book is an analysis of the Mo Pai training and the techniques used for gathering manipulating and finally combining the two fundamental vital energies of Yang Chi and Yin Chi     *Seeking the Master of Mo Pai* Jim McMillan, 2011-11-21 In his search to transcend the boundaries of our conceived physical reality and deepen his own practice in the martial arts Jim McMillan embarked on an unprecedented journey to first find an obscure teacher to help guide him towards an unknown destination and second to understand the possibilities that are open to anyone with the desire and fortitude to foster a practice while recognizing the limitations being the first Western student to study a lost art engendered This journey is completely unique and the path veers across the martial arts ancient healing techniques and mysticism Jim McMillan encounters and describes these experiences with such humility and gratitude that their incredible nature feels completely appropriate in this world and honestly possible for individuals with the authentic desire to eclipse the confines of preconceived limitations This story serves as a challenge for individuals to both open the mind to a world of possibilities while connecting the body and soul to the energy that surrounds us I accept this invitation and hope others will too Peter Swanz ND FHANP Jim s experience of the Mo Pai is one of magic mystery excitement and betrayal The book provided me with great hope and reconciliation of the true human nature in my heart which I always subconsciously sensed It is also an urgent call in this precarious time for people of all races to unite in finding the lost and forgotten meaning within by becoming aware of what we really are and demanding God s given knowledge to be released by various powers that be without prejudice and for the benefit of all continuing humanity Peter Proksch Mo Pai student     *Energy Unleashed* EMILY K.
