

Abjectly Boundless

Boundaries, Bodies and Health Work

EDITED BY
TRUDY RUDGE AND DAVE HOLMES

Abjectly Boundless

Patricia MacCormack, Colin Gardner

Abjectly Boundless:

Abjectly Boundless Trudy Rudge, 2016-03-16 Within a variety of practice environments health professionals often experience feelings of disgust and repulsion towards the presence of an abject object Cadaverous sick disabled bodies troubled minds wounds vomit and so forth are all part of health and care work and threaten the clean and proper bodies of those who undertake it yet this unclean side of health work is rarely accounted for in academic literature This volume employs the work of Julia Kristeva through a range of case studies drawn from care and nursing settings around the world It brings together work from researchers and practitioners within the social and health sciences the caring professions and psychotherapy to expose and highlight the important impact of the concept of abjection which historically has been silenced in the health sciences

African Womanhood and Incontinent Bodies Kathomi Gatwiri, 2018-06-13 This book reveals the structures of poverty power patriarchy and imperialistic health policies that underpin what the World Health Organization calls the hidden disease of vaginal fistulas in Africa By employing critical feminist and post colonial perspectives it shows how leaking black female bodies are constructed ranked stratified and marginalised in global maternal health care and explains why women in Africa are at risk of developing vaginal fistulas and then having adequate treatment delayed or denied Drawing on face to face in depth interviews with 30 Kenyan women it paints a rare social portrait of the heartbreaking challenges for Kenyan women living with this most profound gender related health issue an experience of shame taboo and abjection with severe implications for women s wellbeing health and sexuality In absolutely groundbreaking depth this book shows why research on vaginal fistulas must incorporate feminist understandings of bodily experience to inform future practices and knowledge

A Bibliography for the Study of French Literature and Culture Since 1885 Sheri Dion, 2012-09

(Re)Thinking Violence in Health Care Settings Trudy Rudge, 2016-03-16 This comprehensive volume explores various forms of violence in health care settings Using a broad range of critical approaches in the field of anthropology cultural studies gender studies political philosophy and sociology it examines violence following three definite yet interrelated streams institutional and managerial violence against health care workers or patients horizontal violence amongst health care providers and finally patients violence towards health care providers Drawing together the latest research from Australia Canada the UK and the US *Re Thinking Violence in Health Care Settings* engages with the work of critical theorists such as Bourdieu Butler Foucault Latour and Zizek amongst others to address the issue of violence and theorise its workings in creative and controversial ways As such it will be of interest to sociologists and anthropologists with research expertise in health medicine violence and organisations as well as to health care professionals

(Re)Thinking Violence in Health Care Settings Dr Amélie Perron, Professor Dave Holmes, Professor Trudy Rudge, 2013-01-28 This comprehensive volume explores various forms of violence in health care settings Using a broad range of critical approaches in the field of anthropology cultural studies gender studies political philosophy and sociology it examines violence following

three definite yet interrelated streams institutional and managerial violence against health care workers or patients horizontal violence amongst health care providers and finally patients violence towards health care providers Drawing together the latest research from Australia Canada the UK and the US Re Thinking Violence in Health Care Settings engages with the work of critical theorists such as Bourdieu Butler Foucault Latour and i ek amongst others to address the issue of violence and theorise its workings in creative and controversial ways As such it will be of interest to sociologists and anthropologists with research expertise in health medicine violence and organisations as well as to health care professionals

Medicine as Culture Deborah Lupton,2012-03-22 Lupton s newest edition of *Medicine as Culture* is more relevant than ever Trudy Rudge Professor of Nursing University of Sydney A welcome update of a text that has become a mainstay of the medical sociologist s library Alan Radley Emeritus Professor of Social Psychology Loughborough University *Medicine as Culture* introduces students to a broad range of cross disciplinary theoretical perspectives using examples that emphasize bodies and visual images Lupton s core contrast between lay perspectives on illness and medical power is a useful beginning point for courses teaching health and illness from a socio cultural perspective Arthur Frank Department of Sociology University of Calgary *Medicine as Culture* is unlike any other sociological text on health and medicine It combines perspectives drawn from a wide variety of disciplines including sociology anthropology social history cultural geography and media and cultural studies The book explores the ways in which medicine and health care are sociocultural constructions ranging from popular media and elite cultural representations of illness to the power dynamics of the doctor patient relationship The Third Edition has been updated to cover new areas of interest including studies of space and place in relation to the body actor network theory as it is applied in research related to medicine The internet and social media and how they contribute to lay health knowledge and patient support complementary and alternative medicine obesity and fat politics Contextualising introductions and discussion points in every chapter makes *Medicine as Culture* Third Edition a rigorous yet accessible text for students Deborah Lupton is an independent sociologist and Honorary Associate in the Department of Sociology and Social Policy University of Sydney

