Everything Is An Illusion:

Everything Is an Illusion Ramana Maharshi, Nisargadatta Maharaj, Vasistha, 2011-11 What is helpful about reading these types of quotes is that the more you can realize that everything is an illusion the better you can ignore everything and turn inward One of the most significant aspects to this collection of quotes by the Sages is that in addition to pointing out that everything is a dreamlike illusion the also point out in many of their quotes that upon Self Realization everything disappears They also state that realizing that the world etc is an illusion is essential for Self Realization The type is Palatino 15 for crisp clear easy reading This book contains all of the quotes in Chapter Step Two from the book The Seven Steps to Awakening Everything is an Illusion is Book Five in the Self Realization Series One purpose of the Self Realization Series is to put just one category of quotes into a small book that has the advantage of making it easier to focus meditate on grasp and have insight into just one subject at a time That makes the approach simple easier and less complicated The idea is to stay focused on just one subject until you have received everything you need to receive from that one subject Most people go on to the next subject without ever having learned to apply to their lives the subject they are studying now The Self Realization series of books are portable practice manuals aimed at helping sincere seekers of Self Realization master one Key to Self Realization at a time The six titles in the Self Realization Series are 1 Self Awareness Practice Instructions 2 The Desire for Liberation 3 The False self 4 Inspiration and Encouragement on the Path to Self Realization 5 Everything is an Illusion 6 How Not to Get Lost in Concepts

But Is It Real? Amy Orr-Ewing, 2024-06-20 Your relationship with God is just a psychological crutch Belief in God is dangerous I used to believe but I've given it all up Is God real Is it possible to know anything let alone know him Why do bad things happen to people who worship this God What about the spiritual experiences of other faiths All of these accusations objections and questions have come directly from real life situations Amy Orr Ewing writes I hope that the thoughts offered here will help you see what the Christian faith has to say amid all the pain confusion and complexity of life

A Consideration of Adam Rutherford, 2008-05 A Consideration of Reality Human Nature and Metaphysics is just that a consideration of reality human nature and metaphysics Dealing with reality and more specifically how every person's perception of reality is different for numerous reasons and is the reason for an illusionary existence It is written while looking at topics from various subjects such as human emotions psychology physics and others Looking at human nature on a basis of intelligence specifically how the intelligence level in humans has become a burden upon all mankind on an individual basis and in small and large group dynamics we look at how humans can be conflicted by discussing the conflict of the heart and mind in regards to love as well as the conflict of the main divisions of the mind from Freudian psychology And finally mathematical concepts and constructs as well as theoretical sciences especially physics from a metaphysical standpoint By looking at the big bang theory the universe expansion and contraction theory wormhole theory and even Einstein's theory of relativity we come to see how erroneous these so called accepted theories actually are by

observing them logically rationally and with common sense All the while trying to keep it simple I Unlocked My Subconscious Your Turn Todd Andrew Rohrer,2009-04 The author had an accident five months ago The author accidentally unlocked his subconscious The author lost his sense of time and emotions in the process The author suggests anyone who reads this book will unlock their subconscious The author suggests that is not a prediction That author suggests that is a warning This is the authors third attempt to communicate since the accident Do not attempt to contact me I am to busy attempting to contact you I cannot help you read this book That is just the way it is Dream vs Reality AiR - Atman in Ravi, We think that a Dream is just a Dream but Life is reality But if we contemplate we will realize that Life is an illusion too In fact Life is nothing more than a dream a very long dream This book will take you to that state of Realization where you will discover the Truth of who you are and what your purpose on earth is **SatChitAnanda** AiR - Atman in Ravi,2020-11-20 Is there a way to Eternal Bliss and Everlasting Peace Yes There is If one overcomes the myth and realizes the truth and lives in Consciousness of the truth then one can attain a state of Ananda Bliss that knows no misery or sorrow This book will show you the way to Satchitananda how to live in the Chit of Sat Consciousness of Truth **The 7 Killers** Ali Sarhiel,2016-08-31 This book contains facts and information about our lives that rob us without knowing directly or indirectly we turned to the dead And we will talk about these killers who we die with their hands and their development and share of killing ourselves so it s hard to believe otherwise *Space, Time and the Ethical Foundations* Robert Elliott Allinson,2019-07-05 This title was first published in 2002 In Space Time and the Ethical Foundations ideas about space and time are developed unique to the history of philosophy that match the new physics A well grounded metaphysics is presented which offers a safe haven between stifling scepticism and wild imagination and an original philosophical method is demonstrated which sharply demarcates philosophy from the empirical sciences A new foundation is laid for ethics by grounding ethics on the author s psycho biological deduction of the emotions that offers a progressive model to replace the Freudian paradigm An originally designed trans cultural ethics doubly grounded on both Eastern and Western thought presents an antidote to the contemporary retreat into relativism Insights from biology psychology evolutionary theory and ethics are brought together in a unique and fruitful synthesis At the same time human barbarisms such as the Holocaust are pointed to as reminders that there are just limits to compassion This book presents a sophisticated text for metaphysics epistemology and systematic ethics **Illuminati Bible of Divine Light: Part one** Sorin Cerin,2021-07-10 With the appearance of my first philosophical studies but also of aphorisms I initially published the book entitled Bible of the Light and then a more complete form of the book Bible of the Light was the book entitled The Illuminati Bible so that in present to publish the full form of the Bible which I felt that it will be perfected with the help of God and which I decided to call the Illuminati Bible of Divine Light Some will wonder why I chose this name of The Illuminati Bible starting with that book published in 2014 the content of which is also in this book called the Illuminati Bible of Divine Light which in turn contains many other parts Simple Firstly because I wanted

