Dexter And Philosophy Mind Over Spatter Popular Culture And Philosophy:

Dexter and Philosophy Richard Greene, George A. Reisch, Rachel Robison, 2011-04-12 What explains the huge popular following for Dexter currently the most watched show on cable which sympathetically depicts a serial killer driven by a cruel compulsion to brutally slay one victim after another Although Dexter Morgan kills only killers he is not a vigilante animated by a sense of justice but a charming psychopath animated by a lust to kill ritualistically and bloodily However his gory appetite is controlled by Harry's Code which limits his victims to those who have gotten away with murder and his job as a blood spatter expert for the Miami police department gives him the inside track on just who those legitimate targets may be In Dexter and Philosophy an elite team of philosophers don their rubber gloves and put Dexter's deeds under the microscope Since Dexter is driven to ritual murder by his Dark Passenger can he be blamed for killing especially as he only murders other murderers Does Dexter fit the profile of the familiar fictional type of the superhero What part does luck play in making Dexter who he is How and why are horror and disgust turned into aesthetic pleasure for the TV viewer How essential is Dexter's emotional coldness to his lust for slicing people up Are Dexter's lies and deceptions any worse than the lies and deceptions of the non criminals around him Why does Dexter long to be a normal human being and why can't he accomplish this apparently simple goal

Dexter and Philosophy Richard Greene, George A. Reisch, Rachel Robison-Greene, 2011 In Dexter and Philosophy an elite team of philosophers don their rubber gloves and put Dexter's deeds under the microscope

Halo and Philosophy Luke Cuddy, 2011-04-12 Since the Doom series First Person Shooter FPS videogames have ricocheted through the gaming community often reaching outside that community to the wider public While critics primarily lampoon FPSs for their aggressiveness and on screen violence gamers see something else Halo is one of the greatest most successful FPSs ever to grace the world of gaming Although Halo is a FPS it has a science fiction storyline that draws from previous award winning science fiction literature It employs a game mechanic that limits the amount of weapons a player can carry to two and a multiplayer element that has spawned websites like Red vs Blue and games within the game created by players themselves Halo's unique and extraordinary features raise serious questions Are campers really doing anything wrong Does Halo's music match the experience of the gamer Would Plato have used Halo to train citizens to live an ethical life What sort of Artificial Intelligence exists in Halo and how is it used Can the player's experience of war tell us anything about actual war Is there meaning to Master Chief's rough existence How does it affect the player's ego if she identifies too strongly with an aggressive character like Master Chief Is Halo really science fiction Can Halo be used for enlightenment oriented thinking in the Buddhist sense Does Halo's weapon limitation actually contribute to the depth of the gameplay When we willingly play Halo only to die again and again are we engaging in some sort of self injurious behavior What is expansive gameplay and how can it be informed by the philosophy of Michel Foucault In what way does Halo's post apocalyptic paradigm force gamers to see themselves as agents of divine deliverance What can Red vs Blue teach us about personal identity These questions are tackled by writers who are both Halo cognoscenti and active philosophers with a foreword by renowned Halo fiction author Fred Van Lente and an afterword by leading games scholar and artist Roger Ngim

when it's extended into cyberspace and an array of electronic devices Are we in control of our online lives or are we being controlled What does our right to privacy mean in a world where millions of people can observe what we're doing and saying Is a virtual currency true money and could it replace traditional money Can there be healthy forms of drug addiction Can some types of so-called mental illness be useful and beneficial Does it make any sense to unleash destruction upon the existing corporate economic structures and can we expect something better to emerge from the ruins of a digital meltdown

The Ultimate Walking Dead and Philosophy Wayne Yuen, 2016-01-12 In The Walking Dead human beings are pushed to their limits by a zombie apocalypse and have to decide what really matters Good and evil freedom and slavery when one life has to be sacrificed for another even the nature of religion all the ultimate questions of human existence are posed afresh as the old society crumbles away and a new form of society emerges with new beliefs and new rules The Ultimate Walking Dead and Philosophy brings together twenty philosophers with different perspectives on the imagined world of this addictive TV show How can we keep our humanity when faced with such extreme life or death choices Did Dr Jenner do the right thing in committing suicide when all hope seemed to be lost Does the Governor as the new Machiavelli prove that willingness to repeatedly commit murder is the best technique for getting and keeping political power Why do most characters place such importance on keeping particular individuals alive especially children What can we learn about reality from Rick's haunting hallucinations

