Grandpa's Book Raymond Fuller, 2001-11-29 Originally Grandpa's Book was written as an attempt to leave a legacy for his children and grandchildren The stories were just too good to keep inside the family unit and the book's were soon passed around to friends Shortly strangers were calling for copies many demanding that the book be published so that they too might own a copy Comments from some delighted readers I couldn't put the book down My wife couldn't understand why I wouldn't come to bed She read the book and said that she absolutely understands why She remarked that she laughed at the punch lines and eagerly anticipated the next scrape that Grandpa Ray might get into Grandpa Ray is a master storyteller Pacing and cadence are effectively employed to make readers laugh at the punch lines Well written fun and easy to read Grandpa's memoir brims with love humor and warmth He masterfully employs the techniques of anecdotes to create an invaluable legacy for his children Grandpa Ray fills his personal memoir with amusing instructive and loving anecdotes as a legacy for his children grandchildren and great grandchildren