to help in Good the Karma of this World because Illuminati and Enlightenment are spoken of in negative terms and secondly because Illuminati comes from Enlightenment and true Enlightenment cannot bring the Evil nor can it be the Evil vile True Enlightenment must be based only on Good and never on bringing the Evil as the supreme Wickedness Therefore in order to improve the Karma of Mankind I show that Enlightenment does not consist in Wickedness but in combating Wickedness The enlightened ones cannot be a hidden group of people who lead humanity out of the shadows committing all sorts of evils and abuses to maintain power These people are by no means Enlightened but Dark If there really are some in such a situation then they use the term Illuminati or Enlightened falsely How just as Dark are those who dirtyly attack on the true Illuminati or Enlightened only out of obscure interests of a religious nature for fear that the Enlightened ones might open the souls of the People and show them the Way to the Truth from which some high prelates that are at the head of certain churches flee who are afraid that if the Truth would be found they will lose both their financial and their decision making power I believe that the future will belong to those truly Enlightened the true Illuminati A thing is to use Evil to bring through it Good and another is to use Evil to bring through it the Wickedness The true Enlightened and not Dark are those who understand that the Evil can only be used for Good when he can do it and the Good only for the Evil less Evil when the Good itself can lead to destruction disaster or pain The real Bad People the Dark Ones are the ones who use both Good and Evil to do as much as possible Evil and not Good Mankind must understand that the Evil and Good the God and the Devil are an Entity with two distinct characteristics an Entity that defines our True God that is our Creator Factor and Unique Incidentally Therefore in order to improve the Karma of this World we will have to pray to the Universal Consciousness formed by the Universal Pure Language That is to pray to the Divine Light of all the Worlds the Supreme God of Intelligence which to inspire our thoughts so that to use in moderation both Good and Evil for the ultimate purpose of doing and bringing through us as much as possible Good Why didn't I let in continuation the name of the Illuminati Bible and to this new much deeper work of the Bible and call it the Illuminati Bible of Divine Light Because compared to the other book called the Illuminati Bible the Illuminati Bible of Divine Light contains in addition to the content of that book many other new chapters that appeared with the new Wisdom Collections or with the final form of the Coaxialism Sorin Cerin

Enlightenment! The Myth and the Truth! AiR
- Atman in Ravi, 2022-01-18 Are you seeking Enlightenment Can you be Enlightened Is Enlightenment a gift for a select few for intellectual saints and sages No we have been gifted with a human birth so that we all can attain Enlightenment Unfortunately we are not able to be enlightened because we are living with the myth and we do not Realize the Truth To Realize the Truth to be Enlightened we have to unlearn the lies and bust the myth that we have lived with This book will help you be enlightened with the Truth as it discriminates the Truth from the Myth associated with life religion God and spirituality

Sorting through Worldviews Rick Kline, 2022-03-22 Why do people adopt an overarching view of life that is mentally perilous Does the Christian faith provide answers to the dilemmas of life by giving coherent answers to objections

against the faith Discussing the Christian faith with our family and friends can be quite challenging because of the various non religious and religious perspectives except if you know what questions to ask This book takes you on a journey through objections to Christianity with insights on how to listen ask questions and provides commonsense explanations of the Christian faith without reliance on intellectual and academic arguments Sorting through Worldviews is uniquely relevant for Christians who want to calmly and reasonably share their faith with anyone in a casual conversation This book is distinctly timed for anyone curious about Christianity and wants it explained in a way that actually makes sense without a religious judgmental attitude