It's Always Sunny in Philadelphia and Philosophy Roger Hunt, Robert Arp, 2015-09-08 Philosophers wittily and expertly uncover amazing philosophical insights from the endlessly fascinating TV show It's Always Sunny in Philadelphia Littmann shows how the values of the gang are the same as those of Homeric heroes Ketchum argues that the Church should make Charlie a saint partly because It's Always Sunny is all about free will Hamer shows how closely the gang's activities comply with the scientific method Alkema and Barkman analyze the way the gang perceives happiness and how they try to get it Leonard proves beyond doubt that the game of Chardee MacDennis reveals

everyone's unconscious desires King examines the morality of the gang's behavior by the standard of how they respond to extreme suffering Chambers agrees that each of the five central characters is a terrible person but argues that given their circumstances they are not truly to blame for their actions Tanswell demonstrates that many of the gang's wrong actions result not from immoral motives but from illogical thinking Aylesworth uses examples from *It's Always Sunny in the Park* to bring out some of the moral problems with real consent to sex Jones reveals that Nietzsche foresaw everything the gang at Paddy's Pub would do

Sherlock Holmes and Philosophy Josef Steiff, 2011 The best and wisest of men or a heartless machine Crusader for justice or cynical egoist Mr Holmes the brain of Baker Street continues to fascinate to baffle and to be interpreted very differently by among others Basil Rathbone Jeremy Brett Robert Downey Jr and Benedict Cumberbatch without losing his unmistakable identity *Sherlock Holmes and Philosophy* applies observation and deduction to the ultimate three pipe problem the meaning of Sherlock Holmes Cover p 4 and publisher's website

Rush and Philosophy Jim Berti, Durrell Bowman, 2011 The progressive hard rock band Rush has never been as popular as it is now A documentary film about the band Rush *Beyond the Lighted Stage* which was released in the summer of 2010 has been universally well received They had a cameo in the movie *I Love You Man* Their seven part song 2112 was included in a version of *Guitar Hero* released in 2010 The group even appeared on *The Colbert Report* And now this a book about Rush written for a general audience and geared towards issues concerning popular culture and philosophy There has been a recent explosion of Rush onto the popular culture front and how ironic for a band that has spent the early days of their career on the outside of mainstream popularity Even legendary trios such as Led Zeppelin Cream and The Police don't enjoy the commitment and devotion that Rush's fans lavish on Alex Geddy and Neil In part this is because Rush is equally devoted to its fans Since their first album in 1974 they have released 18 additional albums and toured the world following nearly every release Today when other 70s bands have either broken up or become nostalgia acts Rush continues to sell out arenas and amphitheatres and sell albums to date Rush has sold over 40 million albums They are ranked fourth after The Beatles The Rolling Stones and Aerosmith for the most consecutive gold or platinum albums by a rock band Rush's success is also due to its intellectual approach to music and sound The concept album 2112 made Rush a world class band and cemented its reputation as the thinking person's progressive rock trio Rush's interest in political philosophy mind control the nature of free will of individuality and our relationship to machines makes Rush a band that matters and which speaks to its fans directly and honestly like no other Lyricist Niel Peart has even built a following by writing books both about his motorcycle travels and about the tragic death of his daughter which have only furthered the respect Rush's fans have for arguably rock's greatest drummer and lyricist Fiercely independent of trends Rush has maintained a clear mission and purpose throughout their career With a unique sound best described as the Rush sound the band has been able to blend thought provoking lyrics and music for almost four decades The Rush style of music can trigger the unusual combination of air drumming air guitar singing along and fist

