How To Knit Beautiful Bags:

How to Knit Beautiful Bags Sian Brown, 2017-11-01 Knitted and crocheted accessories are totally on trend and bags are particularly popular. They are relatively quick to make and knitters of all abilities can try new techniques that don't take too long to complete. Sian has created 22 designs in a range of sizes and styles suitable for beginners as well as more experienced knitters. They include colourwork, lace, cables and texture stitches and are knitted using a variety of different yarns. All the bags are beautifully finished with coordinating fabric linings, pockets and wadding to help them keep their shape and are embellished with knitted flowers, buttons, bows and pompoms. There is a range of designs to choose from, including simple bags, totes, summer bags and evening bags, and the extensive techniques section at the back of the book provides step by step guidance on colourwork, embellishments such as surface embroidery, beads, knitted flowers and pompoms, making up and lining your bag, how to attach zips, buttons and other fastenings, and plaited cords and handles. Sian's delightfully fresh and appealing designs and attention to detail make this an attractive book for all knitters. *Home Life in Colonial Days* Alice Morse Earle, 1898

Patty Lyons' Knitting Bag of Tricks Patty Lyons, 2022-10-11 Do you wish your knitting was better and that you had an expert knitter by your side to help you when it goes wrong? Then this is the book for you. Patty Lyons is an expert in all things knitting related. She will help you solve all of your knitting problems, from edges that won't behave to adjusting your yarn tension. With the 70 hacks in *Patty Lyons' Knitting Bag of Tricks*, featuring dozens of brand new how-tos and the most popular tricks from author Patty Lyons' beloved advice columns, this handy guide goes far beyond your typical knitting tips. Knitters of all levels will discover both why and how various techniques work and improve both the look of their knitting and their command of stitches. It's sure to take any knitter's skills up to the next level. With more than 30K followers on social media and name checks by everyone from the *Wall Street Journal* to popular television show *Late Night with Seth Meyers*, Patty is a well-known name in the knitting community. This isn't like other how-to knit books with basic information about casting on and how to form stitches, although there is a handy how-to reference section at the back for when you need a refresher. This is a book about the why of knitting. Not about why we knit, but about why we knit the way we do. By digging deeper into the why, Patty doesn't just fix your knitting problems; she helps you to truly understand why the yarn, stitches, needles, tension are acting in a certain way and how to fix any issues. She starts by looking at the basics and explores the anatomy of a stitch, examining how this affects the look, feel and shape of the finished knitted fabrics, and how different knitting techniques affect the finished outcome. Patty examines the problems caused by common mistakes that many knitters make without even noticing, before diving into more complex knitting issues and how to trouble shoot them. All of Patty's techniques and tips are illustrated with detailed step by step artworks for absolute clarity. And as you'd expect from a Patty Lyons book, there is a healthy scattering of humor and irreverence throughout. You might take knitting seriously, but you don't have to be serious while knitting.