The Seriality of the One Nicola Masciandaro, 2025-04-08 Following the idea of the series as a fundamental feature of reality The Seriality of the One investigates its metaphysical ontological and existential significance in dialogue with an open constellation of modern and premodern authors giving special attention to the way seriality mediates and measures the relation between the individual and the universal bridging by ellipsis the unbounded interpenetrating unities of the one and the One Seen through the ongoing perspective of the series beings events and facts are never discrete and definable identities that can ever be counted or discounted as having greater or lesser importance or status than others Nothing is merely itself or a part of something else In the infinity mirror of seriality all are simultaneously equivalent to all or the totality itself

THE MUSE Adrian Gabriel Dumitru, The Muse A non sense need of illusions We are looking for inspiration all around till we find out that the inspiration is just not coming We look all around We are looking for something or someone that can give us a great vibe everyday And one day we believe we found that we are looking for She is the Muse All great people from history great artists politicians leaders writers poets businessmen all of them at one point they had an amazing muse that inspired them at a great dream The muse gave them the confidence of believing in themselves and they always thought that the inspiration came from that person But inspiration is actually coming from the Universe and represent the connection between us and Divinity The muse is not the Divinity but maybe being in such a story we understand how we can connect to the Infinite But can we the ordinary people learn to connect to then Universe just as a monk does it without any love story Can we find this power in ourselves to find that greatness without the help of a loved muse What is her sense Is she the one that reveals the beauty and the huge powers locked in our spirits Can the secret of greatness comes just by having a love story or we should start studying how a monk is using his powers to understand the laws of the Universe just by connecting to himself and then to the Infinite A muse looks like a non sense illusion But all great people used the trick to connect to the Universe this way Maybe the need of a muse is just a preliminary stage before you understand that in fact everything is in yourself The muse is only the one that is whispering you the great secret about yourself that you are an amazing human being and that you can be whoever you dream to be The muse is indeed an illusion a beautiful one but one day you will just understand that everything you need is already in yourself The real non sense that you should analyze and focus a lot on it is why we don t believe in ourselves and why we need this adorable person to whisper beautiful words to us

when we can think as a monk Just think about it THE ENCYCLOPEDIA OF CHRISTIAN APOLOGETICS Edward D. Anddrews,2024-10-04 The Encyclopedia of Christian Apologetics is an essential resource for anyone seeking to defend the Christian faith with clarity and confidence This comprehensive volume offers in depth explanations of key topics and arguments within the field of apologetics making it an invaluable tool for pastors teachers students and laypeople alike Organized alphabetically for easy reference each entry addresses significant theological issues common objections and the core truths of Christianity Whether you re responding to questions about the existence of God the reliability of Scripture or contemporary challenges such as atheism and moral relativism this encyclopedia provides biblically grounded logically sound and practically applicable answers With over 220 books authored Edward D Andrews draws from his extensive experience and study to offer readers well researched and scripturally supported content The Encyclopedia of Christian Apologetics not only equips you to answer critics but also deepens your understanding of the Christian worldview and strengthens your faith In a world where questions about faith and truth are more pressing than ever this encyclopedia is a trusted guide to help you stand firm in the truth and proclaim the gospel boldly Illusionary Existence, Genesis, and Other Miscellaneous Works Adam Rutherford,2007-09 Simply Illusionary Existence Genesis and Other Miscellaneous Works is intended to provoke thought in all who read it From existentialistic philosophy to religion and onward to several other discourses in regards to certain points of view in everyday life I explore certain possibilities and make a couple arguments towards particular topics There are numerous ways in which thought can be provoked and for the discourses that are contained within the pages of this book I have chosen the specific provocations for them because of what I want people to think about without telling them directly what they should think about Every discourse contained in this book is in some way or another relative and connected to one another Thusly they are not exactly random though sometimes they may seem that way These discourses were also written in a way so that most if not all people are able to understand what is being written while still provoking thought HOW TO LIVE A SPIRITUAL LIFE IN A MATERIAL WORLD? AiR - Atman in Ravi,2021-11-01 Most of us are lost in the material world and only turn to Spirituality when suffering comes our way We don t realize that a Spiritual life can liberate us from all misery and suffering Some people do take the road less traveled the Spiritual path and go on a quest to Realize the Truth But is it even possible to live a Spiritual life in this material world surrounded by worldly pleasures Of course it is Spirituality is not really about renunciation but Realization This book shows the way to that inner voyage of eternal happiness **Illuminati Bible of Divine Light** Sorin Cerin, The present book entitled the Illuminati Bible of Divine Light is a work of philosophy that deepens both ontological and gnoseological themes regarding the Existence of God and implicitly ours I have said many times so far that philosophy is the religion of the future At the base of the Illuminati Bible of Divine Light is the philosophical religious system called Coaxialism published in its final form in the book entitled Coaxialism Final Edition but also the Collection of Wisdom consisting of 16 777 aphorisms structured according to certain themes

