Accounts and Papers Great Britain. Parliament. House of Lords, 1911 Federal Register ,1987-05-15 HM Revenue & Customs accounts 2010-11 Great Britain: Parliament: House of Commons: Committee of Public Accounts, 2011-12-20 The Commons Public Accounts Committee publishes its 61st Report of the Session which on the basis of evidence from the Cabinet Office and HM Revenue and Customs HMRC examined tax disputes At 31 March 2011 HM Revenue Customs was seeking to resolve tax issues valued at over 25 billion with large companies some of which included disputes over outstanding tax In this report the Committee expresses concern about how the Department handled some cases involving large settlements and that there needs to be proper separation between the negotiation of tax settlements and the authorization of such settlements The Committee also states that HMRC made matters worse by trying to avoid scrutiny of these settlements keeping confidential the details of specific settlements with large companies This effects Parliament's ability to establish value for money compounded further by imprecise inconsistent and potentially misleading answers given by senior departmental officials including the Permanent Secretary for Tax in particular over his evidence on his relationship with Goldman Sachs in facilitating a settlement with the company over their tax dispute HMRC governance processes in these matters were inconsistent and it has now appointed two new Commissioners with tax expertise and plans to introduce a new assessor role to permit independent review of large settlements before they are finalised The Committee further states that it saw little evidence of personal accountability within the Department and that a perception has developed that large companies are treated more favourably receiving preferential treatment compared to small businesses and individuals
