**Labor Migration in Asia Building effective institutions** OECD,Asian Development Bank Institute,International Labour Organization,2016-02-02 This report analyses the institutions and structures that govern labor migration in Asia It considers the important role of governments and other stakeholders in both labour destination and labour sending countries

Labor Migration in Asia Changing Profiles and Processes Asian Development Bank Institute,International Labour Organization,OECD,2023-06-01 Labor Migration in Asia Changing Profiles and Processes analyzes labor migration trends in Asia taking into account the landscape of labor markets after the lifting of strict entry and cross border controls imposed during the coronavirus disease COVID 19 pandemic The report highlights recent developments in labor migration and associated policy measures in major origin and destination economies drawing upon case studies from selected economies

Scripts of Servitude Beatriz P. Lorente,2017-10-19 This book examines how

language is a central resource in transforming migrant women into transnational domestic workers Focusing on the migration of women from the Philippines to Singapore the book unpacks why and how language is embedded in the infrastructure of transnational labor migration that links migrant sending and migrant receiving countries It sheds light on the everyday lives of transnational domestic workers and how they draw on their linguistic repertoires and in particular on English as they cross geographical and social spaces By showing how the transnational mobility of labor is dependent on the selection and performance of particular assemblages of linguistic resources that index migrants as labor and not as people the book provides a powerful lens with which to examine how migration contributes to relationships of inequality and how such inequalities are produced and challenged on the terrain of language      *2025 EPS-TOPIK Model Question Set 01*
