to improve the efficiency In the last it includes the progress in signal processing to process the normal and abnormal categories of real world signals for instance signals generated from IoT devices smart systems speech videos etc and involves biomedical signal processing electrocardiogram ECG electroencephalogram EEG magnetoencephalography MEG and electromyogram EMG Asia/Pacific Markets ,1998 **The Gangs of Bangladesh** Sally Atkinson-Sheppard,2019-08-28 This book presents a study of street children s involvement as workers in Bangladeshi organised crime groups based on a three year ethnographic study in Dhaka The book argues that mastaans are Bangladeshi mafia groups that operate in a market for crime violence and social protection It considers the crimes mastaans commit the ways they divide labour and how and why street children become involved in these groups The book explores how street children are hired by mastaans to carry weapons sell drugs collect extortion money commit political violence and conduct contract killings The book argues that these young people are neither victims nor offenders they are instead illicit child labourers doing what they can to survive on the streets This book adds to the emerging fields of the sociology of crime and deviance in South Asia and Southern criminology **Teaching English with Corpora** Vander Viana,2022-10-26 Teaching English with Corpora is an accessible and practical introduction to the ways in which online and offline corpora can be used in English language teaching ELT Featuring 70 chapters written by an international range of researchers and practitioners this book provides readers with clear tested examples of corpus based driven lesson plans contains activities relevant to English for general purposes and English for specific purposes caters for the needs of English language teachers working with learners at different proficiency levels features flexible teaching suggestions that can be explored as part of a lesson or as a full lesson This book is an essential purchase for pre and in service English language teachers as well as those studying corpus linguistics in undergraduate Master s courses in applied linguistics ELT and Teaching English to Speakers of Other Languages TESOL Witches, Tea Plantations, and Lives of Migrant Laborers in India Soma Chaudhuri,2013-08-15 Witches Tea Plantations and Lives of Migrant Laborers in India Tempest in Teapot is a unique book that brings together a holistic theoretical approach on the subject of witchcraft accusations specifically those taking place inside a tea workers community in India Using a combination of in depth and extensive qualitative methods and drawing on sociological anthropological and historical perspectives Chaudhuri explores how adivasi tribal migrant workers use witchcraft accusations to deal with worker management conflict Chaudhuri argues that witchcraft accusations can be interpreted as a periodic reaction of the adivasi worker community against their oppression by the plantation management The typical avenues of social protest are often unavailable to marginalized workers due to lack of organizational and political representation and resources As a result the dain witch becomes a scapegoat for the malice of the plantation economy Within this discourse witch hunts can be seen not as exotic and primitive rituals of a backward community but rather as a powerful protest by a community against its oppressors The book attempts to understand the complex network of relationships ties of friendship family politics and

gender that provide the necessary legitimacy for the witch hunt to take place In most cases examined here seemingly petty conflicts within the villagers often escalate to a hunt At the height of the conflict the exploitative relationship between the plantation management and the adivasi migrant workers often gets hidden The book demonstrates how witchcraft accusations should be interpreted within this backdrop of labor planters relationship characterized by rigidity of power patronage and social distance Witches Tea Plantations and Lives of Migrant Laborers in India should appeal to criminologists sociologists anthropologists labor historians gender scholars labor migration scholars witch hunt and witchcraft accusation global scholars adivasi scholars South Asian scholars and anyone interested in India s tribes witchcraft accusations gender in a global world labor conflict and Indian tea plantations

Secret Body Jeffrey J. Kripal,2017-11-14 An academic memoir addresses topics as diverse as Hindu Tantra Christian mysticism American counterculture and the history of the paranormal Los Angeles Review of Books Over the course of his twenty five year career Jeffrey J Kripal s study of religion has had two major areas of focus the erotic expression of mystical experience and the rise of the paranormal in American culture This book brings these two halves together in surprising ways through a blend of memoir manifesto and anthology drawing new connections between these two realms of human experience and revealing Kripal s body of work to be a dynamic whole that has the potential to renew and reshape the study of religion Kripal tells his story biographically historically and politically contextualizing each of the six books of his Chicago corpus from Kali s Child to Mutants and Mystics all the while answering his censors and critics and exploring new implications of his thought In the process he begins to sketch out a speculative new comparativism in twenty theses The result is a new vision for the study of religion one that takes in the best of the past engages with outside critiques from the sciences and the humanities and begins to blaze a new positive path forward A major work decades in the making Secret Body will become a landmark in the study of religion Kripal presents us with a compilation of theories cultural references and anecdotes making up an impassioned thesis about the future of religious studies and what human beings may become For all its eccentricities Kripal s work is playful engaging and original Times Higher Education