Making Sense of Stories Geof Hill,Andrew Rixon,2021-03-10 This book is an essential companion to *The Story Cookbook* and provides a compendium of the varied and different ways stories can be analysed in research and inquiry Drawing from a range of disciplines such as psychology sociology and literature studies this book is an invaluable guide for the researcher consultant or professional keen to use storytelling as inquiry Created itself as an iterative action inquiry and sourced from an international assembly of contributors the 29 chapters provide an array of ways to analyse stories including juxtaposition circumambulation strengths analysis grounded theory and thematic analysis approaches Because of the detail in illuminating each analytical method this book provides a rich diverse and valuable resource for making sense of stories

Paradoxes in Nurses' Identity, Culture and Image Margaret McAllister,Donna Brien,2020-01-29 This book examines some of the more disturbing representations of

nurses in popular culture to understand nursing's complex identities, challenges and future directions. It critically analyses disquieting representations of nurses who don't care who kill, who inspire fear or who do not comply with laws and policies. Also addressed are stories about how power is used as well as supernatural experiences in nursing. Using a series of examples taken from popular culture ranging from film, television and novels to memoirs and true crime podcasts, it interrogates the meaning of the shadow side of nursing and the underlying paradoxes that influence professional identity. Iconic nursing figures are still powerful today. Decades after they were first created, *Ratched* and *Annie Wilkes* continue to make readers and viewers shudder at the prospect of ever being ill. Modern storytelling modes are bringing to audiences the grim reality that some nurses are members of the working poor like Cath Hardacre in *Trust Me* and others can be dangerous con artists like the nurse in *Dirty John*. This book is important reading for all those interested in understanding the links between nursing's image and the profession's potential as an agent for change.

On the Politics of Ignorance in Nursing and Health Care Amelie Perron, Trudy Rudge, 2015-08-14 Ignorance is mostly framed as a void, a gap to be filled with appropriate knowledge. In nursing and health care, concerns about ignorance fuel searches for knowledge expected to bring certainty to care provision, preventing risk, accidents or mistakes. This unique volume turns the focus on ignorance as something productive in itself and works to understand how ignorance and its operations shape what we do and do not know. Focusing explicitly on nursing practice and its organization within contemporary health settings, Perron and Rudge draw on contemporary interdisciplinary debates to discuss social processes informed by ignorance, ignorance's temporal and spatial boundaries and how ignorance defines what can be known by specific groups with differential access to power and social status. Using feminist, postcolonial and historical analyses, this book challenges dominant conceptualizations and discusses a range of nonknowledges in nursing and health work, including uncertainty, abjection, denial, deceit and taboo. It also explores the way dominant research and managerial practices perpetuate ignorance in healthcare organisations. In health contexts, productive forms of ignorance can help to future-proof understandings about the management of healthy, sick bodies and those caring for them. Linking these considerations to nurses' approaches to challenges in practice, this book helps to unpack the power situated in the use of ignorance and pays special attention to what is safe or unsafe to know from both individual and organisational perspectives. *On the Politics of Ignorance in Nursing and Health Care* is an innovative read for all students and researchers in nursing and the health sciences interested in understanding more about transactions between epistemologies, knowledge building practices and research in the health domain. It will also be of interest to scholars involved in the interdisciplinary study of ignorance.

Ecosophical Aesthetics Patricia MacCormack, Colin Gardner, 2018-06-14 Inspired by the ecosophical writings of Felix Guattari, this book explores the many ways that aesthetics in the forms of visual art, film, sculpture, painting, literature and the screenplay can act as catalysts, allowing us to see the world differently beyond traditional modes of representation. This is in direct parallel to Guattari's own attempt to break down the 19th-century

Kantian dialectic between man art and world in favour of a non hierarchical transversal approach to produce a more ethical and ecologically sensitive world view Each chapter author analyses artworks which critique capitalism s industrial devastation of the environment while at the same time offering affirmative imaginative futures suggested by art Including contributions from philosophers film theorists and artists this book asks How can we interact with the world in a non dominant and non destructive way How can art catalyze new ethical relations with non human entities and the environment And crucially what part can philosophy play in rethinking these structures of interaction

