Brown,2003-02 Transformational Preaching Theory and practice is a comprehensive textbook for the beginning student of preaching the graduate student in pulpit discourse or the seasoned preacher Seeking to reclaim the pulpit for biblical preaching the book counteracts the popular teaching approach that is common today and argues that preaching must be persuasive rather than informative that the preacher is central to the act of preaching and that through the preaching event both preacher and listener together fashion the message and its meaning Both theoretical and highly practical the book offers a challenging look at all aspects of the preaching ministry It contextualizes preaching in pastoral ministry and congregational worship but most significantly argues that the practice of preaching must be informed and driven by theory As such the book draws from a wide perspective of disciplines including biblical theology classical rhetoric contemporary human communication public discourse persuasion linguistics performance

and orality The book's wealth of practical guidelines for every step of sermon development encourages students to apply general principles within their own contexts of ministry      Faithful Preaching Tony Merida, 2009 Faithful preaching is the responsible passionate and authentic declaration of the Christ exalting Scriptures by the power of the Spirit for the glory of the triune God Publisher's Description      **Unleashing the Word** Adam Hamilton, 2011-12-01 Imagine announcing a new series of sermons and seeing worship attendance increase by 1 000 people on the first Sunday of the new series Or consider a pastor developing sermon plans two to three years out What kind of pastor sits in a bar with a notepad just looking for ideas for sermons Or has as his aim to preach the best prepared best researched sermons his congregation has ever heard All of these and more explain part of the reason the United Methodist Church of the Resurrection has grown from four people to over 10 000 in just thirteen years In *Unleashing the Word* Adam Hamilton helps pastors and church leaders consider the purpose planning and execution of excellent preaching He offers detailed descriptions of the sermon planning writing and preaching process behind one of the fastest growing churches in the United States He includes numerous personal anecdotes and enough sermon ideas to keep the average pastor busy for years Finally after you have read how sermons are planned and prepared at the Church of the Resurrection you can watch the included DVD which features four full length sermons and other resources to help you apply what you've read in the book If you only buy one book on preaching this year this is the book you must buy      Shepherding God's People Siang-Yang Tan, 2019-07-16 This comprehensive textbook on pastoral ministry for pastors church leaders and students articulates a biblical model for shepherding God's people Written by a leading psychologist and seminary professor who has served as a pastor for more than two decades the book covers twelve major areas of pastoral ministry highlights the essential work of the Holy Spirit and focuses on the personal and family life of the pastor It includes cross cultural perspectives of special interest in our diverse world and a foreword by John Ortberg

Translated ... with notes, by Anna Maria Goldsmid* Ludwig PHILIPPSON, 1855      **Building the Body** Gary L. McIntosh, Phil Stevenson, 2018-01-02 Just as a physically healthy person at an ideal weight and with good blood pressure and cholesterol numbers might not actually be fit enough to run a 5k so churches can appear healthy with no obvious issues maintaining a healthy size and yet not exhibit fitness A fit church is one that is not satisfied with merely coasting along with no problems A fit church is actively making disciples maturing in faith developing strong leaders reaching out to the community and more Building the Body offers pastors and church leaders twelve characteristics of fit churches and shows them how they can move their church through five levels of fitness from beginner all the way to elite just as an athlete through training and practice can become the top in his or her class Includes comparison charts at the end of each chapter so readers can clearly see where their church currently falls and concluding Complete the Progress Chart so that they can see what their goals should be for the future      **Deep Preaching** J. Kent Edwards, 2009 J Kent Edwards recalls a story that

late pastor J Vernon McGee told about seeing children in South Africa playing a game of marbles in the dust with real diamonds The precious stones were being handled with no regard for their true worth Edwards fears the same thing happens today when preachers offer Scriptural truth to listeners without being completely overwhelmed by its greatness themselves in the process Deep Preaching is his call to rethink preaching Edwards helps preachers learn to preach the word in ways that will powerfully change the lives of hearers He contends that sermons need not settle comfortably on the lives of the listeners like dust on a coffee table He encourages preachers to join him in casting off the lines that moor their ministries to the status quo and make every effort to steer their preaching out of the comfortable shallows He urges them to preach deep sermons rather than superficial ones moving beyond the yawn inspiring to the awe inspiring from the trite to the transforming
