EBOOK: Understanding Business, Global Edition William Nickels, Jim McHugh, Susan McHugh, 2012-05-16 Understanding Business Global Edition by Nickels McHugh and McHugh has been the number one textbook in the introduction to business market for several editions for three reasons 1 The commitment and dedication of an author team that teaches this course and believes in the importance and power of this learning experience 2 we listen to our customers and 3 the quality of our supplements package We consistently look to the experts full time faculty members adjunct instructors and of course students to drive the decisions we make about the text itself and the ancillary package Through focus groups symposia as well as extensive reviewing of both text and key ancillaries we have heard the stories of more than 600 professors and their insights and experiences are evident on every page of the revision and in every supplement As teachers of the course and users of their own materials the author team is dedicated to the principles of excellence in business education From providing the richest most current topical coverage to using dynamic pedagogy that puts students in touch with today's real business issues to creating groundbreaking and market defining ancillary items for professors and students alike Understanding Business leads the way

The Entrepreneur's Information Sourcebook Susan C. Awe, 2012-01-16 For 21st century entrepreneurs this book provides the practical guidance they need to overcome the often intimidating challenges of starting organizing and running a new business effectively and efficiently The economic downturn has many individuals considering going into business for themselves rather than relying on an employer for their income Unfortunately according to data from the Small Business Administration the odds of long term success are against them 69 percent of businesses do not last past seven years and 56 percent fail in less than four This book provides

entrepreneurs with a comprehensive guide to the resources they need or will likely want to consult when starting a small business and in order to stay profitable over the long run *The Entrepreneur's Information Sourcebook: Charting the Path to Small Business Success* Second Edition provides the expert guidance and up to date print and web resources an entrepreneur may need to make his business thrive and grow from inception and information gathering to raising capital to marketing methods and human resource concerns Nearly half of the resources in this newly updated book are new and the essays have also been updated to reflect current business practices This book is an essential tool that provides quick and easy access to the information every small business owner needs *Going Global* Susan C. Awe, 2009-08-25 This title helps small and medium sized enterprises discover the advantages and disadvantages of international business and plan their entry or expansion strategies In an age where globalizing a business has gone from an innovation to an imperative how can entrepreneurs make sure their small and medium sized enterprises SMEs are set up for maximum worldwide reach from the very beginning *Going Global: An Informational Sourcebook for Small and Medium Sized Businesses* is an extraordinary resource that points the way to a wealth of available print and web resources for helping SME owners research their international sales potential *Going Global* offers separate chapters on such critical topics as how to do a business plan how to analyze the competition and the market how to find foreign customers how to set up an international business how to manage a global business and how to use the Internet to its fullest No matter what stage of entering international trade a company is in its owners managers and stakeholders will be able to quickly and easily find the information and expertise they need to compete in a world based economy **Welfare to Millionaire** Sarian Bouma, 2005-09-01 In 1974 a 19 year old from Sierra Leone came alone to this country determined to make her way Born into poverty she learned a strong work ethic and many other lessons from her parents A popular budding radio tv personality at a young age she dreamed of a college degree and to pursue broadcasting Quickly running out of money she successfully worked a variety of jobs but was never able to accumulate enough cash to return to school She married a young man whose dreams and ambitions she soon realized did not match her own and eventually ended up on the street penniless homeless and with a baby Desperate she found help and encouragement at a women's shelter and renewed her determination to succeed Banking classes through the welfare system gave her entrance to a new world where she rose through the ranks She also met her future second husband there Eventually hitting a glass ceiling she and her husband decided she should try running her own company a commercial cleaning business She eventually grew her company into a multimillion dollar business serving even the White House The recipient of numerous national and local awards she has always given back to her employees her homeland and those who helped her along the way The mother of six two adopted from her homeland following the devastating wars there Sarian today is expanding into other business areas and continues as a shining example of how one can achieve the American Dream This book details the many struggles and triumphs of this remarkable woman and provides many resources for women
