Edge of Whispers Shannon McKenna,2025-06-24 My world was shattered My foster mother Lucia s brutal murder almost broke me but I have to pull myself together and be strong for my sisters Nell and Vivi Lucia saved us from an ugly fate We d have been lost without her but now we were lost again this time in secrets lies and clues but no answers When Lucia s killer attacks me Liam the brawny building contractor Lucia had hired for her house renovation swoops in and saves my ass It s the worst possible moment to

notice how rock solid that guy is not to mention brave And gorgeous But my enemies could hurt him He should keep his distance But he won't And I'm not gonna lie I'm not sorry She was trouble from the start I've been working hard and keeping my head down but as soon as I saw Nancy D Onofrio's big gray eyes full of mysterious shadows I knew she would mess me up The woman was terrified traumatized grief stricken and the timing was beyond bad but Lucia was my friend She would have wanted me to look out for her girl God knows after one tantalizing taste of her it wasn't like I had any kind of choice But her enemies are focused as hell It will take everything we've got to stay ahead of them Edge of Whispers Book One is the first book in the Edge Trilogy Edge of Secrets Book Two is Nell's story and Edge of Ruin Book three Vivi's story concludes the trilogy The three stories form a single overarching action adventure story but each couple gets their own HEA at the end of each book Parts of these stories have already appeared in a previously published book Tasting Fear

Edge of Secrets

Shannon McKenna, 2025-07-22 All the king's horses and all the king's men I'm barely holding it together since I lost my foster mother Lucia in a brutal home invasion The killer is still on the loose convinced that my sisters and I know something crucial about Lucia's mysterious past On top of that I'm barely making ends meet as a grad student in New York City waiting tables and looking over my shoulder The only bright spot in my day is when I serve lunch to Duncan Burke a big grim faced guy in a suit He barely notices me until he does And after one passionate encounter suddenly he's making me a shocking proposition It's outrageous But I'd rather dream about it than worry about the disasters in my life It's a no brainer Protect the luscious Nell D Onofrio from the killer stalking her Check Pleasure her beyond her wildest dreams in the safety of my luxury condo all night every night Check Damn what's not to like about that scenario As an ex NSA agent and a cybersecurity expert I deal in stone cold facts I don't get why Nell is getting all wound up about what is clearly a win win situation for everyone She has problems I'll solve them I'll put every part of myself body and soul to the task But nothing is ever clear or simple with Nell She who won't take orders She drives me wild makes me lose my cool The killer thinks Nell has info he needs and he'll kill for it Not on my watch No one touches her Edge of Secrets Book Two is the second book in the Edge Trilogy Edge of Whispers Book One is Nancy's story and Edge of Ruin Book Three Vivi's story concludes the trilogy The three stories form a single overarching action adventure story but each couple gets their own HEA at the end of each book Parts of these stories have already appeared in a previously published book Tasting Fear

Edge of Ruin

Shannon McKenna, 2025-09-16 One step ahead of mayhem Ever since my foster mom Lucia's senseless murder my sisters and I are scrambling to solve this deadly mystery before it kills us But Lucia's killer is still after us and with both my sisters now blissfully paired up with their protective new boyfriends I'm the obvious soft target So they're sending me off to hide on a flower farm in a primeval Oregon forest I've been instructed to lay low take it easy work on my sculptures while I am babysat by an old army buddy of my sister Nell's new lover Some guy named Jack who has a large barn studio to rent and who is evidently not going to bug me or interfere with me at all but is also a real badass who can protect me from a killer Right Jack is an Army guy and I famously

don't take orders well What could possibly go wrong They should have warned me that Jack was also tall hot hard bodied and judgmental as hell He thinks I'm frivolous helpless fluff but to my intense shame that doesn't stop my heart from racing or my toes from tightening She's more trouble than I bargained for I like to keep things simple and solitary in my mountain hideaway but I owe my long time buddy Duncan my life I couldn't say no when he told me that his fiancée's little sister needed looking after I'm down for some bodyguarding as long as the woman collaborates But this woman has ideas of her own and she's not shy about sharing them I didn't sign up getting embroiled in an international ring of cutthroat art thieves either And getting knocked on my ass by the gorgeous strong willed free spirited Vivi D Onofrio doesn't help Keeping that woman safe quickly becomes my top priority but as the heat kicks up between us the danger stalking her is quickly gaining ground Edge of Ruin Book Three concludes the Edge Trilogy Edge of Whispers Book One is Nancy's story and Edge of Secrets Book Two is Nell's story The three books form a single overarching action adventure story but each couple gets their own HEA at the end Parts of these stories have appeared in a previously published book Tasting Fear
