Kenyon, 1969 **The Worldview of the Word of Faith Movement: Eden Redeemed** Mikael Stenhammar, 2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright's model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith The reader receives insights into the movement's narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism

**Prosperity Gospel?** Christopher Anthony, 2025-08-21 This book offers a fresh and challenging analysis of the prosperity gospel by providing both a historical examination of its six theological features and a theological analysis of their interconnected roles Uncovering new sources the author presents a constructive theology of the Word of Faith movement offering a deeper and more precise understanding of its development and function Combining historical and theological methodologies this work makes a significant contribution to the field shedding light on previously unexplored historical roots of Word of Faith theology and revealing their profound theological implications This title is a valuable resource for scholars and practitioners alike especially those interested in the world of Faith theology and its impact on contemporary religious thought

**Two Paradigms for Divine Healing** Pavel Hejzlar, 2009-11-23 The doctrine and practice of healing through faith has been a hallmark of Pentecostalism since its inception and helps to account for the widespread appeal of the movement While divine healing as it is called by insiders has brought hope to the sick it has also been a source of disenchantment and controversy The present study offers a close look at the teaching of four major ministers of healing in the twentieth century United States The author distinguishes between the healing evangelists and pastoral ministers of healing who react to them This book discusses in detail the merits of both schools and the author

proposes a solution to the problems inherent in the two paradigms under scrutiny      **Thinking in the Spirit** Douglas Jacobsen, 2003-11-20 This book is about the boisterous beginnings of the American Pentecostal movement and the ideas that defined that movement during those formative years It follows a group of men who rethought the Christian faith in light of their new experience of God Thinking in the Spirit aims to provide scholars and general readers who know little or nothing about Pentecostalism with an introduction to the ideas of the movement's most articulate early spokespersons and to provide Pentecostals with a non judgmental historical source to help them in their theological reflections Douglas Jacobsen focuses on the individuals who formed the original brain trust of this now gigantic religious movement In a 25 year burst of creative energy at the beginning of the 20th century these leaders articulated almost all the basic theological ideas that continue to define the Pentecostal message in the United States and around the world      *The Essential Works of E. W. Kenyon* E. W. Kenyon, 2025-07-15 The Essential Works of E W Kenyon includes six classic works from the legendary Bible teacher      *A Different Gospel* Dan R McConnell, 2011-12-22 The name it claim it theology of the Word Faith Movement is presented as biblical but is it In this compelling book McConnell documents the historical link between faith theology and New Thought metaphysics He then analyzes faith theology's doctrines of healing and prosperity as well as its understanding of the atonement of Christ to show how they deviate from biblical teaching This updated edition features a foreword by Hank Hanegraaff and an afterword by McConnell Softcover from Hendrickson      *E.W. Kenyon and His Message of Faith* Joe McIntyre, 1997      **"In Jesus' Name"** David A. Reed, 2019-08-26 In Jesus Name tells the story of the third stream of Pentecostalism which emerged during the formative years of the Pentecostal Revival This is the first comprehensive study of the origins history and theology of Oneness Pentecostalism the heterodox movement expelled from the Assemblies of God in 1916 for its rejection of the doctrine of the Trinity and insistence on water baptism in the name of the Lord Jesus Christ Reed traces the movement now estimated at 14 million world wide to its Pietist and Evangelical roots Its distinctive doctrine is a radical trajectory of a christocentric reaction that had already begun in early Pentecostalism Reed's study shows the inadequacy of the label of heresy in light of its thoroughgoing Pentecostal identity and theology of the Name of God This title was granted the PNEUMA award for 2009      *The Oracles of God... Or the Words of Men?* Curtis Pillsbury, 2010-11 Why don't people believe the Bible like they used to Do Christians themselves truly believe the Bible Is the Word part true part superstition Is it fair to claim that the Bible is superior to other sacred writings Curtis Pillsbury has encountered these controversial questions and more and has set out to answer them using biblical proof and personal experiences If you have ever questioned Christianity fear not Curtis himself has battled similar doubts and has spent over twenty years disproving the myths You will never again wonder is the Bible The Oracles of God or the Words of Men In a day in which postmodernism and humanism seek to dissolve absolute truth Curtis Pillsbury has given us a tool to create a Christian worldview The Oracles of God or the Words of Men is a tool to combat New Age mumbo jumbo and establish God's Word as an anchor for

transformation and productivity Curtis's work will help you wade through the minutia of philosophies combating real truth Read this book as a key to your freedom Ron McIntosh President of Ron McIntosh Ministries Executive Director of Victory Bible Institute The Oracles of God or the Words of Men will help secure for you a strong foundation in the Word of God and will strengthen your faith in the fact that God's Word is your final authority With this revelation you can stand in the midst of any trial or temptation This book will keep you in love with Jesus and his Word Terry Nance author of God's Armorbearers

*The 'Spiritual Death' of Jesus* William Atkinson, 2009-03-16 The teaching of Kenyon Hagin and Copeland that Jesus died spiritually JDS is important because of the influence of these men not least on Pentecostalism This title states that adoption of JDS by Pentecostalism would be damaging in several respects and thus draw the latter away from its moorings in traditional Christianity

