

Position Paper

A Position Paper is a document that outlines a country's stance on a topic. You must submit it to your dias before any hotel or day conference if you would like to be considered for an award. Some advanced committees (ex. UNSC) require you to submit a position paper. Position paper is the most basic MUN writing you'll write in your MUN career. Even though writing them may feel tedious, it will help you build a solid foundation to work with during committee sessions.

As a representatives of a country, the position paper must be written in the third person (except for Diplomatic Cable). For example: instead of writing "I believe..." you must write "the country of (country name) believes..."