published in its final form in the book entitled The Wisdom Collection 16 777 Philosophical Aphorisms 2020 Edition The God of the Illuminati Bible of Divine Light is not a dictatorial God who demands total submission from Man so that Man can benefit from a Paradise after Death but is a God of Man's rediscovery in his own Self The God of this World is the Creator Factor and Unique Incidentally who is defined through a Meaning that forms a Word In the Parallel Universes there are an infinity of Creator Factors and Unique Incidentally where each one in part is a Meaning that in turn determines a Word in the respective Universe Word from which the respective Universe was formed as well as our Universe in turn was formed from the Word of our own Creator Factor and Unique Incidentally The totality of the Creator Factors and Unique Incidentally that is the totality of the Meanings which determine in their turn each in part a Word form the Universal Pure Language which in its totality determines the Consciousness Unique and Incidentally of the Universal Unique Expression which is the Supreme God the Supreme Intelligence of all Universes whose number is infinite as is infinite and the number of the Words defined in turn each in part by the Creator Factors and Unique Incidentally The Unique Incidentally Consciousness of the Universal Unique Expression always KNOWS where it is and what namely it does each atom in part each elementary particle in part from each Universe which in turn together with all the other Universes makes up the infinity of Universes I have always said that we are from before us that is we are a reflection of what was and from here comes the Destiny that cannot be changed and the Free Will is an Illusion from the great range of the Illusions of Life Everything that will Happen in our Future has Happened and has been in our Past before it was Time Thus the spiritual Energy of our Soul is allowed to pass through the Happenings that the Illusion of our own Life renders to us as being something new even though they were long before us We are a quantum of energy which flows through a reflection of the World that was before Time a World through whose reflection we flow in the so called Present with our own spiritual energies of the Soul having the false sensation of Time Past Present and Future From this flowing of ours through the reflection of that World in the Mirror of Knowledge we have the feeling that we are living our own Life even though in reality we are living our own Illusion of Life In conclusion we are only a quantum of energy which flows through the reflected images of the World that was somewhere sometime from before Time As those images of the World in whose reflection we have the Illusion that we live cannot be changed so neither our Destiny cannot be changed because it flows once with the spiritual energies of our Souls through the images of that World which cannot be changed by us because that World was before us Thus precisely the Illusion of Life that gives us the so called Free Will he which in reality does not exist she the Illusion of Life is the one that can help us to improve or worsen the spiritual energy of our Soul Hence results the necessity of the Illusion of Life in this World Thus once we travel through this World with Happenings that were long Before we believed that it Happens accompanied by the Illusion of Life that makes us believe in the existence of Free Will we go through all sorts of Trials that are the spiritual relief forms of this World which is a reflection of what was somewhere sometime and from here comes the ineffable Destiny Destiny is ineffable because it cannot

