

The background of the entire image is a close-up photograph of a car's engine compartment. A person's hand is visible on the left side, holding a red-handled tool, possibly a screwdriver or a small wrench, and is working on a component of the engine. The engine itself is a complex of various parts, including hoses, belts, and metal components, with a prominent air filter on the right side. The lighting is somewhat dim, focusing on the mechanical details.
