expectations For the child in today's hyper surveilled childhood to speak up is to resist Moving these ideas from research and theory back into preschools and homes A New Vision for Early Childhood is important reading for any preschool teacher leader or parent who wants to reconsider their relationship with children We can become allies instead of sheriffs working with children instead of against them

Questioning the Heiress Delores Fossen, 2008-07-01 It was just a day's work for Texas Ranger Egan Caldwell Except this time the victim of the crime was rich beautiful heiress Caroline Stallings Egan and Caroline couldn't be more different she was upper crust he was a lawman Yet this woman stirred feelings in him that refused to be ignored Problem was Caroline's memory had gone the way of Egan's willpower and her amnesia had attracted a killer Ensuring her safety was something he took very seriously But giving in to their distracting combustible attraction was the only chance Egan had of uncovering the secrets hidden in Caroline's mind before someone else did

Thought Process Paul Quintavalle, 2008-09-16 Jamie Donnelly is a high school junior who leads a carefree idyllic life in suburban Southern New Jersey He has skipped through life relying on his quick wit good looks and natural intelligence His life changes suddenly when he suffers a cerebral aneurysm and then becomes the first person in the world to have revolutionary technology surgically implanted Jamie faces his ultimate challenge when he is forced to take on a powerful group of people including a presidential candidate who see the technology as a way to dominate US politics and business A diverse group of friends bring their individual talents to help Jamie as he is running for his life trying to solve the mystery of who is behind the conspiracy His ordeal forces him to grow from an immature teen to a resourceful responsible man who not only learns more about himself but gains a deeper appreciation of the people around him