be changed because neither the World through whose reflection we pass can never be changed Thus the religions that have developed in this World did not appear Incidentally but they existed in the Initial World that was reflected in the Mirror of our Knowledge a World that was long Before us In that World was also Jesus Christ and the other Great Prophets such as the Prophet Muhammad the Buddha Moses etc What Happened on Earth that is in our World was that some Souls who were so spiritually perfect had the approval of God to travel through this World in the bodies of these Great Prophets just as each of us have the acceptance of God to travel through this World in our own bodies which are some vehicles that take us from the destination of Birth to the destination of Death These vehicles which are our bodies they too are in turn a reflection of a World that was long Before us Due to these things every Man is born under the specter of a certain Religion which has been left so by God through Destiny to Happen The appearance of the Great Prophets was due to the Destiny Jesus Christ did not appear from Nothingness Incidentally in our World but was left namely to Happen in this way by God because God is the one who let the Mirror of Knowledge through which we to can become Aware of this World That s exactly why every Man is good to follow the Religion existing in the area where he was born and to respect the Religions of other People born in other areas where there are other kinds of Religions until these will be replaced or not by other Religions or philosophical and religious systems with the Will of God that is on the understanding of some in a natural way and not forced by anyone Even Atheism is in itself a Religion precisely through the fact that it is based on a certain Faith where God is represented through the Laws of the Universe It has been speculated about me that in the book The Evil I do not make a clear distinction between the Evil necessary for the existence of Good and the Devil Evil is necessary for the existence of Good just as Good is necessary for the existence of Evil Evil can often be a far greater Good than Good and vice versa Good can sometimes be a far greater Evil than Evil Instead with what I do not agree and can really be considered an Evil that can be Devilish is for example Wickedness About wickedness I have developed an entire chapter in the book entitled The Far Future of Mankind Philosophical Aphorisms the Chapter of Wickedness aphorisms 1 227 a book which in turn is part of The Wisdom Collection 16 777 Philosophical Aphorisms which in turn is part from this book entitled The Illuminati Bible of Divine Light Thus Wickedness is something demonic which must be combated because the Evil it brings does not serve the Good than in a much lesser extent than the Good could serve the Evil from this Wickedness If we are to attribute Wickedness to the Devil then we must certainly avoid him as much as we can In conclusion Evil and Good are the attributes of God when Evil can help the Good and of the Devil when Evil can not help the Good than an even greater Evil There is all sorts of speculation concerning the fact that I would have stated in Coaxialism that Man thinks only with a tiny percentage of the brain I even said that Man does not think than with 2 percent from his brain I stated this in the context in which I wanted to express that only a tiny percentage of the cognitive total we use would have any connection with the Absolute Truth through this interweaving of Illusions of the Life through which we travel during our own Life In reality I think that that two percent percentage is very high and in

reality it would not be not even that much And the brain in turn is also an Illusion from the arsenal of the Illusions of Life so the so called ability of the human brain to process data is an Illusion as great as our own Illusion of Life is It is irrelevant whether or not Man uses his entire brain in the thought process once his entire thought process is subjected to the Illusion of Life and due to this fact the Man s thinking is not anchored by even two percent to the Absolute Truth With the appearance of my first philosophical studies but also of aphorisms I initially published the book entitled Bible of the Light and then a more complete form of the book Bible of the Light was the book entitled The Illuminati Bible so that in present to publish the full form of the Bible which I felt that it will be perfected with the help of God and which I decided to call the Illuminati Bible of Divine Light Some will wonder why I chose this name of The Illuminati Bible starting with that book published in 2014 the content of which is also in this book called the Illuminati Bible of Divine Light which in turn contains many other parts Simple Firstly because I wanted to help in Good the Karma of this World because Illuminati and Enlightenment are spoken of in negative terms and secondly because Illuminati comes from Enlightenment and true Enlightenment cannot bring the Evil nor can it be the Evil vile True Enlightenment must be based only on Good and never on bringing the Evil as the supreme Wickedness Therefore in order to improve the Karma of Mankind I show that Enlightenment does not consist in Wickedness but in combating Wickedness The enlightened ones cannot be a hidden group of people who lead humanity out of the shadows committing all sorts of evils and abuses to maintain power These people are by no means Enlightened but Dark If there really are some in such a situation then they use the term Illuminati or Enlightened falsely How just as Dark are those who dirtyly attack on the true Illuminati or Enlightened only out of obscure interests of a religious nature for fear that the Enlightened ones might open the souls of the People and show them the Way to the Truth from which some high prelates that are at the head of certain churches flee who are afraid that if the Truth would be found they will lose both their financial and their decision making power I believe that the future will belong to those truly Enlightened the true Illuminati A thing is to use Evil to bring through it Good and another is to use Evil to bring through it the Wickedness The true Enlightened and not Dark are those who understand that the Evil can only be used for Good when he can do it and the Good only for the Evil less Evil when the Good itself can lead to destruction disaster or pain The real Bad People the Dark Ones are the ones who use both Good and Evil to do as much as possible Evil and not Good Mankind must understand that the Evil and Good the God and the Devil are an Entity with two distinct characteristics an Entity that defines our True God that is our Creator Factor and Unique Incidentally Therefore in order to improve the Karma of this World we will have to pray to the Universal Consciousness formed by the Universal Pure Language That is to pray to the Divine Light of all the Worlds the Supreme God of Intelligence which to inspire our thoughts so that to use in moderation both Good and Evil for the ultimate purpose of doing and bringing through us as much as possible Good Why didn t I let in continuation the name of the Illuminati Bible and to this new much deeper work of the Bible and call it the Illuminati Bible of Divine Light Because compared to the other book