The Philosophy of Julia Kristeva
Sara G. Beardsworth, 2020-08-18 The Philosophy of Julia Kristeva is the latest addition to the highly acclaimed series The Library of Living Philosophers The book epitomizes the objectives of this acclaimed series it contains critical interpretation of one of the greatest philosophers of our time and pursues more creative regional and world dialogue on philosophical questions The format provides a detailed interaction between those who interpret and critique Kristeva s work and the seminal thinker herself giving broad coverage from diverse viewpoints of all the major topics establishing her reputation With questions directed to the philosopher while they are alive the volumes in The Library of Living Philosophers have come to occupy a uniquely significant place in the realm of philosophy The inclusion of Julia Kristeva constitutes a vital addition to an already robust list of thinkers The Philosophy of Julia Kristeva exemplifies world class intellectual work closely connected to the public sphere Kristeva has been said to have inherited the intellectual throne left vacant by Simone de Beauvoir and has won many awards including the Hannah Arendt Prize for Political Thought Julia Kristeva s autobiography provides an excellent introduction to her work situating it in relation to major political intellectual and cultural movements of the time Her upbringing in Soviet dominated Bulgaria her move to the French intellectual landscape of the 1960s her visit to Mao s China her response to the fall of the Berlin Wall her participation in a papal summit on humanism her appointment by President Chirac as President of the National Council on Disability and her setting up of the Simone de Beauvoir prize honoring women in active and creative fields are all major moments of this fascinating life The major part of the book is comprised of thirty six essays by Kristeva s foremost interpreters and critics together with her replies to the essays These encounters cover an exceptionally wide range of theoretical and literary writing The strong international and multidisciplinary focus includes authors from over ten countries and spans the fields of philosophy semiotics literature psychoanalysis feminist thought political theory art and religion The comprehensive bibliography provides further access to Kristeva s writings and thought The preparation of this volume the thirty sixth in the series was supported by a major grant from the National Endowment for the Humanities

Aboriginal Peoples and Sport in Canada Janice Forsyth, Audrey R. Giles, 2012-12-25 Aboriginal Peoples and Sport in Canada uses sport as a lens through which to examine Aboriginal peoples issues of individual and community health gender and race relations culture and colonialism and self determination and agency In this ground breaking volume leading scholars offer a multidisciplinary perspective on issues such as the clashing

cultural imperatives that discourage Aboriginal athletes from participating at the national level whether their needs are well served by the cultural values of sports psychology and how unequal power relations influence the ability of different groups of Aboriginal people to implement their own visions for sport The diverse analyses illuminate how Aboriginal people employ sport as a venue through which to assert their cultural identities and find a positive space for themselves and upcoming generations in contemporary Canadian society

Demarginalizing Voices Jennifer M. Kilty, Maritza Felices-Luna, Sheryl C. Fabian, 2014-11-13 Numerous books explore the how to of qualitative research but few discuss what it means to actually engage in it particularly when researchers adopt alternative methods to shed light on the experiences of marginalized populations In *Demarginalizing Voices* scholars share personal stories about their research with marginalized populations including Aboriginal peoples sex workers the dead and the dying women and men in prison women and men released from prison and the homeless and the hospitalized In the process they answer questions of relevance to anyone engaged in qualitative research What can scholars expect when their research requires them to establish human connections and relationships with their subjects What role do ethics review boards and institutions play when researchers explore new often less accepted methods How do researchers reconcile academic life and its expectations with their activism These powerful accounts from the cutting edge of qualitative research not only create a space in academia that centres marginalized voices they open up the field to new debates and discussion

The Palgrave Handbook of Social Theory in Health, Illness and Medicine F. Collyer, 2015-02-12 This wide reaching handbook offers a new perspective on the sociology of health illness and medicine by stressing the importance of social theory Examining a range of classic and contemporary female and male theorists from across the globe it explores various issues including chronic illness counselling and the rising problems of obesity

