The Political Economy of Apparel Exporting Industrial Parks in Ethiopia Mohammed Seid Ali,2024-07-14 This book discusses the maxim of industrialization with a human face or social upgrading which currently dominates the academic and actual policy discourses particularly in late comer economies of the Global South such as Ethiopia To understand industrialization with social upgrading in the current context

of economic globalization characterized by the Global Value Chain GVC the book adopts the Human Rights HR perspective to labour relations and employs the Corporate Social Responsibility CSR approach to analyze the labour compliance of apparel exporting firms and their respective global brand buyers operating in Ethiopia's industrial parks The findings reveal that Ethiopia's post 2005 state led industrialization development path which has firmly embraced strong business-state alliances has curbed the power of labour Further global brands flawed CSR and poor purchasing practices have contributed to the ongoing labour abuses in the country's industrial parks If the government does not consciously respond to the race to the bottom the cold current of economic globalization that dominates the global apparel value chain local industrial workers in Ethiopian industrial parks will continue to face dismal working conditions *Ethiopian Revolution 1974-1991* Teferra Haile-Selassie, 2013-12-19 First published in 1997 Ethiopia the only country in Africa to survive the nineteenth century European scramble for the continent has a long unique and complex history This stretches back over three million years to Lucy or as the Ethiopians call her Dinkeneshe the earliest known ancestor of the human race to the political turmoil of late twentieth century Africa Teferra Haile Selassie writes partly as a historian but also and perhaps more importantly as a sincere and sensitive observer who lived through the later historical events which he describes and indeed played a notable role in several of them *A Guide to Women's Health* Tolu Oyelowo, Judith (Judi) L.