pumping just as much as it can thoughtful reflection and deep thinking making Rush The Thinking Man s Band Rush and Philosophy does not set out to sway the public s opinion nor is it an awkward gushing of how much the authors love Rush Rush and Philosophy is a fascinating look at the music and lyrics of the band setting out to address thought provoking questions For example elements of philosophical thinking from the likes of Jean Paul Sartre Ayn Rand and Plato can be found in Peart s lyrics does this make Peart a disciple of philosophy In what ways has technology influenced the band through the decades Can there be too much technology for a power trio Can listening to Rush s music and lyrics lead listeners to think more clearly responsibly and happily Is the band s music a pleasant distraction from the singing of Geddy Lee In what ways is Rush Canadian How can a band that has been referred to as right wing also criticize big government religion and imperialism Rush and Philosophy is written by an assortment of philosophers and scholars with eclectic and diverse backgrounds who love Rush s music and who get the meaning and importance of it They discuss Rush with the enthusiasm of fans and the seriousness of college professors The book will be a must read for the many fans who have long known that Rush deserves as much respect as the ideas concepts and puzzles about human existence they write and compose music about

Transformers and Philosophy puts Transformers under a microscope and exposes its philosophical implications in an instantly readable way [The Princess Bride and Philosophy](#) Richard Greene, Rachel Robison-Greene, 2015-11-14 The Princess Bride is the 1987 satirical adventure movie that had to wait for the Internet and DVDs to become the most quoted of all cult classics The Princess Bride and Philosophy is for all those who have wondered about the true meaning of Inconceivable why the name Roberts uniquely inspires fear and whether it's truly a miracle to restore life to someone who is dead but not necessarily completely dead The Princess Bride is filled with people trying to persuade each other of various things and invites us to examine the best methods of persuasion It's filled with promises some kept and some broken and cries out for philosophical analysis of what makes a promise and why promises should be kept It's filled with beliefs which go beyond the evidence and philosophy can help us to decide when such beliefs can be justified It's filled with political violence both by and against the recognized government and therefore raises all the issues of political philosophy Westley Buttercup Prince Humperdinck Inigo Montoya the giant Fezzik and the Sicilian Vizzini keep on re-appearing in these pages as examples of philosophical ideas Is it right for Montoya to kill the six fingered man even though there is no money in the revenge business What's the best way to deceive someone who knows you're trying to deceive him Are good manners a kind of moral virtue Could the actions of the masked man in black truly be inconceivable even though real What does ethics have to say about Miracle Max's pricing policy How many shades of meaning can be conveyed by As You Wish [Curb Your Enthusiasm and Philosophy](#) Mark Ralkowski, 2012 What makes Larry a monster and why doesn't he know that he's a monster This title discusses philosophical answers to these questions It also discusses the ethical and existential issues such as whether Larry is a bad apple or perhaps worth emulating **Poker and Philosophy** Eric Bronson, 2012-03-30 Does God play cards with the universe Do women have better poker faces than men What's the most existential poker movie ever made Is life more meaningful when you go all in Is online poker really still poker Poker and Philosophy ponders these questions and more pitting young lions against old masters as the brashness of Phil Hellmuth meets the arrogance of Socrates the recklessness of Doyle Brunson challenges the desperation of Dostoyevsky and the coolness of Chris MoneyMaker takes on the American tradition of capitalist ingenuity This witty collection of essays demonstrates what serious card sharks have long known winning big takes more than a good hand and a straight face Stacking the metaphorical deck with a serious grounding in philosophy is the key to raking it in because as Machiavelli proved long ago it's a lot better to be feared than loved and lying is not the same as cheating [U2 and Philosophy](#) Mark A. Wrathall, 2012-03-30 Is it possible to be a committed Christian and a rock superstar Can political activists make good music Do hugely successful rock bands really care about AIDS and poverty in Africa or is it just another image enhancing schtick U2 and Philosophy ponders these and other seeming dichotomies in the career of the Irish supergroup For over two decades U2 has been one of the biggest acts in rock music They've produced over a dozen platinum and multiplatinum records and won 15 Grammy Awards Critics everywhere have

praised the band's thoughtful complex lyrics and the artistry of their music. At the same time, Bono, the group's lead singer, has dedicated himself to political and social causes, blurring the line between rock star and respected statesman.