Power and the Psychiatric Apparatus Dave Holmes, Jean Daniel Jacob, 2016-04-08 Drawing on a broad range of approaches in the fields of sociology anthropology political science history philosophy medicine and nursing *Power and the Psychiatric Apparatus* exposes psychiatric practices that are mobilized along the continuum of repression transformation and assistance It critically examines taken for granted psychiatric practices both past and current shedding light on the often political nature of psychiatry and reconceptualizing its central and sensitive issues through the radical theory of figures such as Foucault Deleuze and Guattari Goffman and Szasz As such this ground breaking collection embraces a broad understanding of psychiatric practices and engages the reader in a critical understanding of their effects challenging the discipline's altruistic rhetoric of therapy and problematizing the ways in which this is operationalized in practice A comprehensive exploration of contested psychiatric practices in healthcare settings this interdisciplinary volume brings together recent scholarship from the US Canada the UK Europe and Australia to provide a rich array of theoretical tools with which to engage with questions related to psychiatric power discipline and control while theorizing their workings in creative and imaginative ways

Seeing Red Suzanne Hindmarch, Michael Orsini, Marilou Gagnon, 2018-01-01 Featuring the diverse

experiences of people living with HIV Seeing Red highlights various perspectives from academics activists and community workers who think ahead to the new and complex challenges associated with the condition **On Face Transplantation**

Samuel Taylor-Alexander, 2014-08-11 Drawing together interview material medical publications and first hand accounts this book shows that what is being remade in the burgeoning medical field of face transplantation is not only the lives of patients but also the very ways that state institutions surgeons and families make sense of rights claims for inclusion and life itself

Dirty Work R. Simpson, N. Slutskaia, P. Lewis, H. Höpfl, 2012-04-17 This book explores understandings and experiences of dirty work tasks or occupations that are seen as disgusting and degrading It complicates the clean dirty divide in the context of organizations and work and illustrates some of the complex ways in which dirty work identities are managed *Face Politics* Jenny Edkins, 2015-04-10 The face is central to contemporary politics In Deleuze and Guattari's work on faciality we find an assertion that the face is a particular politics and dismantling the face is also a politics This book explores the politics of such diverse issues as images and faces in photographs and portraits expressive faces psychology and neuroscience face recognition face blindness facial injury disfigurement and face transplants through questions such as What it might mean to dismantle the face and what politics this might entail in practical terms What sort of a politics is it Is it already taking place Is it a politics that is to be desired a better politics a progressive politics The book opens up a vast field of further research that needs to be taken forward to begin to address the politics of the face more fully and to elaborate the alternative forms of personhood and politics that dismantling the face opens to view The book will be agenda setting for scholars located in the field of international politics in particular but cognate areas as well who want to pursue the implications of face politics for the crucial questions of subjectivity sovereignty and personhood Suicide in Modern Literature Josefa Ros

Velasco, 2022-01-01 This book analyzes the social and contextual causes of suicide the existential and philosophical reasons for committing suicide and the prevention strategies that modern fictional literature places at our disposal They go through the review of Modern fictional literature in the American and European geographical framework following the rationales that modern literature based on fiction can serve the purpose of understanding better the phenomenon of suicide its most inaccessible impulses and that has the potential to prevent suicide From the turn of the 20th century to the present debates over the meaning of suicide became a privileged site for efforts to discover the reasons why people commit suicide and how to prevent this behavior Since the French sociologist and philosopher mile Durkheim published his study *Suicide A Study in Sociology* in 1897 a reframing of suicide took place giving rise to a flourishing group of researchers and authors devoting their efforts to understand better the causes of suicide and to the formation of suicide prevention organizations A century later we still keep on trying to reach such an understanding of suicide the nature and nuances of its modern conceptualization to prevent suicidal behaviors The question of what suicide means in and for modernity is not an overcome one Suicide is an act that touches all of our lives and engages with the incomprehensible and unsayable Since the turn of the

millennium a fierce debate about the state's role in assisted suicide has been adopted. Beyond the discussion as to whether physicians should assist in the suicide of patients with unbearable and hopeless suffering, the scope of the suicidal agency is much broader concerning general people wanting to die.

If you ally need such a referred **Abjectly Boundless** ebook that will come up with the money for you worth, acquire the enormously best seller from us currently from several preferred authors. If you desire to hilarious books, lots of novels, tale, jokes, and more fictions collections are along with launched, from best seller to one of the most current released.

Abjectly Boundless Introduction

In today's digital age, the availability of Abjectly Boundless books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Abjectly Boundless books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Abjectly Boundless books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Abjectly Boundless versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Abjectly Boundless books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Abjectly Boundless books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Abjectly Boundless books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Abjectly Boundless books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Abjectly Boundless books and manuals for download and embark on your journey of knowledge?

FAQs About Abjectly Boundless Books

1. Where can I buy Abjectly Boundless books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Abjectly Boundless book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
