Entrepreneurship Robert D. Hisrich, Michael P. Peters, 2002 *Entrepreneurship* by Robert Hisrich Michael Peters and Dean Shepherd has been designed to clearly instruct students on the process of formulating planning and implementing a new venture Students are exposed to detailed descriptions of how to embark on a new venture in a logical manner Comprehensive cases at the end of the text have been hand picked by the authors to go hand in hand with chapter concepts The superb author team of Hisrich Peters and Shepherd draw from their distinct backgrounds to create a book that addresses the dynamics of today s entrepreneurial challenges From Bob Hisrich s expertise in global entrepreneurship to Mike Peter s background as a both a real life entrepreneur and academic to Dean Shepherd s current research on cognition and entrepreneurial mindset this book balances the crucial line between modern theory and practice Entrepreneurship Robert D. Hisrich, Michael P. Peters, Dean A. Shepherd, 2010 The 8th Edition of *Entrepreneurship* by Robert Hisrich Michael Peters and Dean Shepherd has been designed to clearly instruct students on the process of formulating planning and implementing a new venture Students are exposed to detailed descriptions of how to embark on a new venture in a logical manner Comprehensive cases at the end of the text have been hand picked by the authors to go hand in hand with chapter concepts The superb author team of Hisrich Peters and Shepherd draw from their distinct backgrounds to create a book that addresses the dynamics of today s entrepreneurial challenges From Bob Hisrich s expertise in global entrepreneurship to Mike Peter s background as a both a real life entrepreneur and academic to Dean Shepherd s current research on cognition and entrepreneurial mindset this book balances the crucial line between modern theory and practice Entrepreneurship Norris F. Krueger, 2002 This new collection provides a much needed retrospective view of the key academic work published in this area The papers here highlight the importance of studying entrepreneurship from a wide range of perspectives including research that derives from economics history sociology psychology and from different business disciplinary bases such as marketing finance and strategy The overall focus in this set is on entrepreneurial activity rather than specifically small or family owned business and favours research articles over those that deal purely with practice *International Entrepreneurship* Robert D. Hisrich, 2010 Combining robust narrative with a wide variety of interesting cases *International Entrepreneurship* Starting Developing and Managing a Global Venture focuses on the need for every entrepreneur to at least consider entering the global market in today s hypercompetitive world As an ever growing number of countries become market oriented and developed the distinction between foreign and domestic markets is becoming less pronounced and entrepreneurs increasingly need to develop skills to identify opportunities and then manage these opportunities on a global basis *International Entrepreneurship* is an ideal resource for students professors government officials and practitioners throughout the world who are interested in this vital growing area Key Features Includes chapter opening international scenarios that feature a global entrepreneur or a global entrepreneurial venture to set the scene for the issues that follow

Demonstrates global entrepreneurial issues through real life cases from countries throughout the world Draws content from a wide variety of disciplines including anthropology economics geography history jurisprudence and language Includes chapter ending class exercises discussion questions and suggestions for additional reading to provide readers with hands on learning opportunities and avenues for future research Helpful Teaching Ancillaries Instructor Resources are available on a password protected website at <http://www.sagepub.com/hisrichinstr> These resources include chapter outlines end of chapter discussions chapter exercises and teaching notes International Entrepreneurship is appropriate as a core text for courses such as Global Entrepreneurship or International Entrepreneurship or as a supplement in upper level undergraduate and MBA courses in Entrepreneurship New Venture Management and Entrepreneurship Strategy In addition it can be used as an ancillary text in International Business and International Management courses
