7500 Solved Exercises to Help You Learn Difficult Words and Upgrade Your English Vocabulary in a Fun Way Talia Swinton,2021-04-07 A good vocabulary is very important for your careerThere are many different ways to improve your English vocabulary Word Power Spelling strengthening tactics1 By reading extensively This is the most old school method of learning new words and creative usage of those words in different contexts but it is still probably the best way even in 2021 The more books you read armed with a dictionary to help you look up words the more words you learn and the longer you retain their meaning and context usage rules The only downside to this is that it is a long term strategy and may not work if you need a three month crash course in English vocabulary for a test exam professional job career interview 2 By using flash cards of high frequency difficult words This is the conventional method of test prep It has the advantage of working well for people who can put their heads down and go through 3000 words and memorize their meanings However not everyone can use this method successfully because many might find it boring 3 By using language apps and English learning websites In the modern world it is much easier to leverage the power of

technology to gain fluency in the world's biggest language by using games and animated videos to make the process of drilling words and their meanings and usage techniques easier. Flash card apps also exist that use the downtime in your smartphone device usage to help you learn a small number of new words every day. 4 By using puzzles in creative formats. This is the technique that we will focus on within the pages of this book. All the other strategies listed above have the disadvantage that the only way to scale up the difficulty is to try to learn a larger number of words or to learn more difficult words. However, one way to do this in a better way is to challenge your brain to look at words in a different light and to manipulate their meanings, definitions, and synonym structures to guess the answer. I am confident that you will be able to use this book to upgrade your English speaking, spelling, and writing skills and to have a very successful career. **Travelflips**

Robinson, 2021-02-26 Flash Card Mastery Upward Social Mobility. In the world we live in, there is a direct correlation between proficiency in a language, for example, English, the lingua franca of a large part of the world in the twenty-first century, and the upward trajectory of the career path of any individual. Success in one's personal and professional life is all about communication, and knowing a language better makes it easier to communicate in the most appropriate fashion in any situation that one might come across in one's daily life. Words can create livelihoods. Whether it works directly if you are a writer or a poet, or if they work indirectly in facilitating your communication with your colleagues, friends, and family, words grease the wheels of the modern world. Words are also the gateway to upward social mobility. Many people use words in tests of intelligence and of suitability for various jobs. The first thing you do when you move to a new country and are trying to get a job is to learn the local language in case you don't know it. This book has two sections. The first section has a large number of flash cards that give you insights into the meanings and parts of speech of a number of useful nouns, verbs, and adjectives. These flash cards can be read from time to time, looking at a flash card 10-20 times, has been proven to help people retain the meanings of words better. The second section prepares you for the next book in this series; it has a large number of words categorized into various levels of difficulty of definition. You can guess the meanings of these; this mental exercise will get you ready for the next big step. Mastering the contents of this book will get you closer to that dream job or that coveted college seat. All the best. **Reading 200 Flash Cards German - Thai Language Vocabulary Builder For Kids** Professional
