

## DIALYTICAL JOURNALS

The term “dialectic” means “the art or practice of seeking out the truth by using conversation, posing questions and answers.” Think of your classwork journal as a series of conversations with the texts we read during this course. This process is essential for how you develop a better understanding of the texts we read. Use your journal to incorporate your personal responses to the texts, your ideas about the themes we cover and our class discussions. You will find that it is a useful way to process what you’re reading, prepare yourself for group discussion, and gather textual evidence for your literary analysis assignments.

### **PROCEDURE:**

- a. At the end of, individual passages that stand out to you, and record them in the left-hand column. The right column MUST include page numbers.
- b. In the right column, write your responses to that text (observations, questions, reflections, and comments on specific passages)
- c. You **must** label your responses using the following codes:
  - Q: Question—ask about something in the passage that is unclear
  - C: Connect—make a connection to your life, the world, or another text
  - R: Reflect—reflect on what you’ve learned or what’s in the passage
  - CL: Clarify—answer writer questions or comments/clarify or provide flow
  - R: Reflect—think deeply about what the passage means in a broad sense—not just for the characters in the story/narrator or the culture, think about what it says about the world, about human nature, or just the way things work
  - R: Evaluate—make a judgment about what the author is trying to say

### **Sample Dialectical Journal entry: *Beyond the Yellow Highlighter***

<p>Paragraph from the text:                  “I’ve always felt like I’d got something different. I’ve never felt like I’d got something different.”</p>	Page 9	<p>Q404 Passage you Quote must include 1) one of the following coded entries. Make sure to use it correctly. Using the same codes for most of all of your entries will result in a lower score.</p>
<p>1. “The yellow marker is the college highlighter, and it’s the only one I’ve ever used.”</p>	94/9	<p>CL I can relate since I often used to highlight what I thought was important and then end up with most of the page highlighted.</p>
<p>2. “I’ve always felt like I’d got something different. I’ve never felt like I’d got something different.”</p>	95/9	<p>CL It is funny to hear someone of Jason talk about this. (C) People are going to find this book easy to do something. Since there’s really no easy way to do anything, it’s not really easy to really read and think about the text. (C) It is really hard to find what it’s about. (C) It’s not really hard to find what it’s about.</p>
