Gambling and Sports in a Global Age Darragh McGee, Christopher Bunn, 2023-11-17 This volume contains an Open Access chapter Establishing a scholarly platform to inform interventions in research and policymaking this book demonstrates the importance of sociology in understanding sports gambling in a global age **Gambling, Work and Leisure (Routledge Revivals)** David Downes, D. M. Davies, M. E. David, P. Stone, 2014-06-17 Since the legalisation of off course cash betting in 1960 and the rise of varying forms of gambling the British have come to be known as a nation of gamblers Until this study was published in 1976 barely any evidence existed against which to assess the claim that gambling had become a major social problem The authors present data drawn from area surveys carried out in Swansea Sheffield Wanstead and Woodford and explore how well previous sociological theories of gambling agree with their findings particular in connection with certain aspects of work and leisure Examining different forms of gambling including betting bingo and gaming machines the chapters consider how gambling choices vary between different social groups and how much time and money is spent on them With the internet making it easier than ever before to place bets this title is especially relevant and provides a systematic basis for an explanation of gambling in relation to social structure **Whitaker's Books in Print**, 1998 **Leisure, Recreation, and Tourism Abstracts**, 1996 **The Publishers' Trade List Annual**, 1979 [Subject Guide to Books in Print](#), 1993 **International Gaming & Wagering Business**, 2005 [New Zealand Official Yearbook](#) David Bateman, New Zealand. Statistics New Zealand, 2004-10 For more than 100 years the New Zealand Official Yearbook has been the authoritative source on New Zealand its people its government and its industry The New Zealand Official Yearbook 2004 continues this tradition by providing a comprehensive picture of life in New Zealand Recent developments in business government education the environment health and other facets of daily life are highlighted based on the most recent and accurate information available from both the public and the private sector Time series graphs and tables enable comparison with previous years This is an essential reference book and an invaluable source of information about New Zealand **Sports Betting: Law and Policy** Paul M. Anderson, Ian S. Blackshaw, Robert C.R. Siekmann, Janwillem Soek, 2011-10-28 Gambling is a significant global industry which is worth around 0.6% of world trade that is around US 384 billion and gambling on the outcome of sports events is a very popular pastime for millions of people around the world who combine a bet with watching and enjoying their favourite sports But like any other human activity sports betting is open to corruption and improper influence from unscrupulous sports persons bookmakers and others Sports betting in the last ten years or so has developed and changed quite fundamentally with the advent of modern technology not least the omnipresence of the Internet and the rise of on line sports betting This book covers the law and policy on sports betting in more than forty countries around the world whose economic and social development history and culture are quite different Several chapters deal with the United States of America This book also includes a review of sports betting under European

Union EU Law The book appears in the ASSER International Sports Law Series under the editorship of Dr Robert Siekmann