called the Illuminati Bible the Illuminati Bible of Divine Light contains in addition to the content of that book many other new chapters that appeared with the new Wisdom Collections or with the final form of the Coaxialism In the last edition of the Wisdom Collection I published six other new books of philosophical aphorisms bringing the Collection of Wisdom to a total of 16 777 philosophical aphorisms The last books refer to topics such as those related to Justice to the World after Death to the philosophy of Artificial Intelligence to the far Future of Mankind etc All this highlights not only a Bible with concepts like the one I called the Illuminati Bible but also one that fully reflects my thinking and faith as a whole which is based on my philosophical religious system called Coaxialism and therefore the book could not be called otherwise than the Illuminati Bible of Divine Light Especially since in this book entitled the Illuminati Bible of Divine Light there is also the final form of my philosophical religious system called Coaxialism where I refer to Transcendental Coaxiological Mathematics but also to Mathematical Psychology I am convinced that philosophy Coaxialism will become part of the Religion of the Future a Religion whose churches will be the souls of the People Yes I want that the soul of every Man to be a Temple of worship Enlightened by the Divine Light of Absolute Truth whose Thought is reflected by the Universal Consciousness of the Universal Pure Language A Language whose Words are infinite and of all these Words one of them is our God that is our Creator Factor and Unique Incidentally who gave birth to this World Sorin Cerin July 7 2021 Our Greatest Sin AiR - Atman in Ravi, What is our greatest sin Is it pride greed lust envy wrath sloth or is it something else Our Greatest Sin is caused by ignorance and therefore we don't realize who we are Believing we are the body the mind the ego we sin How can we be free from our greatest sin This book will help us realize that we are not the body and skin in fact we are the Soul within It will show us the path to overcome all Sin and win the greatest battle of life *Introduction to Niall Horan* Gilad James, PhD, Niall Horan is a singer songwriter and guitarist who gained fame as a member of the boy band One Direction Born on September 13 1993 in Mullingar Ireland Horan started learning the guitar at a young age In 2010 he auditioned for the seventh series of The X Factor UK as a solo performer but was eliminated early on However along with Harry Styles Liam Payne Louis Tomlinson and Zayn Malik he was put together to form One Direction which finished third in the competition The group became an international sensation and released five albums together before taking a hiatus in 2016 After One Direction Horan launched a successful solo career that saw him release his debut album Flicker in 2017 He has since released two more albums Heartbreak Weather 2020 and his latest titled Better which was released on September 17 2021 Horan's style is a mix of pop folk and rock and he cites Ed Sheeran Fleetwood Mac and Bob Dylan as his primary influences His solo music explores themes of love heartbreak and self growth He has collaborated with numerous artists including Julia Michaels Ashe and Anne Marie among others Horan also has a passion for golf and has participated in various celebrity tournaments He is active on social media platforms including Twitter and Instagram and is known for his philanthropic work supporting numerous charities and causes Shreemad Bhagavad Gita Paramahansa Sri Swami Vishwananda, 2017-01-12 The Shreemad

Bhagavad Gita is one of the most ancient scriptures in the world. Of all the scriptures it is said that Gita provides the deepest and most practical knowledge about faith, devotion, surrender, detachment, and a release of expectations and ownership over one's own actions. But like any teaching, time and unqualified minds can distort scriptures like this and misrepresent what is contained within. It is for that purpose that the Lord continuously takes birth on earth in the form of the Guru to revive the true essence of the Gita and to demonstrate the simplicity and power of the divine message of the Lord. One such Master is Paramahansa Sri Swami Vishwananda, and this book is his personal commentary on this timeless knowledge. Included here are over 900 pages of verses, translations, drawings for every chapter, and Paramahansa Vishwananda's extensive commentary. Perfect for the beginner as well as those who have read other commentaries, this is more than just a book. It is a guiding light that can be applied to every day, to every thought, and to every moment.
