Addressing Disproportionality Through Pbis The Double:

Disproportionality and Social Justice in Education Nicholas Gage, Luke J. Rapa, Denise K. Whitford, Antonis Katsiyannis, 2022-10-25 This book examines disproportionality in education focusing on issues of social justice for diverse and marginalized students. It addresses disproportionality as an indicator of biased practices and uses social justice as the frame for conceptualizing disproportionality historically and as a means to improve educational practice. Chapters explore the historical issue of disproportionality in education outcomes experienced by racially and ethnically diverse students and students with disabilities including discipline, bullying, and academic achievement and ways in which social justice can inform policy and practice to make a positive impact reducing disproportionality in education. Key areas of coverage include: Methodological and statistical concerns in disproportionality research in education; Reviews research and data on disproportionality in education e.g. disciplinary exclusion, bullying, seclusion and restraint, corporal punishment, school-based arrests and academic achievement; Social justice as a theoretical and legal driver for change in policy and practice; Educational assessment and intervention practices designed to address disproportionality in education. *Disproportionality and Social Justice in Education* is a must-have resource for researchers, professors, and graduate students as well as clinicians, practitioners, and policymakers across such disciplines as clinical child and school psychology, educational psychology, and teaching and teacher education, social work and counselling, pediatrics and school nursing, educational policy and politics, public health, and all interrelated disciplines.

Handbook of Classroom Management Edward J. Sabornie, Dorothy L. Espelage, 2022-09-22 The *Handbook of Classroom Management* Third Edition is an authoritative treatment of the latest science and development in the study of classroom management in schools. Evidence-based classroom management practices and programs are essential to enhancing students' academic, behavioral, social, emotional, and motivational outcomes across grade levels. This comprehensive volume collects scholarship and cutting-edge research for graduate students and faculty of psychology, teacher education, curriculum and instruction, special education, and beyond. The book has been thoroughly revised and expanded with updated coverage of foundational topics such as effective instruction, preventative strategies, positive behavior intervention and supports, family-school relationships, legal issues, and other related topics while also giving new attention to social justice, students on the autism spectrum, and adaptations across urban, rural, and virtual contexts.

The School Counselor's Guide to Multi-Tiered Systems of Support Emily Goodman-Scott, Jennifer Betters-Bubon, Peg Donohue, 2019-06-04 The *School Counselor's Guide to Multi-Tiered Systems of Support* is the first book to provide school counseling practitioners, students, and faculty with information and resources regarding the alignment and implementation of Comprehensive School Counseling Programs (CSCPs) such as the ASCA National Model and Multi-Tiered Systems of Support (MTSS). This innovative text provides a strong theoretical and research base as well as practical examples from the field, case studies, and relevant hands-on resources and tools to assist school counselors in comprehending

facilitating and strengthening the implementation of CSCPs particularly through MTSS alignment Furthermore chapters include pertinent information from the CACREP standards and the ASCA National Model This book is an essential resource for pre service and practicing school counselors as well as their leaders supervisors and faculty looking to better understand and utilize the overlap between CSCPs and MTSS to strengthen school counseling programs to better serve students schools and communities **Linking Health and Education for African American Students' Success** Nadine M.

Finigan-Carr,2017-03-16 The linkages between a student s health and a student s ability to learn have been well established Children who are sick stay home and children at home cannot learn if they are not in school leading to increased dropout rates among other educational outcomes However an understanding of this concept is just the beginning of understanding how education and public health are inextricably linked In light of this Linking Health and Education for African American Students Success examines health disparities and education inequities simultaneously and moves beyond a basic understanding of health and education in K 12 school programs The structural inequalities which lead to reduced academic attainment mirror the social determinants of health Education is one of the most powerful determinants of health and disparities in educational achievement as a result of structural inequalities closely track disparities in health These disparities lead to both sub standard healthcare and reduced academic attainment among children from underserved minorities in the United States especially African Americans This book discusses how this may result in children with poorer mental health outcomes higher school dropout rates increased risks of arrests and incarceration higher rates of chronic diseases and mortality and overall diminished opportunities for success while providing suggestions as to how to address these issues This results in an insightful read for researchers academics and practitioners in the fields of healthcare and education *The School to Prison Pipeline* Nathern Okilwa,Muhammad Khalifa,Felecia Briscoe,2017-03-03 This edited volume focuses on the role that school climate and disciplinary practices have on the educational and social experiences of students of color

Suspended Futures Richard O. Welsh,2025-02-23 An incisive examination of the school discipline crisis and a strategic evidence driven playbook for educational decision makers who aim to resolve disciplinary disparities

DISPROPORTIONALITY IN EDUCATION AND SPECIAL EDUCATION Amity Lynn Noltemeyer,Caven S. Mcloughlin,2012-07-01 Given the burgeoning number of diverse students in our nation s schools coupled with the potentially negative outcomes and wasted resources associated with the misidentification of students for special education and excessive use of exclusionary discipline for specific subgroups of students it is imperative that educational professionals understand and address the implications arising from disproportionality for children both with and without disabilities This text contributes unique perspectives and up to date information including advances and research that have emerged since the last of the extant books was published Presented in three sections the first considers disproportionality in special education identification with chapters examining overrepresentation by ethnicity gender and language The second section addresses

disproportionality in discipline specifically focusing on inequalities in school disciplinary actions and juvenile justice decisions based on ethnicity and gender The final section provides readers with approaches for addressing disproportionality and creating more equitable learning environments now and in the future The text encourages bidirectional and evolving relationships between the topics examined in each chapter with the historical framework presented Because of the comprehensive nature of the topics covered in the book it is an ideal one stop reference for readers aiming to acquire a broad understanding of the key issues related to the topic The book will appeal to a range of potential readers including university students and practitioners in the fields of education psychology sociology gender studies ethnic studies and criminal justice as well as lay readers interested in issues of equality and or education
