From the mid 1980s to the turn of the 1990s the international HRfield was considered to be in its infancy There continues to be both an evolution of territory covered by the field aseries of successively evolving cultural geographical and institutional challenges faced by the multinational corporation MNC as well as more critical questioning whether this has created an expanded or a fragmented field This book brings together the latest research on important issues driven concerns that the field of IHRM now has to face absorb interpret then reanalyse through international lenses This volume gives attention to those aspects of MNC behaviour choices about location how they organize local subsidiaries choices made about technology capital and labour and choices made about investments and strategies that are subject to institutional influences It also gives voice to a number of contemporary issues reverse knowledge flows skill supply strategies employer branding e enablement outsourcing global networks that now need to be accommodated within the field Broadens the IHRM field to cover comparative and institutional perspectives Provides a multi level analysis of globalization phenomena at the individual organization and macro level Focuses on the current problems and issues driving the attention of IHRM Directors      *The Routledge Companion to International Hospitality Management* Marco A. Gardini, Michael C. Ottenbacher, Markus Schuckert, 2020-11-09 The hospitality sector is facing increasing competition and complexity over recent decades in its development towards a global industry The strategic response to this is still that hospitality companies try to grow outside their traditional territories and domestic markets while the expansion patterns and M A activities of international hotel and restaurant chains reflect this phenomenon Yet interestingly the strategies concepts and methods of internationalization as well as the managerial and organizational challenges and impacts of globalizing the hospitality business are under

researched in this industry While the mainstream research on international management offers an abundance of information and knowledge on topics players trends concepts frameworks or methodologies its ability to produce viable insights for the hospitality industry is limited as the mainstream research is taking place outside of the service sector Specific research directions and related cases like the international dimensions of strategy organization marketing sales staffing control culture and others to the hospitality industry are rarely identifiable so far The core rationale of this book is therefore to present newest insights from research and industry in the field of international hospitality drawing together recent scientific knowledge and state of the art expertise to suggest directions for future work It is designed to raise awareness on the international factors influencing the strategy and performance of hospitality organizations while analyzing and discussing the present and future challenges for hospitality firms going or being international This book will provide a comprehensive overview and deeper understanding of trends and issues to researchers practitioners and students by showing how to master current and future challenges when entering and competing in the global hospitality industry
