HUMAN RESOURCE MANAGEMENT, SEVENTH EDITION PATTANAYAK, BISWAJEET, 2025-06-02 Human intellect remains irreplaceable. Despite rapid technological advancements and the rise of artificial intelligence technology, it will always serve as a tool to enable progress rather than replacing the human touch. In any organization, human resources are the most valuable asset, and managing them is often more complex than handling technology due to the absence of programming or automation. In today's fast-evolving global business environment, the role of human resource management (HRM) has undergone a significant transformation. HRM is now more strategic, playing a crucial role in adding value to organizational goals. Changes in workforce demographics, business dynamics, and technological innovations have prompted a revision of this book's content to ensure it remains relevant and aligned with contemporary needs. The seventh edition of this book is a thoroughly updated and revised version designed to enhance students' understanding of HRM in the rapidly changing business world. It incorporates the latest research, applications, and real-world examples to bridge theory and practice effectively.

FEATURES OF THE SEVENTH EDITION

- Chapters organized according to the Harvard Framework
- Complete revision and updating of all chapters
- Inclusion of the latest sector developments
- Focus on contemporary HR practices
- Introduction of new HR models, illustrations, and practical examples
- Integration of Indian case studies in each chapter

Human Resource Management: Text & Cases, 2nd Edition Pande Sharon & Basak Swapnalekha, 2015 In a constantly evolving service-led Indian economy, human resources have become the cornerstone of an organization's success. The management of human capability has become an art that has to be understood and mastered to run a successful enterprise. *Human Resource Management: Text and Cases 2e* explains the basic concepts of this discipline and presents cases that provide an insight into the challenges faced by HR professionals on a day-to-day basis. Going beyond the coverage of a traditional textbook, this book focuses on applied aspects of HRM which capture the evolving challenges in the field. The authors have used their extensive real-world work experience in talent acquisition and human resource development and retention to provide a lucid explanation of all major concepts of human resource management. Replete with examples and cases, this title is a complete guide for all MBA students and HR practitioners.

KEY FEATURES

- Extensive coverage of HR best practices and innovations
- Sample-ready-to-use formats of relevant documents
- Thought-provoking chapter-opening cases to set the context for learning in the text ahead
- Application cases to showcase real-world implementation of concepts
- PowerPoint slides and Question Bank for teachers
