millions through daily TV news updates and raising more than 100k for charity What people did not see however was what happened behind the scenes The book details several near misses that the organisers kept quiet including securing permission to enter the National Park where Everest is situated just a day before the group were due to arrive Friendships were pushed to the very limit and many people gave their all to organise a once in a lifetime experience The heartache from several people dropping out of the expedition was counteracted by the highs of taking part in such a unique and life changing experience Ultimately this a story of 50 people going outside of their comfort zones to achieve something many thought impossible It brought people and communities together changed the lives of many and reminded everyone that adventure is accessible to anyone Cricket on Everest will appeal to fans of sport and travel writing Author Alan has been inspired by Harry Thompson s Penguins Stopped Play and Jon Krakauer s Into Thin Air **This Time Next Year** Nathan Howells,2021-12-01 This Time Next year is the story of how one ordinary guy prepared to run a marathon It s about everyday conversations about goals and ideas and takes the reader through the journey to fulfil a personal goal This book is not about supreme fitness or a new approach to nutrition or an extreme sporting adventure It will not offer insights to everyone or big surprises but it is a story of focusing on a personal goal breaking down the key things that will make it work and dedicating until the end Hopefully it will bring some help maybe some inspiration but definitely it tells the everyday person s approach to running a marathon from scratch *LEAD: 50 models for success in work and life* John Greenway,Andy Blacknell,Andy