*Urban Apologetics: Cults and Cultural Ideologies* Eric Mason, 2023-06-20 We know that Urban isn't just a place but a culture now Followers of Jesus face many challenges to their faith among them the rising influence of contemporary cults alternative theologies and ethical issues that challenge traditionally held beliefs and practices Urban Apologetics Cults and Cultural Ideologies is a follow up to the bestselling Urban Apologetics and it provides a guide to addressing these challenges with grace and wisdom In addition throughout the book are short essays by leaders in the church sharing their convictions on successful ministry and reflection on today's challenges in light of the past This all new volume addresses several of today's most talked about issues including Jehovah Witnesses The Prosperity Gospel Black Liberation theology LGBTQ Issues Critical Race Theory CRT White Nationalism Faith Deconstruction Edited by Dr Eric Mason and featuring a top notch lineup of contributors such as Anthony Bradley Brandon Washington and Thabiti Anyabwile Urban Apologetics Cults and Cultural Ideologies equips pastors churches and everyday believers to engage the most common ethical biblical and theological challenges faced by Christians and the church today

**God's Next of Kin** Edwin Majone, 2016-02-02 Did God create Adam and Eve to be His next of kin His first son and daughter and thus His closest relatives If so what happened to that intended relationship when they sinned and were separated from God Author Edwin Majone believes God was left with no next of kin since the entire human race inherited their sinfulness Who then is God's next of kin It cannot be Jesus the author states because He is God In the beginning was the Word and the Word was with God and the Word was God John 1:1 NKJV God's Next of Kin investigates this mystery and the importance it has to seven redemptive Hebrew names of God As you solve the mystery with God's Next of Kin it will help you to grow spiritually and will broaden your biblical worldview

*E.W. Kenyon and the Postbellum Pursuit of Peace, Power, and Plenty* Dale H. Simmons, 1997 Essek William Kenyon 1867-1948 has virtually escaped scholarly notice and yet his influence on the twentieth century church is profound Of particular note is Kenyon's influence on William Durham that apparently led to the first major split in Pentecostalism Kenyon's own evangelistic work was thoroughly interdenominational touching every major Protestant denomination of his day E W Kenyon and the Postbellum Pursuit of Peace Power and Plenty is the most comprehensive

biography of Kenyon available today It explores his influence on the Pentecostal Charismatic movements and likewise illuminates the practice of intuition and mysticism from which the 20th century message of peace power and plenty emerged Contains nine black and white photographs bibliography and index      **What We Are in Christ** E. W. Kenyon,2025-07-15  
 SATAN HAS NO POWER WHEN WE ARE IN CHRIST The expression in Christ is one of the key phrases in the Epistles However many of us find that who we were before we found Christ so dominates our minds that we forget we are now in Him We belittle our redemption and magnify our failures Our weakness is ever with us We have the cross religion rather than the resurrected life of the Son of God With love patience and grace legendary Bible teacher E W Kenyon explains What We Are in Christ and what this means from heaven s point of view God is our ally no matter what our circumstances We are in Him now seated in the highest place in the universe and all it requires is simple faith on our part to bring the power of God to bear upon our needs whether for spirit soul body finances or deliverance Kenyon says No matter where you are in your faith journey you will find reassurance and joy when you realize What We Are in Christ      **Who wants to be a Millionaire?** Emmanuel Kwesi Anim,2020 Prosperity Teaching is fast becoming a standard part of contemporary African Christianity This teaching is best understood in the Charismatic and Pentecostal churches in Africa The varied expressions and nuances call for a critical analysis of the phenomenon Prosperity Teaching affirms wealth divine healing good health and long life as manifestations of God s blessing Conspicuous consumption is often seen as a sign of a successful life and suffering has no place in the divine order of God s sovereignty This book Who Wants to be a Millionaire seeks to bring some understanding to this teaching and shows the extent of its impact in the wider society      **Game Time** Reginald Bratton,2020-07-30 Yes it s game time for God s team and they are to arise and shine His light into this crooked and perverse generation God is the one who assigns each member of His team a part to play to each member is granted a measure of light adapted to the necessities of their time and the sufficiency that comes from God that grants grace to each individual the ability to do their assigned duty The successfulness of this plan will bring glory to God only after each member of God s team accept their assigned position on His team and play it accordingly to God s rule book the Holy Bible The purpose of this book is to send an alert to the people of God that when they join God s team they accept their specific role on the team Their role may come with a title or it may not God wants His team to know that having a title or not having a title is not high on His priority list Jesus Christ the Son of God left the Holy Spirit to lead guide and show His team things to come upon the earth The Holy Spirit will glorify God and honor Him The Holy Spirit will take what is God and disclose to His team on the earth      New Creation Realities E. W. Kenyon,2025-07-15 Christianity has revealed the secret that psychologists have long sought the inward soul the re created spirit the focus of God s great redemptive work on earth The four Gospels give us a wonderful picture of the lonely man of Galilee the humble Messiah who ends His earthly walk on Calvary But Paul s Epistles give us the risen triumphant One the conqueror of death sin and Satan He provides the revelation of what happened on the cross and in the tomb and how that

affects who and what we are in Christ today Legendary Bible teacher E W Kenyon delves deeply into Paul s teaching to give us a living picture of the entire substitutionary work of Christ which made possible the new creation a new race of men and women who can stand in God s presence without a sense of guilt condemnation or inferiority     **The Wonderful Name of Jesus** E. W. Kenyon, 2025-07-15 In this inspiring book E W Kenyon clearly explains our spiritual authority in the name of Jesus Discover what the Word has to say about you and your rights and privileges as a redeemed believer
