

# Abnormal Psychology

A surrealist painting of a human face, rendered in a style reminiscent of Salvador Dalí. The face is pale and has a serene expression. Instead of natural eyes and a mouth, there are four buttons: a large dark button for the left eye, a smaller red button for the right eye, a red button for the mouth, and a dark button on the chin. A single tear is falling from the dark button on the left eye. The background is a dark, textured blue.
