Discipleship: Essential Components for Attaining Spiritual Maturity Dr. Todd M. Fink, 2017-04-17 Today we have many ways of defining success in life Some define it as being a sports hero others as being wealthy others as being popular and well liked and still others as being happy How does God define success He defines it as being spiritually mature How do we become spiritually mature There's only one way and it's called discipleship However statistics show that discipleship is in a state of crisis today Many Christians are not growing in Christ and are stuck in the process of reaching spiritual maturity A Barna study reveals that almost nine out of ten senior pastors of Protestant churches assert that spiritual immaturity is one of the most serious issues facing the church Sadly what discipleship meant in the time of Christ and what it means today is vastly different Moreover the importance Christ and the Apostles gave to discipleship is also stunningly different than the importance many Christians and churches today give it Unlike the disciples who had much of Scripture memorized a whopping 81% of Christians today don't read their Bibles regularly Unlike Christ's disciples who were Fishers of Men 61% of believers today have not shared their faith in the past six months And sadly unlike Christ and the Apostles who made discipleship the central focus of their ministries 81% of pastors today have no regular discipleship programs in their churches Discipleship is being neglected today and the consequences are crippling many Christians and churches This book hopes to change that Chapter 1 focuses on the state of discipleship today and exposes the sad truth that it's in crisis mode Chapter 2 reveals 13 key factors contributing to the lack of discipleship today Chapter 3 defines biblical discipleship based on central phrases Christ used in His ministry Chapter 4 brings to light 14 essential components of the discipleship making

process that must be understood and practiced in order to attain spiritual maturity Chapter 5 provides practical how to help for growing in Christ It includes self assessment tests for measuring your level of spiritual maturity in each essential component of discipleship and gives hands on useful ideas for taking steps toward spiritual maturity Discipleship is a command for all believers and is our highest calling This book provides biblical help for fulfilling this calling and seeks to discover what God says about genuine growth in Christ It s both an informative book and a how to book It deals with the barriers that are hindering discipleship and offers practical help for overcoming these barriers and attaining spiritual maturity So are you ready to grow Would you like to be pleasing to God Would you like to fulfill the reason for which you ve been created Would you like the full blessings of God in your life Would you like to become spiritually mature Would you like to hear Christ s words Well done good and faithful servant when you arrive in heaven If so this book is for you **J. Oswald Sanders: Three Spiritual Classics in One Volume** J. Oswald Sanders,2024-12-03 Three classics for every Christian s library Over 1 million copies sold The influence of J Oswald Sanders is known far and wide across the globe In this new edition readers engage with Sanders most essential and influential work Spiritual Leadership Spiritual Maturity and Spiritual Discipleship Spiritual Leadership is a proven classic presenting the key principles of leadership in both the temporal and spiritual realms Sanders illustrates his points with examples from Scripture and biographies of eminent men of God such as Moses Nehemiah the apostle Paul David Livingstone Charles Spurgeon and others Featured topics include the cost of leadership the responsibility of leadership the qualities and criteria of leadership the art of reproducing leaders and the one indispensable requirement of leadership Sanders holds that even natural leadership qualities are God given and their true effectiveness can only be reached when they are used to the glory of God Let this classic be your guide for leadership and watch how God works through you to do great things for His glory Spiritual Maturity Spiritual maturity is not a level of growth Christians achieve but the passion to press on in Christ In these chapters J Oswald Sanders explores the primary source of continual growth In three parts structured around the persons of the Trinity Sanders explores matters like how we should view God why our weakness is God s strength what it means that Christ prays for us how to live like an heir of the King and the role of the Spirit in a Christian s life Spiritual Maturity provides clear direction for those desiring to grow strong spiritually Spiritual Discipleship True disciples pursue their Master They know that God is watching over their faith but they also take Scripture s command seriously work out your own salvation with fear and trembling for it is God who works in you They take pains by His power to look more and more like Jesus This book will help you to be such a disciple It examines Jesus teaching on what it means to follow Him helping you become the kind of Christian Jesus wants you to be not one devised by man or even other Christians You ll learn conditions for discipleship the tests that disciples endure how disciples pray and grow the posture and practices of a disciple and more Effective Discipling in Muslim Communities Don Little,2015-07-14 Muslims who come to Christ face momentous spiritual psychological and social obstacles that drive many to

abandon their faith Missiologist Don Little draws on New Testament principles historical practices and interviews with seasoned disciplers ministering in Muslim countries to effectively disciple believers from Muslim backgrounds A Practical Discipleship Model That Fosters Spiritual Maturity Owar Ojha Ojulu,2023-11-09 Jesus challenges us to live in him and continue living out the truth so that we claim our allegiance to Christ and live as disciples free from fear and from cultural customs that contradict the gospel message This project has found that the lack of discipleship training among the Anyuwa churches has resulted in a lack of understanding of what this ministry entails teaching and making disciples In addition failure to embed elements of the Anyuwa culture into the discipleship approach and the persistence of certain elements of Anyuwa life that run counter to gospel beliefs has inflamed this crisis Therefore this book presents a call for the church to challenge the culture of syncretism and the fear of witchdoctors to shift its paradigm and begin interpreting the gospel message utilizing contextual elements but interpreting them through the lens of the gospel calling people to embrace gospel values within their own cultural context When we start interpreting strong cultural beliefs and traditions through the truth of the gospel it is proof that we have come to the best discipleship approach as we speak the truth of the gospel in the life our church and the hearts of our believers

Following the Master Michael J. Wilkins,2010-08-03 In the aftermath of the waves of discipleship programs that have swept over the church in the last 30 years clergy and laypersons alike are more confused than ever about what it means to be a disciple of Jesus Christ What should a disciple of Jesus look and act like today What is the relationship between discipleship and salvation between discipleship and sanctification between discipleship and ministry How were disciples of Jesus different from other disciples in the ancient world How did the early church carry out Jesus agenda in making disciples of all the nations In *Following the Master* Michael J Wilkins addresses these and many other questions that perplex the church today not by offering another discipleship program or manual but by presenting a comprehensive biblical theology of discipleship *Following the Master* compares other forms of master disciple relationships in existence in the ancient Judaism and Greco Roman world traces Jesus steps as he called and developed disciples and Mediterranean world as it followed Jesus command to make disciples *Following the Master* lays the groundwork necessary for developing biblical discipleship ministries in the church on the mission field and in parachurch ministries It is essential reading for all pastors students and Christian workers
